Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As permitted by 29 CFR 2520.103-08 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by Marshall & Ilsley Trust Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2010 and 2009, that the information provided to the plan administrator by the custodian is complete and accurate.

In our opinion, except for the effects of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information summarized in Note 8, the financial statements referred to above present fairly, in all material respects, the financial status of CoVantage Credit Union Capital Accumulation Plan as of December 31, 2010 and 2009, and the changes in its financial status for the year ended December 31, 2010, in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules listed in the accompanying table of contents are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedule listings are the responsibility of the Plan's management. The supplemental schedule listings have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, except for the effects on the schedule of assets held for investment purposes as of December 31, 2010, of such adjustments, if any, as might have been determined to be necessary had we performed procedures with respect to the information summarized in Note 8 as described in the second preceding paragraph, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

Note 1. Description of the Plan:

The following brief description of the CoVantage Credit Union Capital Accumulation Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering substantially all full-time employees of CoVantage Credit Union. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Employees are eligible to participate in salary deferrals on the first payroll following one year of service. Participants may change their elections each payroll period.

Contributions

Participants may contribute a portion of their annual wages, not to exceed the maximum allowed by current Internal Revenue Service regulations. The Company contribution is 160% of the first 5% of the employee's contribution (up to 8%), on an annual basis. The Company remits participant's contributions to the custodian on a weekly basis with any required adjustments made annually. Contributions are made on a pretax basis or on a "Roth" deferral basis.

Transfers from other Qualified Plans (Rollovers)

At the discretion of the Plan Administrator, participants may be permitted to deposit distributions received from other qualified plans into the Plan. Such a deposit is referred to as a "rollover." Participants are always 100% vested in their "rollover" account.

Participant Accounts

Each participant's account is credited with the participant's contribution and the Company's matching contributions along with an allocation of the Company's nonelective contribution and Plan earnings, and charged with an allocation of administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their voluntary contributions plus earnings thereon. Vesting in the remainder of a participant's account is based on years of continuous service. The following table represents the Plan's vesting percentages:

<u>Vesting Schedule</u>	
<u>Years of Service</u>	<u>Percentage</u>
0 - 1	0%
2	25%
3	50%
4	75%
5	100%

Participants automatically become 100% vested upon death or termination due to disability.

CAPITAL ACCUMULATION PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note 1. Description of the Plan - Continued:

Benefits

Upon a participant's retirement, death, total disability or termination, the account balance shall be distributed to the participant or beneficiary in the form of a lump sum distribution, unless an alternate payment option is chosen. Installment and annuity payment options may be available per distribution payment terms defined in the Plan.

Forfeitures

At December 31, 2010 and 2009, forfeited nonvested accounts totaled \$-0- and \$2,914, respectively. These accounts were available to reduce employer contributions. In 2010, forfeited nonvested accounts totaled \$4,061. This amount is used to reduce employer-matching contributions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 2. Summary of Significant Accounting Policies:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Valuation of Investments

The Plan holds investments in various mutual funds administered by Vanguard, common trust investments administered by CUNA Mutual, and investment contracts with insurance companies administered by CUNA Mutual. The mutual funds are reported at fair value based on the quoted market price of the fund which represents the net asset values of the shares held at year end. Money market funds are stated at cost, which equals fair value. Investments in U.S. government obligations are reported at fair value based on quoted market prices. Investment in common trust funds are valued at the purchase or redemption price of the shares of participation as determined by the trust sponsor. The fair value of the investments in the insurance company's pooled separate accounts are determined by the insurance company. Investment earnings are allocated to participating plans on a daily basis.

All plan assets at December 31, 2009, were transferred from an investment in CUNA Mutual Capital Accumulation 103-12 IE plan into various mutual funds, common/collective trust funds and insurance company contracts as of January 1, 2010.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan's administrator to use estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

**COVANTAGE CREDIT UNION
CAPITAL ACCUMULATION PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note 2. Summary of Significant Accounting Policies - Continued:

Payment of Benefits

Benefit payments to participants are recorded upon distribution.

