Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 1 Description of the Plan

The following description of Superior Health Linens 401(k) Plan (the "Plan") provides only general information. Participants should refer to the summary plan description for a complete description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"), as amended.

General

The Plan is a participant directed defined contribution plan sponsored by Superior Health Linens ("Sponsor"). The Sponsor is the plan administrator. Reliance Trust Company ("Trustee") holds the Plan assets, makes distributions, and is responsible for the Plan's recordkeeping.

Eligibility

Employees of the Sponsor who have completed six months of service and attained the age of 21 are eligible to participate in the Plan. Eligible employees may enter the Plan on January 1, April 1, July 1, or October 1, coinciding with or immediately following the attainment of these requirements.

Contributions

Participants may elect to defer from 1% of their eligible compensation, as defined by the Plan, up to the maximum contribution limits allowed by the Internal Revenue Code ("IRC"). The Plan allows participants to roll over distributions from other retirement plans.

The Sponsor makes safe harbor matching contributions equal to 100% of the participant's deferral up to 3% of their compensation, plus 50% of the participant's deferral between 3% and 5% of their compensation. The Sponsor may also make discretionary matching, profit-sharing and/or qualified non-elective contributions. Sponsor safe harbor matching contributions were $55,433 and $39,433 in 2010 and 2009, respectively. There were no Sponsor discretionary matching, profit-sharing or qualified non-elective contributions in 2010 or 2009.

Note 1 Description of the Plan (Continued)

Funding

Participant contributions and Sponsor safe harbor matching contributions are remitted to the Plan as soon as practical after the participant contributions have been withheld from the participant's wages. The Sponsor's other contributions, if any, may be remitted to the Plan annually.

Investment Options

The Plan is intended to satisfy the requirements under Section 404(c) of ERISA and therefore provides that participants may choose to direct their contributions and account balances among the Plan's investment alternatives. All investments are participant directed.

Notes Receivable from Participants

Participants may receive a loan from their account balance not to exceed the lesser of $50,000 or one-half of the participant's vested account balance. Interest rates and repayment schedules are determined by the Plan Sponsor and ranged from 4.25% to 6.00% at December 31, 2010. Principal and interest are paid through payroll deductions.

Participant Accounts

Each participant's account is credited with the participant's contribution, the Sponsor's contributions, and allocations of Plan earnings thereon. Allocations of the Sponsor's discretionary contributions are based on participant earnings, as defined in the Plan. The benefit to which a participant is entitled is the participant's vested account balance.

Vesting

Participants are immediately vested in their deferral contributions and the Sponsor's safe harbor matching, discretionary matching and qualified non-elective contributions plus actual earnings thereon. Vesting in the Sponsor's discretionary profit sharing contributions, plus actual earnings thereon, is based on the number of years of continuous service with 20% vesting in each year, and are fully vested after five years.

Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 1 Description of the Plan (Continued)

Forfeitures

Forfeitures of nonvested amounts are used to reduce Sponsor contributions or offset administrative expenses. No forfeitures were used to reduce Sponsor contributions or offset administrative expenses in 2010 or 2009. There were no unallocated forfeitures as of December 31, 2010 or 2009.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or a designated beneficiary may elect to receive either a lump-sum payment equal to the value of the participant's account, receive the benefits in installments, or purchase an annuity contract. For termination of service due to other reasons, a participant may receive the value of the vested interest in their account as a lump-sum distribution. Under certain circumstances participants may qualify to receive a hardship distribution (less applicable income taxes and penalties) from their account balance.

Administrative Expenses

Substantially all Plan administrative expenses are paid by the Sponsor.

Note 2 Summary of Significant Accounting Policies

Basis of Accounting

The financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States ("GAAP").

Use of Estimates in Preparation of Financial Statements

The preparation of the accompanying financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results may differ from these estimates and are subject to change in the near term.

Note 2 Summary of Significant Accounting Policies (Continued)

Notes Receivable from Participants

Notes receivable from participants are measured at their unpaid principal balance plus any accrued, but unpaid interest. Delinquent notes receivable from participants are reclassified as distributions based upon the terms of the plan document.

Investment Valuation and Income Recognition

Investments are stated at fair value. Purchases and sales of investments are recorded on a trade date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. The net appreciation in fair value of investments include gains and losses on investments bought and sold, as well as held during the year.

