We were engaged to audit the financial statements and supplemental schedules of Southeastern Construction and Maintenance, Inc. 401(k) Plan as of December 31, 2010, and for the year ended December 31, 2010. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the cash, investments, investment transactions and related income, which were certified by The Hartford insurance company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that the custodian holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the custodian as of and for the year ended December 31, 2010, that the information provided to the Plan Administrator by the custodian is complete and accurate to the best of their knowledge.

Because of the significance of the information in the Plan's 2010 financial statements that we did not audit, we are unable to, and do not express an opinion on the accompanying financial statements and supplemental schedules as of or for the year ended December 31, 2010. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the custodian have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(1) ***Revenue Sharing*** means any compensation paid, directly or indirectly, by a fund company to The Hartford under the terms of an agreement.

(2) ***Investment Options*** are the investment choices in the plan as reflected on The Hartford's recordkeeping system as of the effective date of this report.

(3) ***Average Balance*** is the average total balance for your plan for the reporting period. The reporting period is the time period that covers the four calendar quarters immediately prior to the effective date of this report. The average is calculated by adding together the plan's average account balance for each quarter in the reporting period and dividing it by the number four. Each quarterly average account balance is calculated by adding together the plan's quarter-end account balance with the plan's prior quarter-end account balance and dividing it by the number two.

(4) ***Estimated Revenue Sharing Received*** is calculated by multiplying the ***Average Balance*** by the ***Revenue Sharing Rate Paid to The Hartford.***

(5) ***Underlying Fund Net Expense Ratio*** is the amount deducted by the Fund Company from the assets of the underlying fund to pay for investment management fees, distribution and service fees (12b-1 fees), and other fund-related expenses. We say "net expense ratio" because the amount shown represents the underlying fund's expense ratio after any fee waivers or expense reimbursements, as disclosed in the fund's prospectus or annual report and as supplied by a third-party vendor or the fund company.

(6) ***Separate Account Charge*** is deducted from the assets of the separate account under the plan's Contract as compensation for The Hartford's services.

(7) ***Estimated Separate Account Fee Dollar Amount*** is calculated by multiplying the ***Average Balance*** by the ***Separate Account Charge.***
