NOTE A - DESCRIPTION OF PLAN

The following description of the Royal Baths Manufacturing Company 401(K) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Royal Baths Manufacturing Company (Company) who are age twenty-one or older and have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, up to the maximum annual allowable contribution limit under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans as qualified rollovers. The Company annually matches participant contributions on a discretionary basis. Participants direct the investment of their contributions into various investment options offered by the Plan. The plan currently offers various mutual funds as investment options.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and (b) Plan earnings. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of various options funds managed by registered investment companies.

Participant Loans

Participants may borrow from their fund accounts. A participant may borrow up to the maximum amount of $50,000 or 50% of their vested account balance whichever is less. The loans are secured by the balance in the participant's account and bear interest at the rate of prime plus 1%. Principal and interest is paid ratably through monthly payroll deductions over a period not to exceed 5 years.

Forfeited Accounts

Expenses of the Plan are partially paid by participant forfeitures. Forfeitures allocated to pay Plan expenses for the years ended December 31, 2009 totaled $4,065.

NOTE A - DESCRIPTION OF PLAN (CONTINUED)

Payment of Benefits

On termination of service due to death, disability or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution. A member may withdraw any part of his vested account in the event of undue financial hardship as defined by the plan and as approved by the Administrator.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNT POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Shares of registered investment companies are valued at quoted market prices which represent the net asset value of shares held by the Plan at year-end. Purchases and sales of securities are recorded on a sale-date average cost basis.

Purchases and sales of securers are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefits are recorded when paid.

NOTE C - INVESTMENTS

The following are investments in pooled separate accounts of registered investment companies (mutual funds) At December 31, 2010 and 2009:

NOTE D - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

NOTE E - TAX STATUS

The plan has obtained a determination letter from the Internal Revenue Service dated March 5, 2002 that the plan,and trust as designed, were in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, they believe that the plan was qualified and the related trust was tax-exempt as of the financial statement date. Therefore, no provision for income taxes has been included in the Plans financial statements.

NOTE F - MERGER

During 2010 the Broad of Directors of Royal Baths Manufacturing Company, the sponsoring employer, approved the merger of the Plan into the GHBA Multiple Employer 401(K) Savings Plan (GHBA Plan) effective September 1, 2010. As a result, all investments were transferred to the GHBA Plan during 2010.

The following description of the Royal Baths Manufacturing Company 401(K) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of Royal Baths Manufacturing Company (Company) who are age twenty-one or older and have completed one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, up to the maximum annual allowable contribution limit under the Internal Revenue Code. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans as qualified rollovers. The Company annually matches participant contributions on a discretionary basis. Participants direct the investment of their contributions into various investment options offered by the Plan. The plan currently offers various mutual funds as investment options.

Participant Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, if any, and (b) Plan earnings. Allocations are based on participant's earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's matching and discretionary contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

Investment Options

Upon enrollment in the Plan, a participant may direct employee contributions in any of various options funds managed by registered investment companies.

Participant Loans

Participants may borrow from their fund accounts. A participant may borrow up to the maximum amount of $50,000 or 50% of their vested account balance whichever is less. The loans are secured by the balance in the participant's account and bear interest at the rate of prime plus 1%. Principal and interest is paid ratably through monthly payroll deductions over a period not to exceed 5 years.

Forfeited Accounts

Expenses of the Plan are partially paid by participant forfeitures. Forfeitures allocated to pay Plan expenses for the years ended December 31, 2009 totaled $4,065.
