INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of the
Member One Federal Credit Union
401 (k) Plan and Trust
Roanoke, Virginia

We were engaged to audit the statement of net assets available for benefits of the Member One Federal Credit Union 401 (k) Plan and Trust as of December 31, 2010 and 2009, and the related statements of changes in net assets available for benefits for the years then ended, and the schedule of assets as of December 31, 2010. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to investments and related income and expenses, which was certified by CUNA Mutual Group, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2010 and 2009, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with U. S. generally accepted auditing standards and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

1. Plan Description:

The following description of the Member One Federal Credit Union 401 (k) Plan and Trust (the Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General Information

Member One Federal Credit Union (the Sponsor) established the Plan to provide retirement income to its employees. The plan is a defined contribution plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Participation

A non-seasonal employee shall become a participant in the Plan on the earlier of the first day of the seventh month or the first day of the plan year in which he/she attains age eighteen and completes ninety days of service.

Contributions

The Sponsor contributes 75% of the first 6% of base compensation that a participant contributes to the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct their contributions into various annuity contracts.

Participant's Accounts

Each participant's account is credited with the participant's contribution and allocations of (a) the Sponsor's contribution and (b) Plan earnings. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions, the sponsor's contributions and actual earnings on contributions. However, an active or terminated participant must complete 1,000 hours of service during the plan year to retain the sponsor's contribution for that year.

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or one-half of their vested interest, whichever is less.

Payment of Benefits

On termination of service due to death, disability, retirement or other reasons, a participant may receive a lump-sum distribution equal to the value of the participant's vested interest in his or her account.

Forfeited Accounts

At December 31, 2010 and 2009, forfeited non-vested accounts totaled $6,125.80 and $-0-, respectively. These accounts will be used to reduce future employer contributions. Also, in 2009, employer contributions were reduced by $0 from forfeited nonvested accounts.

2. Summary of Significant Accounting Policies:

Date of Management's Review

Subsequent events were evaluated though June 30, 2011, which is the date the financial statements were available to be issued.

Estimates and Assumptions

The preparation of financial statements in conformity with U. S. generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Contributions

Contributions to the Plan are included in income in the year for which they are accrued by the Sponsor.

Valuation of Investments

The Plan's investments in annuity contracts with CUNA Mutual Insurance Society are recorded at contract value, which approximates fair value. Participant notes receivable are valued at cost, which approximates fair value.

Operating Expenses

All material expenses of maintaining the Plan are paid by the company.

Income Tax Status

The Plan obtained a favorable tax determination letter from the Internal Revenue Services, issued in August, 2004. The Plan has been amended since receiving this determination letter. The Board of Trustees believes that the Plan, as amended, continues to qualify and to operate as designed.

3. Investments:

The following presents investments that represent 5% or more of the Plan's net assets.

Mid Vap	389,121	-

During 2010, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $345,794.

4. Related Party Transactions:

Certain Plan investments are shares of mutual funds managed by CUNA Mutual Group. CUNA Mutual Group is the trustee as defined by the Plan and therefore these transactions qualify as party-in-interest transactions.

5. Plan Amendment:

Effective July 1, 2009, the Plan was amended to increase the employer matching contribution equal to a discretionary percentage, to be determined by the Employer, from 50% to 75%, of the first 6% of base compensation that a participant contributes to the plan.

6. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the plan subject to the provision of ERISA.