Payment of Benefits

Benefits are recorded when paid.

Adoption of New Accounting Pronouncement

In September 2010, the Financial Accounting Standards Board (FASB) issued authoritative guidance that requires participant loans to be measured at their unpaid principal balance plus any accrued but unpaid interest and classified as notes receivable from participants. Previously loans were measured at fair value and classified as investments. The guidance is effective for fiscal years ending after December 15, 2010, and is required to be applied retrospectively. The adoption of this guidance did not change the value of participant loans from the amount previously reported as of December 31, 2009. Participant loans have been reclassified to notes receivable from participants as of December 31, 2009.

Subsequent Events

Subsequent events have been evaluated through October 12, 2011, which is the date the financial statements were available to be issued.

Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 3 Fair Value Measurements

The framework for measuring fair value under GAAP provides a fair value hierarchy that prioritizes the inputs of valuation techniques used in measuring fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes to the methodologies used in 2010 and 2009.

Mutual funds: Valued at quoted market prices which represent net asset value ("NAV") of shares held by the plan at year end.

Note 3 Fair Value Measurements (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at:

December 31, 2010	Level 1	Level 2	Level 3	Total
Mutual funds:				
Equity	$ 340,649	$ -	$ -	$ 340,649

Investments representing 5% of the Plan's net assets, as of December 31 are as follows:

Description	2010	2009
Mutual funds:		
American Funds Money Market Fund	$ 155,069	$ 95,600
Alliance Bernstein International Growth Fund Inc	$ 43,376	$ 19,634

Oppenheimer Global Allocation Fund	$ 37,783	**
Oppenheimer Value Fund	$ 29,699	**

** Investment is less than 5% of the Plan's net assets at December 31.

Note 5 Non Exempt Party-in-Interest Transactions

The Sponsor remitted participant and Sponsor contributions of $123,436 and $94,680 related to the plan years ended December 31, 2010 and 2009, respectively, to the Trustee later than required by the U.S. Department of Labor Regulation 2510.3-102. The Sponsor filed Form 5330 with the Internal Revenue Service ("IRS") and paid the required excise tax on the transactions. In addition, participant accounts were credited with the amount of investment income that would have been earned had the participant contribution been remitted on a timely basis.

Note 6 Information Certified by the Plan's Trustee

The Plan Sponsor has elected the method of annual reporting compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, the Plan's Trustee has certified that the following data included in the accompanying financial statements and supplemental schedules is complete and accurate:

a. Investments as disclosed in the Statements of Net Assets Available for Benefits.

Note 6 Information Certified by the Plan's Trustee (Continued)

b. Interest and dividends and net appreciation in fair value of investments as disclosed in the Statements of Changes in Net Assets Available for Benefits.

c. Investment information as disclosed in Note 4 and the investment as disclosed on page 13.

The Plan's independent auditors did not perform auditing procedures with respect to this information, except for comparing such information to the related information included in the financial statements and supplemental schedules.

Note 7 Plan Termination

Although it has not expressed any intent to do so, the Sponsor has the right to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their entire account balance.

Note 8 Income Tax Status

The IRS has determined by a letter dated October 29, 2001, that the prototype document on which the Plan is based is designed in accordance with the applicable sections of the IRC. Although the prototype document has been amended since the date of the determination letter, the Plan administrator believes the Plan is designed and being operated in compliance with the applicable requirements of the IRC. Accordingly, the Plan administrator believes the Plan is exempt from federal and state income taxes. The Plan is subject to routine audits by taxing jurisdictions and there are currently no audits in progress. The Plan is no longer subject to income tax examinations for years prior to 2007.

Note 9 Party-In-Interest Transactions

Notes receivable from participants transactions qualify as party-in-interest transactions. These transactions are not, however, considered prohibited transactions under 29CRF 408(b) of the ERISA regulations.

Superior Health Linens 401(k) Plan

Notes to Financial Statements

Note 10 Risk and Uncertainties

The Plan's investments are exposed to various risks, such as interest rate fluctuations, market volatility, and credit losses. Due to the level of risk associated with certain investments and overall market volatility, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits and the Statements of Changes in Net Assets Available for Benefits.
