ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of the Plan

The following description of the Arter & Hadden LLP Retirement and Savings Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all former employees of Arter & Hadden LLP (the Firm). Participants were eligible to make voluntary 401(k) contributions on the first day of the quarter following the participant's enrollment date. For all other purposes, a participant was eligible after completing six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

On July 15, 2003, the Firm voted to freeze participation in the Plan effective immediately and subsequently terminated the Plan effective December 31, 2003. Final distributions will be determined based on all participants being 100% vested, and will be made as soon as administratively possible. In accordance with generally accepted accounting principles, the Plan has changed its basis of accounting used to value plan assets from the ongoing plan basis to the liquidation basis as of and for periods after December 31, 2003.

Contributions

Under the provisions of the Plan prior to July 15, 2003, participants could elect to contribute up to fifteen percent of their gross earnings directly to the Plan subject to limitations in the IRC. The Firm matched certain employee contributions at an amount equal to fifty percent of the first four percent of the participant's gross earnings. The Firm also contributed an amount equal to a percentage of the participant's compensation based on the participant's age, service and employee classification. Separate contribution formulas were established for partners and employees. Additional discretionary contributions were also permitted to be made by the Firm.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Firm's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant directed investments

A participant may direct his contributions (through July 15, 2003) and account balance into any of a variety of money market or mutual funds or into a self-directed account, which can invest in any mutual fund or publicly traded stock or bond. Participants may change their investment options at any time.

ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of the Plan, continued

Vesting

Participants vest automatically in all contributions and earnings.

Notes receivable from participants

Under the provisions of the Plan prior to July 15, 2003, participants were able to borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms generally ranged from 1 to 5 years, although longer terms were permitted for loans used to acquire a principal residence. The loans were secured by the balance in the participant's account or the participant's principal residence and assumed interest at a rate commensurate with the prevailing interest rate charged by a bank or other professional lender in a similar circumstance. Principal and interest were paid ratably through payroll deductions through July 15, 2003 and thereafter until paid in full.

Payment of benefits

On termination of service, a participant with an account balance less than \$3,500 received a lump-sum amount equal to the vested value of his or her account. Upon termination of service with an account balance greater than or equal to \$3,500, death, disability, or retirement, a participant may receive a distribution in accordance with Plan provisions.

Plan expenses

The Plan pays substantially all Plan expenses which consist mainly of recordkeeping fees and administrative fees.

Benefits payable

At December 31, 2007, 2006, 2005, and 2003, there were no account balances allocable to participants who have elected to withdraw from the Plan prior to December 31, but who were not yet paid as of that date. Included in net assets available for benefits, as of December 31, 2004, are Plan assets totaling \$336,665 allocated to individuals who had elected to withdraw from the Plan but who were not yet paid as of that date.

NOTE B - Summary of significant accounting policies

Basis of accounting

The accompanying statement of change in net assets available for benefits for the year ended December 31, 2003 was prepared on the accrual basis of accounting. In accordance with generally accepted accounting principles, the Plan changed its basis of accounting used to value plan assets from the ongoing basis to the liquidation basis effective December 31, 2003 in conjunction with the Plan's termination date. The liquidation basis presents the Plan assets at current market values.

ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE B - Summary of significant accounting policies, continued

Recent accounting pronouncements

In September, 2010, the FASB issued guidance to amend generally accepted accounting principles (GAAP) related to the classification and measurement of loans to participants by defined contribution pension benefit plans. Previous guidance required loans to participants to be classified as plan investments, which are generally measured at fair value in accordance with GAAP. The new guidance requires that loans to participants be classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. The new guidance is effective for periods ending after December 15, 2010 to be applied retrospectively.

Valuation of investments

The Plan's investments are stated at fair value. Shares of registered investment companies and the unit investment trust are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year.

Purchases and sales of securities are reflected on a trade date basis. Gains or losses on sales of securities are based on average cost. Interest income is recorded on the accrual basis. Dividend income includes capital gains and is recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE D - Tax status

As discussed in Note A, the Plan was terminated effective December 31, 2003. All assets have not been distributed or transferred as of December 31, 2007. The Plan obtained its latest favorable determination letter regarding the Plan's termination on June 15, 2004, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

NOTE E - Transactions with parties-in-interest

Certain Plan investments are shares of registered investment companies and a money market fund that were managed by The Charles Schwab Trust Company, the trustee of the Plan. Therefore, transactions therewith qualify as party-in-interest transactions.

NOTE F - Information certified by trustee (unaudited)

For 2007, 2006, 2005, 2004 and 2003, the financial information included in the Plan financial statements, except for contributions and distributions for withdrawals and terminations, has been derived from information certified as complete and accurate by the trustee, The Charles Schwab Trust Company, in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE G - Excess contributions

Benefit distribution for the plan year ended December 31, 2004 included payments of \$94,454 and \$8,769 to certain active participants to return to them excess profit sharing contributions and excess deferral contributions, respectively, as required to satisfy the relevant nondiscrimination provisions of the Plan for the year ended December 31, 2003.

NOTE H - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTES TO FINANCIAL STATEMENTS

The Plan has entered the Department of Labor's (DOL's) Voluntary Fiduciary Correction Program (VFCP) to comply with the DOL filing requirements and is filing past due Form 5500's along with audited financial statements. ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of the Plan

The following description of the Arter & Hadden LLP Retirement and Savings Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all former employees of Arter & Hadden LLP (the Firm). Participants were eligible to make voluntary 401(k) contributions on the first day of the quarter following the participant's enrollment date. For all other purposes, a participant was eligible after completing six months of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

On July 15, 2003, the Firm voted to freeze participation in the Plan effective immediately and subsequently terminated the Plan effective December 31, 2003. Final distributions will be determined based on all participants being 100% vested, and will be made as soon as administratively possible. In accordance with generally accepted accounting principles, the Plan has changed its basis of accounting used to value plan assets from the ongoing plan basis to the liquidation basis as of and for periods after December 31, 2003.

