LASCO ACOUSTICS AND DRYWALL 401(k) PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

1. **Description of Plan**

The following description of the Lasco Acoustics and Drywall 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan is a defined contribution plan established by Lasco Acoustics and Drywall, Inc. (the "Company") under the provision of Section 401(a) of the Internal Revenue Code ("IRC"), which includes a qualified cash or deferred arrangement as described in section 401(k) of the IRC, for the benefit of eligible employees of the Company. All employees of the Company who have completed at least one year of service, as defined in the Plan, and are age twenty-one or older are eligible to participate. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Plan Administration - The Plan is administered by the Pension Committee which is appointed by the Board of Directors of the Company. The Plan's custodian, ING Life Insurance and Annuity company, (the "Custodian"), is responsible for the custody and management of the Plan's assets.

Contributions - Each year, participants may contribute up to the maximum amount allowable under current law of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers various Pooled Separate Accounts (PSAs) as investment options for participants. The Company may make matching contributions equal to a discretionary percentage to be determined by the Company of the Participants salary reduction. Additional amounts may be contributed at the option of the Company's board of directors. Contributions are subject to certain limitations.

Participant Accounts - Individual accounts are maintained for each of the Plan's participants to reflect the participant's contributions and related employer contributions, as well as the participant's share of the Plan's income and any related administrative expenses. Allocations are based on the ratio of each participant's contribution to the total contributions of all participants. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution portion of their accounts is based on years of continuous service. A participant is 100% vested after five years of credited service.

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

1. **Description of Plan (continued)**

Participant Loans - Participants may borrow from their fund accounts. Participant loans are limited to 50 percent of a participant's vested account balance or \$50,000, whichever is less. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participant notes fund. Loan terms range from one to five years, or up to 30 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates. Interest rates currently range from 3.25 to 8.5 percent. Principal and interest is paid ratably through monthly payroll deductions.

Payment of Benefits - On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or a partial withdrawal. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution.

Forfeited Accounts - At December 31, 2010 and 2009, forfeited nonvested accounts totaled \$17,811 and \$7,875 respectively. These accounts will be used to reduce future employer contributions.

2. **Summary of Significant Accounting Policies**

Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Payment of Benefits - Benefits are recorded when paid.

Investment valuation - The Plan's investments are stated at fair value except for its investment contract which is valued at contract value (Note 3). Contract value equals fair value at all times during the life of the contract.

Basis of accounting - The financial statements of the Plan are prepared under the accrual method of accounting.

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

3. **Investment Contract with Insurance Company**

Beginning December 28, 2009, the Plan is funded with a Group Annuity Contract issued by ING Life Insurance and Annuity Company ("ING"). The contract offers a General Account plus various Pooled Separate Accounts (PSAs), from a variety of investment managers. The accounts are credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The contract is included in the financial statements at contract value as reported to the Plan by ING. Contract value represents contributions made under the contract, plus earnings, less participant withdrawals and administrative expenses. Participants may ordinarily direct the withdrawal or transfer of all or a portion of their investment at contract value. There are no reserves against contract value for credit risk of the contract issuer or otherwise. Liquidation of the entire contract may cause a one-time adjustment to the contract value, resulting in a fair value different from the contract value. This total liquidation is a contingent event which cannot be initiated by the Plan participants, and can only be initiated by the Plan Trustees upon termination of the retirement plan, or complete change of funding vehicle.

4. **Investments**

Unaudited Information Certified by ING - The December 31, 2010 and 2009 Statement of Net Assets Available for Benefits, the investment activities included on the Statement of Changes in Net Assets Available for Benefits for the years ended December 31, 2010 and 2009, and the accompanying notes to the financial statements were prepared in part or entirely from information certified by the Trustee in accordance with 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The information certified includes (a) total investments of \$1,787,501 and \$1,460,086 at December 31, 2010 and 2009, (b) participant notes receivable of \$97,758 and \$87,461 at December 31, 2010 and 2009, and (c) related investment income of \$138,170 and \$189,931 for the years ending December 31, 2010 and 2009.

The following presents investments that represent 5 percent or more of the Plan's net assets at December 31, 2009:

ING US Bond Index Portfolio		323,875

5. **Plan Termination**

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

6. **Risks and Uncertainties**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

7. **Tax Status**

The Internal Revenue Service has informed the Trustee, by a letter dated November 27, 2001, that the Plan and related trust are acceptable under Section 401 of the Internal Revenue Code ("IRC"). Although the Plan has since been amended, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Generally accepted accounting principles establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. The Plan measures fair value using Level 1 and Level 2 inputs.

NOTES TO FINANCIAL STATEMENTS
December 31, 2010 and 2009

8. **Fair Value Measurements (continued)**

Level 1 Fair Value Measurement

The fair value of the money market funds, pooled separate funds, and mutual funds are based on 100% of the price of the underlying investment funds.

Level 2 Fair Value Measurement

The fair value of participant loans represents the outstanding principal balance taking into account the applicable interest rate.

9. **Subsequent Events**

In May 2009, FASB issued ASC Topic 855, *Subsequent Events* (Statement No. 165, *Subsequent Events*). ASC Topic 855 (Statement 165) defines the period after the balance sheet date during which management shall evaluate events or transactions that may occur for potential recognition or disclosure, the circumstances under which an organization shall recognize events occurring after the balance sheet date and the disclosures that an organization shall make about those events or transactions. Management evaluated all events and transactions that occurred after December 31, 2010 and through October 6, 2011. The Plan did not have any material recognizable subsequent events during this period.
