The Sunwest Electric, Inc.
401(K) Profit Sharing Plan
Anaheim, CA

I was engaged to audit the accompanying financial statements of The Sunwest Electric, Inc. 401(k) Profit Sharing Plan as of December 31, 2010 and 2009 and for the years then ended, as listed in the accompanying table of contents. These financial statements are the responsibility of the Plan's management.

As permitted by 29CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 1, which was certified by the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of December 31, 2010 and 2009 and for the years then ended that the information provided to the Plan administrator by the trustee is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and regulations for Reporting and Disclosure under the Employee Retirement Income security Act of 1974.

THE SUNWEST ELECTRIC, INC. 401(K)
PROFIT SHARING PLAN
NOTES TO THE FINANCIAL STATEMENTS

NOTE 1 - Description of the Plan

The following description of The Sunwest Electric, Inc. 401(k) Profit Sharing Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

a. General

The Plan is a defined contribution plan covering all full-time employees of Sunwest Electric, Inc. (the Company) who are age eighteen or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

b. Contributions

Participants direct the investment of their contributions into various investment options offered by the Plan. Profit sharing and matching amounts may be contributed at the option of the Company's Board of Directors and are invested in a portfolio of investments.

c. Participant Accounts

Each participant's account is credited with the participant's contributions and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on the participant's account balances. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Sep 28 2011 7:38AM RICH BARTOL CONSULTING 9093642470 p.7

NOTE 1 - Description of the Plan (continued)

d. Vesting
Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 33% vested after 1 year of credited service, 67% after 2 years of credited service and 100% vested after 3 years of credited service.

e. Forfeited Accounts
These amounts can used to reduce Company profit sharing and matching contributions.

f. Use of Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. The Plan administrator believes that the estimates utilized in preparing its financial statements are reasonable and prudent. Accordingly, actual results could differ from these estimates.

g. Date of Management's Review
Subsequent events were reviewed through September 14, 2010, which is the date the financial statements were available to be issued.

h. Basis of accounting
The financial statements of the Plan are prepared on the accrual basis of accounting.

Sep 28 2011 7:39AM RICH BARTOL CONSULTING 9093642470 p.8

NOTE 1 - Description of the Plan (continued)

i. Investment Valuation and Income Recognition
The Plan's investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

j. Payment of Benefits
Benefits are recorded when paid.

k. Operating Expenses
All expenses of maintaining the Plan are paid by the Company.

l. Information Prepared and Certified by the Trustee
The information included in the accompanying schedules of assets held for investment purposes as of December 31, 2009 and 2008 was obtained from data that has been prepared and certified to as complete and accurate by the trustee. The trustee is John Hancock Life Insurance Company (U.S.A.).

m. Participant Loans
Participants may borrow from their accounts the lesser of $50,000 or 50% of their vested balance. The loans are secured by the remaining balance in the participant's account and bear interest at a rate which is commensurate with local prevailing rates as determined by the Trustee. Principal and interest is paid ratably through payroll deductions.

Sep 28 2011 7:39AM RICH BARTOL CONSULTING 9093642470 p.9

NOTE 2 - Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair market value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses the appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level3 inputs were only used when Level 1 or Level 2 inputs were not available.

a. Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year end. The fair values of common stocks, corporate bonds, and U.S. Government securities are based on the closing price reported on the active market where the individual securities are traded.

NOTE 2 - Fair Value Measurements (continued)

b. Level 3 Fair Value Measurements

The participant loans are not actively traded and significant other observable inputs are not available. Thus, the fair value of participant loans approximates the amortized cost of the loans because the loans are secured by each participant's account balance.

NOTE 3 - Plan Termination

Although the Company has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE 4 - Income Tax Status

The Internal Revenue Service has determined and informed the Company that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

NOTE 5 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in values of investment securities will occur in the near term and that such change could materially affect the participant's account balance and the amounts reported in the statement of net assets available for benefits.