Contributions

Under the provisions of the Plan prior to July 15, 2003, participants could elect to contribute up to fifteen percent of their gross earnings directly to the Plan subject to limitations in the IRC. The Firm matched certain employee contributions at an amount equal to fifty percent of the first four percent of the participant's gross earnings. The Firm also contributed an amount equal to a percentage of the participant's compensation based on the participant's age, service and employee classification. Separate contribution formulas were established for partners and employees. Additional discretionary contributions were also permitted to be made by the Firm.

Participant accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Firm's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant compensation or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participant directed investments

A participant may direct his contributions (through July 15, 2003) and account balance into any of a variety of money market or mutual funds or into a self-directed account, which can invest in any mutual fund or publicly traded stock or bond. Participants may change their investment options at any time.

ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE A - Description of the Plan, continued

Vesting

Participants vest automatically in all contributions and earnings.

Notes receivable from participants

Under the provisions of the Plan prior to July 15, 2003, participants were able to borrow from their fund accounts a minimum of \$500 up to a maximum equal to the lesser of \$50,000 or 50 percent of their vested account balance. Loan terms generally ranged from 1 to 5 years, although longer terms were permitted for loans used to acquire a principal residence. The loans were secured by the balance in the participant's account or the participant's principal residence and assumed interest at a rate commensurate with the prevailing interest rate charged by a bank or other professional lender in a similar circumstance. Principal and interest were paid ratably through payroll deductions through July 15, 2003 and thereafter until paid in full.

Payment of benefits

On termination of service, a participant with an account balance less than \$3,500 received a lump-sum amount equal to the vested value of his or her account. Upon termination of service with an account balance greater than or equal to \$3,500, death, disability, or retirement, a participant may receive a distribution in accordance with Plan provisions.

Plan expenses

The Plan pays substantially all Plan expenses which consist mainly of recordkeeping fees and administrative fees.

Benefits payable

At December 31, 2007, 2006, 2005, and 2003, there were no account balances allocable to participants who have elected to withdraw from the Plan prior to December 31, but who were not yet paid as of that date. Included in net assets available for benefits, as of December 31, 2004, are Plan assets totaling \$336,665 allocated to individuals who had elected to withdraw from the Plan but who were not yet paid as of that date.

NOTE B - Summary of significant accounting policies

Basis of accounting

The accompanying statement of change in net assets available for benefits for the year ended December 31, 2003 was prepared on the accrual basis of accounting. In accordance with generally accepted accounting principles, the Plan changed its basis of accounting used to value plan assets from the ongoing basis to the liquidation basis effective December 31, 2003 in conjunction with the Plan's termination date. The liquidation basis presents the Plan assets at current market values.

ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE B - Summary of significant accounting policies, continued

Recent accounting pronouncements

In September, 2010, the FASB issued guidance to amend generally accepted accounting principles (GAAP) related to the classification and measurement of loans to participants by defined contribution pension benefit plans. Previous guidance required loans to participants to be classified as plan investments, which are generally measured at fair value in accordance with GAAP. The new guidance requires that loans to participants be classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. The new guidance is effective for periods ending after December 15, 2010 to be applied retrospectively.

Valuation of investments

The Plan's investments are stated at fair value. Shares of registered investment companies and the unit investment trust are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year-end. Securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the Plan year.

Purchases and sales of securities are reflected on a trade date basis. Gains or losses on sales of securities are based on average cost. Interest income is recorded on the accrual basis. Dividend income includes capital gains and is recorded on the ex-dividend date.

Notes receivable from participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Payment of benefits

Benefits are recorded when paid.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE D - Tax status

As discussed in Note A, the Plan was terminated effective December 31, 2003. All assets have not been distributed or transferred as of December 31, 2007. The Plan obtained its latest favorable determination letter regarding the Plan's termination on June 15, 2004, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code.

NOTE E - Transactions with parties-in-interest

Certain Plan investments are shares of registered investment companies and a money market fund that were managed by The Charles Schwab Trust Company, the trustee of the Plan. Therefore, transactions therewith qualify as party-in-interest transactions.

NOTE F - Information certified by trustee (unaudited)

For 2007, 2006, 2005, 2004 and 2003, the financial information included in the Plan financial statements, except for contributions and distributions for withdrawals and terminations, has been derived from information certified as complete and accurate by the trustee, The Charles Schwab Trust Company, in accordance with Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTE G - Excess contributions

Benefit distribution for the plan year ended December 31, 2004 included payments of \$94,454 and \$8,769 to certain active participants to return to them excess profit sharing contributions and excess deferral contributions, respectively, as required to satisfy the relevant nondiscrimination provisions of the Plan for the year ended December 31, 2003.

NOTE H - Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

ARTER & HADDEN LLP RETIREMENT AND SAVINGS PLAN AND TRUST

NOTES TO FINANCIAL STATEMENTS

NOTE I - Voluntary fiduciary correction program

The Plan has entered the Department of Labor's (DOL's) Voluntary Fiduciary Correction Program (VFCP) to comply with the DOL filing requirements and is filing past due Form 5500's along with audited financial statements. The Plan entered the VFCP in March, 2011, and as of September 20, 2011, the Plan has not received a response.
