These financial statements and supplemental schedules are the responsibility of the Plan's management. The financial statements of the Plan as of December 31, 2009, were audited by other auditors. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the other auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the Trustee. Their report, dated July 28, 2010, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial taken as a whole and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 5, which was certified by the Delaware Charter Guarantee & Trust Company d/b/a Principal Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the 2010 financial statements and supplemental schedule H, line 4i - Schedule of Assets (Held at End of Year). We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the year ended December 31, 2010, that the information provided to the Plan administrator by the trustee is complete and accurate.

Because of the significance of the information in the Plan's 2010 financial statements and supplemental schedules that we did not audit, we are unable to, and do not, express an opinion on the accompanying 2010 financial statements and schedules taken as a whole. The form and content of the information included in the 2010 financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.
