INDEPENDENT AUDITORS' REPORT

To the Board of Directors
BWI Companies, Inc., Employee Health &
Welfare Benefit Plan

We have audited the financial statements of **BWI Companies, Inc., Employee Health & Welfare Benefit Plan** as of December 31, 2010 and 2009, and for the year ended December 31, 2010, as listed in the accompanying index. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, these financial statements were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than auditing standards generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of BWI Companies, Inc., Employee Health & Welfare Benefit Plan as of December 31, 2010 and 2009, and the changes in net assets available for benefits for the year ended December 31, 2010, on the basis of accounting described in Note 2.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the BWI Companies, Inc., Employee Health & Welfare Benefit Plan (the Plan) provides only general information. Participants should refer to the Plan agreement for a complete description of the Plan's provisions.

General—The Plan provides health and death benefits to substantially all active employees of BWI Companies, Inc., (the Sponsor) except those who work less than thirty hours per week. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

Benefits—The Plan provides health benefits (medical, hospital, surgical, major medical, dental, drug and death benefits) to employees of the Sponsor and their covered dependents. Health claims of active participants and dependents are processed by Blue Cross and Blue Shield of Texas (the Administrator), but the liability for payments to providers is retained by the Plan.

The Plan also has elective benefits for life, accidental death and dismemberment, long-term disability, cancer, heart and stroke which are provided under group insurance contracts with Prudential Financial, Colonial Life & Accident Insurance Company and American Heritage Life Insurance.

The Plan also provides participants with the option of contributing to medical and dependent care flexible spending accounts (FSA). The accounts are used to cover out-of-pocket medical, dental, vision, over-the-counter and dependent care expenses with pre-tax dollars. Any balance in the FSA account at the end of the year is forfeited by the participant.

Contributions—Participating employees contribute predetermined amounts as set out annually by the Sponsor. The Sponsor also contributes on behalf of the participants and their covered dependents for health and death benefits.

Participants who have elective coverage contribute premiums as determined by the insurers.

Participants with a medical or dependent care FSAs make 100 percent of the contributions to the accounts.

Other—Although it has not expressed any intention to do so, the Sponsor has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The accompanying financial statements have been prepared on the modified cash basis of accounting. Under that basis, certain revenues and the related assets are recognized when received rather than when earned, and certain expenses are recognized when paid rather than when the obligation is incurred.

That basis differs from accounting principles generally accepted in the United States of America primarily because the Plan has not recognized contributions receivable from the Sponsor, overpayments receivable from the Administrator, claims incurred but not reported, claims reported but not paid and their related effects on changes in net assets in the accompanying financial statements.

Plan Expenses
The Sponsor absorbs certain administrative expenses incurred by the Plan.

Estimates
The preparation of financial statements in conformity with the modified cash basis of accounting requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Subsequent Events
The Plan has evaluated subsequent events through October 12, 2011, the date the financial statements were available to be issued.

NOTE 3 – BENEFIT OBLIGATIONS

Benefit claims currently payable include the Plan's liability for claims incurred as of December 31, 2010 and 2009, but not reported and the Plan's liability for claims reported as of December 31, 2010 and 2009, but not yet processed. The Plan's liability for claims is estimated based on actual claims paid in the subsequent year.

The following tables present the components of the Plan's benefit obligations and the related changes in the Plan's benefit obligations:

NOTE 4 – FEDERAL INCOME TAX STATUS

The Plan administrator believes the Plan is currently being operated in compliance with applicable requirements of the Internal Revenue Service and is exempt from federal income taxes.

NOTE 5 – CONCENTRATIONS OF CREDIT RISK

The Plan maintains cash deposits with a major bank that exceed federally insured limits. The Plan periodically assesses the financial condition of the institution and believes that the risk of any loss is minimal.
