INDEPENDENT AUDITORS' REPORT

August 25, 2011

To the MLMI 401(K) PLAN Plan Sponsor, Administrator, Participants & Beneficiaries

We have audited the accompanying statement of net assets in liquidation available for benefits as of December 31, 2010, the related statement of changes in net assets in liquidation available for benefits for the year then ended, the statement of net assets available for benefits of MLMI 401(k) Plan as of December 31, 2009 and the related statement of changes in net assets available for benefits for the year then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our

As described in Note 7 to the financial statements, the Plan's Sponsor elected on January 1, 2011 to terminate the Plan, by resolution of the Board of Trustees. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments in insurance contracts and the accumulated benefit information are stated, from the ongoing plan basis to the liquidation basis for the periods commencing January 1, 2011.

In our opinion, the financial statements referred to above present fairly, in all material respects, the statement of net assets in liquidation available for benefits as of December 31, 2010, the related statement of changes in net assets in liquidation available for benefits for the year then ended, the net assets available for benefits of MLMI 401(k) Plan as of December 31, 2009 and the changes in its net assets available for benefits for the years then ended, in conformity with accounting principles generally accepted in the United States of America applied on the bases described in the preceding paragraph.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule H, line 4i - Schedule of Assets (Held at End of Year) as of December 31, 2010, is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the MLMI 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

(a) *General*. The Plan was originally adopted effective January 1, 1999. Amendment and restatement were subsequently made effective February 1, 2006. It is a defined contribution plan covering all employees of the Company who are age 18 or older and who have six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) *Participant Contributions*. Participants may contribute from 1% to 90% of eligible earnings, but not in excess of $16,500 of their pretax compensation in 2010 as defined in the Plan. Participants over 50 years of age may also contribute up to an additional $5,500 catch-up contributions for 2010. Participants may also roll over amounts representing distributions from other qualified defined benefit or contribution plans.

(c) *Employer Contributions*. The Plan allows discretionary employer contributions, to be determined each year as a percentage of participants' contributions from current compensation. The Company made no matching contribution in 2010.

(d) *Participant Accounts*. Each participant's account is credited with the participant's contribution, allocations of the Company's contribution and Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participants' eligible compensation or account balances, as defined in the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(e) *Vesting*. Participants are immediately 100% vested in their contributions plus actual earnings thereon. Vesting in the Company's discretionary contribution portion of their accounts is based on years of continuous service, in which a participant is fully vested after five years of vesting service. A year of vesting service is a plan year in which an employee has completed 1,000 hours of service.

(f) *Investment Options*. Upon enrollment in the Plan, a participant may direct employee and employer contributions into a general account, to any number of the various investment accounts offered by the Plan, or to any combination of such accounts. Participants may subsequently change their investment options after initial enrollment.

(g) *Participant Loans*. Participants may borrow from their fund accounts up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) participant loan fund. Loan terms range up to five years, and up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined periodically by the Plan administrator. Principal and interest are paid ratably through every payroll deductions.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

(h) *Payment of Benefits.* Distributions from the Plan will be made if a participant retires, dies (in which case, payment shall be made to his or her beneficiary or legal representative), or otherwise terminates employment with the Company and its participating subsidiaries. Distributions from the Plan will also be made in the event of termination of the Plan.

(i) *Forfeited Accounts.* At December 31, 2010, forfeited nonvested account totaled $0. Forfeitures are used to reduce future employer contributions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) *Basis of Accounting.* The financial statements of the Plan are prepared using the accrual basis of accounting and in conformity with accounting principles generally accepted in the United States of America. These principles require the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(b) *Estimates.* The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrtor to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(c) *Investment Valuation and Income Recognition.* The Plan's investments are stated at fair value, which are valued at quoted market prices representing the net asset value of shares held by the Plan at year end. Participant loans are valued at their outstanding balances, which approximate fair value.

(d) *Payment of Benefits.* Benefits are recorded as expenses to the Plan when paid.

NOTE 3 - PARTICIPANT-DIRECTED INVESTMENTS

The following presents investments that represent 5% or more of the Plan's net assets:

	December 31	
	2010	2009
Oppenheimer Global Opps	$ -	$ 75,548
Oppenheimer Small Cap Value	$ -	$ 31,367
Davis New York Venture Fund	$ -	$ 29,896
Opp Comm Strat. Total Return	$ -	$ 14,830
Morgan Stanley Stable Value	$ 4,237	$ 12,037

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan has adopted the provision of Fair Value Measurements and Disclosures, whereby it measures the fair value of its cash and cash equivalents, investments, and liabilities under a three-level hierarchy, as follows:

Level 1: Quoted market prices for identical assets or liabilities to which an entity has access at the measurement date.

Level 2: Observable inputs and information other than quoted market indices included in Level 1.

Level 3: Unobservable inputs for the asset or liabilities.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2010 and 2009.

Registered investment companies: Valued at the net asset value (NAV) of shares held by the plan at year end.

Common/collective trusts: Valued at fair value by discounting the related cash flow based on current yields of similar instruments with comparable durations considering the credit-worthiness of the issuer.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2010 and 2009:

	Assets at Fair Value as of December 31, 2010			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ -	$ -	$ -	$ -
Common/collective trusts	-	4,237	-	4,237
	$ -	$ 4,237	$ -	$ 4,237

	Assets at Fair Value as of December 31, 2009			
	Level 1	Level 2	Level 3	Total
Registered investment companies	$ 238,378	$ -	$ -	$ 238,378
Common/collective trusts	-	12,037	-	12,037
	$ 238,378	$ 12,037	$ -	$ 250,415

NOTE 5 - INVESTMENT OPTIONS

Plan entered into a contract with Automatic Data Processing (ADP) Prototype 401(k) and Profit Sharing Plan effective February, 2006. The plan offers a variety of investment funds to which participants may direct their contributions. The accounts are credited with earnings on the underlying investments and charged for Plan withdrawal and administrative expenses. Participant accounts are included in the financial statements at fair value, as reported to the Plan by ADP. Prior to February 2006, the Plan provided investments through the American United Life Insurance Company.

NOTE 6 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan Sponsor by a letter dated November 6, 2001 that the Plan is designed in accordance with applicable sections of the Internal Revenue Code (IRC.) Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plan's financial statements.

U.S. generally accepted accounting principles require plan managemetn to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken. The Plan, which is subject to taxation in the United States, has incurred no interest or penalties related to its tax positions. The Plan's 2007 through 2009 tax years remain subject to examination by the Internal Revenue Service.

NOTE 7 - PLAN TERMINATION

The Company elected to terminate the Plan on January 1, 2011. Participants become fully vested at the termination date.

NOTE 8 - RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.