Participant Loans

Loans are granted to participants at rates commensurate with local prevailing rates. Loans outstanding bear interest at 4.25% - 6.00%. Principal and interest are paid through payroll deductions. All are secured by the balance in the participant's account.

Reclassifications

Certain amounts in the 2009 financial statements have been reclassified for comparative purposes to conform to the presentation in the 2010 financial statements.

Note 3. Fair Value Measurements:

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels.

Level 1 - Consists of unadjusted quoted prices in active markets for identical assets.

Level 2 - Consists of inputs observable in the marketplace other than quoted prices in active markets for identical assets.

Level 3 - Consists of significant inputs unobservable in the marketplace.

The Plan holds investments in various mutual funds administered by Vanguard, common/collective trust investments administered by CUNA Mutual, and investment contracts with insurance companies administered by CUNA Mutual.

At December 31, 2009, the Plan held an investment in CUNA Mutual Capital Accumulation 103-12 IE (the Investment Entity). The Investment Entity holds the assets of single employer plans which participate in the CUNA Mutual Capital Accumulation Plan (CAP) pension program. The Investment Entity values investments in registered investment companies at fair value based on the quoted market price of the fund which represents the net asset value of the shares held by the Investment Entity.

The mutual funds are reported at fair value based on the quoted market price of each fund which represents the net asset values of the shares held at year end (Level 1 inputs).

Investments in common/collective trust funds are valued at the purchase or redemption price of the shares of participation as determined by the trust sponsor, supported by the unit prices of actual purchase and sale transactions occurring near the financial statement date (Level 2 inputs).

Investment contracts: The fair values of investment contracts have been estimated based on a discounted cash flows methodology, utilizing current rates of return available for similar contracts, with comparable credit risks and liquidity, as of the respective financial statement dates (Level 3 inputs). These are presented at contract value.

**COVANTAGE CREDIT UNION
CAPITAL ACCUMULATION PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note 3. Fair Value Measurements - Continued:

Participant loans are valued at amortized cost, which management believes approximates fair value (Level 3 inputs).

The methods described above may produce a fair value calculation that may or may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting dates.

Investment and derivative instruments measured at fair values on a recurring basis are summarized below:

	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>

Note 5. Transactions with Related Parties:

Certain administrative expenses relating to the Plan are paid by the Company.

CUNA Mutual administers the common/collective trust investments and investment contracts with insurance companies. CUNA Mutual Insurance Society (CUNA Mutual) is a related party because they also provide third-party administrative services to the Plan.

Marshall & Ilsley Trust Company, N.A. is the investment advisor for common/collective trust investments. These trusts also invest in other entities are advised and managed by an entity related to M & I Trust. M & I Trust is also the custodian and is considered a party-in-interest.

Loans receivable from plan participants and the related interest income are considered to be party-in-interest transactions.

Note 6. Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated July 16, 2010, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Note 7. Risks and Uncertainties:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

**COVANTAGE CREDIT UNION
CAPITAL ACCUMULATION PLAN**

NOTES TO FINANCIAL STATEMENTS - CONTINUED

Note 8. Plan Financial Information Certified by Custodian:

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by the custodian, except for comparing such information, as summarized below, to the information included in the financial statements and supplemental schedules. The information certified by Marshall & Ilsley Trust Company, the custodian, as complete and accurate, is as follows:

1. Investments as reported in the statements of net assets available for benefits.
2. Investment income as reported in the statement of changes in net assets available for benefits.
3. Assets held at end of year.

Note 9. Prohibited Transactions - Participant Contributions:

During the Plan year ended December 31, 2009, CoVantage Credit Union, the Plan Sponsor, failed to remit to the Plan's trustee certain employee contributions totaling \$34,873 within the period prescribed by Department of Labor regulations. Delays in remitting contributions to the trustee were due to administrative errors, and the sponsor made contributions in 2010 of \$89 to the affected participants' accounts for potential lost income due to delays.

Note 10. Subsequent Events:

Plan management has evaluated events and transactions for potential recognition or disclosure in the financial statements through September 22, 2011, the date on which the financial statements were available to be issued.

In 2011, MG Trust Company is replacing M & I Trust Company as administrator of the Plan. This is pertinent to M & I Trust Company's status as party-in-interest.
