LEGACY PROFESSIONALS LLP 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
YEAR ENDED DECEMBER 31, 2010

NOTE 1. DESCRIPTION OF PLAN

The following description of the Legacy Professionals LLP ("Partnership") 401(k) Plan ("Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering eligible employees of the Partnership who are age 20 1/2 or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute a percentage of pretax annual compensation, as defined in the Plan document. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants have the option of contributing a percentage of their taxable compensation as a Roth contribution. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Partnership may make discretionary matching contributions on behalf of employees who have completed more than 1,000 hours of service and who are employed on the last day of the Plan year. For the year ended December 31, 2010, the Partnership made matching contributions of $277,501.

The Plan currently offers various registered investment companies as investment options for participants. The investment of participant and matching contributions into these investment options is determined by each participant. Contributions are subject to certain limitations.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Partnership's matching contribution and (b) Plan earnings, and charged with an allocation of applicable administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Partnership's matching contribution portion of their account is based on years of continuous service. A participant is 100% vested after five years of credited service.

As is more completely described in the Plan document, a participant also becomes 100% vested in the Partnership's matching contribution portion of their account through attaining their normal retirement date, permanent disability or death.

Notes Receivable from Participants

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loans generally must be repaid within five years. The loans are secured by the balance in the participant's account and bear interest at fixed rates based on the prime rate plus 1%, determined quarterly. Principal and interest is paid ratably through automatic payroll deduction. A participant can prepay all of the unpaid principal balance without penalty.

Payment of Benefits

On termination of service, a participant may elect to receive an amount equal to the value of the participant's vested interest in his or her account in either a lump-sum payment or in the form of a direct rollover of all or a portion of the distribution to another employer plan or individual retirement account.

The Plan provides for hardship withdrawals from participant's accounts in which the participant is 100% vested. The IRS safe harbor definition of hardship will apply.

The Plan also provides for in-service withdrawals from participant's accounts in which the participant is 100% vested. The participant must have attained the age of 59 1/2.

Forfeited Accounts

Forfeited nonvested account balances may be used first to reduce administrative expenses of the Plan and then to reduce Partnership matching contributions, subject to Internal Revenue Service limitations. At December 31, 2010, forfeited nonvested accounts totaled $7,349.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the Plan document.

Investment Valuation and Income Recognition

Investments are reported at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Administrative Expenses

The Partnership shall pay all administrative expenses of the Plan except to the extent such expenses are paid by the Plan.

Date of Management's Review

Subsequent events were evaluated through September 20, 2011, which is the date the financial statements were available to be issued.

NOTE 6. RELATED PARTY TRANSACTIONS

The Plan invests in shares of registered investment companies managed by an affiliate of Fidelity Management Trust Company ("FMTC"). From January 1, 2010 through January 27, 2010, the Plan invested in shares of registered investment companies managed by an affiliate of Vanguard Fiduciary Trust Company ("VFTC"). As FMTC and VFTC also provided investment advisory and recordkeeping services to the Plan, these investments qualify as party-in-interest investments which are exempt from prohibited transaction rules.

Transactions in the Plan's notes receivable from participants qualify as party-in-interest transactions which are also exempt from prohibited transaction rules.

NOTE 7. PLAN TERMINATION

Although it has not expressed any intent to do so, the Partnership has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100 percent vested in their Partnership matching contribution accounts.

NOTE 8. TAX STATUS

The Plan as adopted is a Volume Submitter Profit Sharing Plan and is sponsored by Fidelity Management & Research Company. The sponsoring organization has received a determination letter, dated March 31, 2008, covering the Volume Submitter Plan. A separate determination providing that the Legacy Professionals LLP 401(k) Plan, as adopted, is designed in accordance with applicable sections of the Internal Revenue Code (IRC) has not been sought from the Internal Revenue Service.

Although the Plan has been amended since receiving the determination letter, the plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan's Annual Return/Report of Employee Benefit Plan (Form 5500) is subject to examination by the Internal Revenue Service and Department of Labor, generally for three years after the date it was filed.

NOTE 9. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 10. RECLASSIFICATIONS

Certain amounts as previously reported for 2009 have been reclassified to conform to the 2010 presentation.
