INDEPENDENT AUDITORS' REPORT

Administrative Committee
Satellites Unlimited 401(k) Plan

We were engaged to audit the statements of net assets available for benefits (modified cash basis) of the Satellites Unlimited 401(k) Plan (the "Plan"), as of December 31, 2010 and 2009, and the statements of changes in net assets available for benefits for the years then ended on December 31, 2010 and 2009, and the supplemental schedule as listed in the table of contents, as of and for the year ended December 31, 2010. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by Section 2520 103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 3, which was certified by Hartford Life Insurance Company (the "Trustee"), except for comparing such information with the related information included in the financial statements and supplemental schedule (modified cash basis). We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2010 and 2009, that the information provided to the Plan administrator by the trustee is complete and accurate.

As described in Note 2, the financial statements and supplemental schedule referred to above were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule (modified cash basis) taken as a whole. The form and content of the information included in the financial statements and schedule (modified cash basis), other than that derived from the investment information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

As permitted by Section 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 3, which was certified by Hartford Life Insurance Company (the "Trustee"), except for comparing such information with the related information included in the financial statements and supplemental schedule (modified cash basis). We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2010 and 2009, that the information provided to the Plan administrator by the trustee is complete and accurate.

As described in Note 2, the financial statements and supplemental schedule referred to above were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule (modified cash basis) taken as a whole. The form and content of the information included in the financial statements and schedule (modified cash basis), other than that derived from the investment information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.
