SSI Services, Inc. Custodial Retirement Plan
Pittsburgh, Pennsylvania

We were engaged to audit the accompanying statements of net assets available for benefits of SSI Services, Inc. Custodial Retirement Plan as of December 31, 2010 and 2009, and the related statements of changes in net assets available for benefits for the years then ended, and the supplemental schedules of (I) assets held for investment and (II) transactions or series of transactions in excess of five percent of the current value of Plan assets, as of or for the year ended December 31, 2010. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note E, which was certified by the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustee as of and for the years ended December 31, 2010 and 2009, that the information provided to the Plan Administrator by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules taken as a whole. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

YEARS ENDED DECEMBER 31, 2010 AND 2009

A. Description of Plan:

The following description of the SSI Services, Inc. Custodial Retirement Plan ("Plan") provides only general information. Participants should refer to the Plan Agreement for a more complete description of the Plan's provisions.

The SSI Services, Inc. Custodial Retirement Plan was established effective January 1, 2002, as a single employer defined contribution plan. Participation in the Plan is open to all full time employees of SSI Services, Inc. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Each year, the Company will make a contribution to the Plan on the behalf of the eligible Plan participants. The amount of the Company's contribution is \$.75 per hour after you receive your TS/SCI security clearance. After four years of service, the Company will contribute \$1.25 per hour worked; after six years of service you will receive \$1.75 per hour worked and after ten years of service you will receive \$2.75 per hour worked.

The Plan allows employees who had retirement accounts with a previous employer to directly transfer or rollover the previous account balance to the Plan even if you are not a participant in the Plan. Any rollover amounts are immediately fully vested. Vesting in the Company's contribution portion is based on years of continuous service. The vesting schedule is as follows:

<u>Years of Service</u>	<u>Amount Vested</u>
2	20%
3	40%
4	60%
5	80%
6	100%

Participants will become 100% vested at their normal retirement age of 65 years old.

All contributions into the Plan by the Company will be directed by the participant over the fund choices. The participants have five funds to choose from; *Money Market Fund, American Balanced Fund, The Investment Company of America, The Bond Fund of America, and American Funds Target Date Retirement Funds.*

Employees are eligible to receive a distribution of their vested account balance as soon as administratively feasible after the anniversary date in which they incur a one year break in service following their resignation or discharge.

Effective October 30, 2009, SSI Services, Inc. was acquired by AECOM. AECOM has adopted the Plan in its entirety. AECOM will maintain the Plan in accordance with the Plan Documents as originally adopted by SSI Services, Inc. No operational changes or amendments have been made to the Plan.

B. Significant Accounting Policies:

1. *Basis of Presentation* - The financial statements of the Plan are prepared using the accrual basis of accounting.
2. *Valuation of Investments* - The Plan's investments are stated at fair value as determined by American Funds at December 31, 2010 and 2009.
3. *Posting Earnings to Participant Accounts* - American Funds posts earnings to participants' accounts on a monthly or quarterly basis depending on the funds held.
4. *Payment of Benefits* - Benefits are recorded when paid.
5. *Use of Estimates* - The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.
6. *Fair Value Measurements* - The Plan has adopted the provisions of FASB ASC 820-10, which defines fair value, establishes a framework for measuring fair value, and expands disclosures about fair value measurements. FASB ASC 820-10 describes a fair value hierarchy based on three levels of inputs of which the first two are considered observable and the last is considered unobservable. The Trust's investments are considered Level 1, which is defined as having quoted prices in active markets for identical assets. These investments include:

	<u>2010</u>	<u>2009</u>

C. Income Tax Status:

The Internal Revenue Service has determined that the Plan qualifies under Sections 401(a) and 401(k) of the Internal Revenue Code (IRC) and is exempt from income tax under Section 501(a) of the Code. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service and the Plan Administrator believes that the Plan, as amended, continues to qualify and to operate as designed.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

D. Plan Termination:

Although it has not expressed any intent to do so, the Company has the right to terminate the Plan, subject to the provisions of ERISA.

E. Information Prepared and Certified by Trustee (Unaudited):

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been provided by and certified to as complete and accurate by the trustee.

	<u>2010</u>	<u>2009</u>

F. Risk and Uncertainties:

The Plan invests in a variety of investment funds. Investments in general are exposed to various risks, such as interest rate, credit, and overall volatility risk. Due to the level of risk associated with certain investments, it is reasonably possible that changes in the values of investments will occur in the near term and that such changes could materially affect the amounts reported in the statements of net assets available for benefits.

G. Administrative Expenses:

Substantially all administrative expenses are paid by the Company.

H. Management Evaluation of Subsequent Events:

Management's representations and estimates include evaluations of subsequent events through August 8, 2011, the date which the financial statements were available to be issued.

I. Forfeitures:

Forfeitures of non-vested Company contributions are allocated to participant account balances upon forfeiture by prior plan members.
