I was engaged to audit the financial statements of Diversified Roofing/ Peak Construction/ Valley Supply 401(k) Plan as of December 31, 2010 and 2009 and for the years ended December 31, 2010 and 2009, and the supplemental schedules as of and for the year ended December 31, 2010, as listed in the accompanying index. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed me not to perform, and I did not perform, any auditing procedures with respect to the information summarized in Note 8, which was certified by MetLife Insurance Company of Connecticut and by The Hartford Life Insurance Company, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. I have been informed by the plan administrator that the trustees hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained a certification from the trustees as of and for the years ended December 31, 2010 and 2009, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information that I did not audit, I am unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustees, have been audited by me in accordance with auditing standards generally accepted in the United States of America and, in my opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DIVERSIFIED ROOFING/ PEAK CONSTRUCTION/ VALLEY SUPPLY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009

Note 1: Description of the plan

The following description of the Diversified Roofing/ Peak Construction/ Valley Supply 401(k) Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more comprehensive description of the Plan's provisions.

General. The Plan is a defined-contribution plan covering substantially all full-time employees of Diversified Roofing, Peak Construction and Valley Supply (jointly referred to as the Company) who have three months of service and have attained the age of twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Each year, participants may contribute up to 100 percent of pretax annual compensation up to the maximum permitted under law, as defined by the Plan. Participants may also contribute amounts representing distributions from other qualified plans. Matching contributions are at the discretion of the Company. For the first three months of 2009, the Company contributed the lesser of 10% of base compensation that a participant contributed to the Plan or \$500. There were no matching contributions for the remainder of 2009 and all of 2010.

Participants accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution, and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account. Participants direct the allocation of the investments in their own account.

Vesting. Participants are immediately vested in their voluntary contributions, plus the earnings thereon. Vesting in the remainder of their account balance is based on years of continuous service, with a participant becoming 100% vested after 6 years of credited service.

Payment of benefits. On termination of service, a participant will receive a lump-sum distribution equal to the value of the participant's account if the amount is \$5,000 or less. If the amount is greater than \$5,000, the participant can elect to receive either a lump sum amount or an installment distribution.

Plan costs. The majority of the annual costs of the Plan are paid by the Company.

Forfeited accounts. At December 31, 2010 and 2009, the forfeited nonvested account totaled \$1,136 and \$5,671, respectively. This account, which had a balance of \$10,937 at December 31, 2010, will be used to reduce future employer contributions. There were no such reductions made in 2010 and 2009.

Plan merger. On November 17, 2009, the Board of Directors of Diversified Roofing Company, a controlling party of DV Management Company, Inc., approved a merger of DV Management Company, Inc. Profit Sharing Plan into the Diversified Roofing/ Peak Construction/ Valley Supply 401(k) Plan, effective November 17, 2009. As a result, all investments in mutual funds and cash were transferred from the Profit Sharing Plan into this Plan on that date.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009

Note 2: Summary of significant accounting policies

Basis of accounting

The financial statements of the Plan are prepared under the accrual method of accounting.

Investment valuation

The Plan's investments are stated at fair market value.

Estimates by management

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Payment of benefits

Benefits are recorded when paid.

Date of management's review

Subsequent events were evaluated through October 5, 2011, which is the date the financial statements were available to be issued.

Note 3: Plan termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note 4: Tax status

The Company has adopted a standardized 401(k) pension plan sponsored by The Hartford Life Insurance Company, the third party administrator of the Plan. The Internal Revenue Service has determined and informed The Hartford, by a letter dated March 31, 2008, that the Plan and the related trust are designed in accordance with the applicable sections of the Internal Revenue Code (IRC). The Plan administrator believes that the Plan continues to operate in compliance with the applicable requirements of the IRC.

Note 5: Reconciliation of financial statements to Form 5500

There were no material differences noted between the financial statements of the Plan and the Plan's 2010 Form 5500.

DIVERSIFIED ROOFING/ PEAK CONSTRUCTION/ VALLEY SUPPLY 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010 AND 2009

Note 6: Fair value measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

		Fair value measurements using:	
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>
<u>December 31, 2010</u>			
Mutual funds	\$ 838,129	\$ -	\$ 838,129
Total	<u>\$ 838,129</u>	<u>\$ -</u>	<u>\$ 838,129</u>
<u>December 31, 2009</u>			
Mutual funds	\$ 145,560	\$ -	\$ 145,560
Total	<u>\$ 145,560</u>	<u>\$ -</u>	<u>\$ 145,560</u>

SFAS No. 157, *Fair Value Measurements*, establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 is used only when Level 1 or Level 2 inputs are not available.

Level 2 Fair Value Measurements

The Plan's mutual fund investments for the year ended December 31, 2010 and 2009 are administered by and certified by The Hartford Life Insurance Company.

Note 7: Risks and uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

Note 8: Investments

The following investment information, included in the accompanying financial statements and supplemental schedules, was obtained from the data that has been prepared and certified to be complete and accurate by The Hartford Life Insurance Company for the years ended December 31, 2010 and 2009. The activity of the Plan for the year ended December 31, 2009 was, also, certified to be complete and accurate by MetLife Insurance Company of Connecticut. However, the Plan's assets were sold and the resulting cash was transferred to The Hartford Life Insurance Company, the new asset custodian, on December 31, 2009 and received by Hartford on January 4, 2010. The Plan's mutual fund and cash investments are part of various groups of mutual funds as determined by the Plan's Administrative Committee. Upon initial enrollment in the Plan, a participant directs the allocation of contributions among the various mutual funds designated by the Plan's administrative committee. The mutual funds held at year end were as follows:

2010 Fee and Compensation Disclosure Report

This document is intended to assist a plan administrator (“you”) in understanding the fees and compensation associated with your plan. If your plan is required to complete a *Form 5500 Schedule C*, this report identifies the different types of reportable compensation paid with respect to the Hartford product utilized by the retirement plan.

As permitted under the Schedule C reporting rules, compensation is disclosed in the attached report as an actual dollar amount, an estimate, or a formula or rate.

- Where it is an actual dollar amount, no further notation is provided.
- Where it is an estimate, we have used a reasonable method to arrive at the estimate and described the method used to arrive at the estimated amount.
- Where a formula or rate is provided, the formula may be disclosed under the Schedule C reporting rules. Alternatively, for purposes of Schedule C or for your fiduciary review of the compensation paid with respect to the plan’s product, you may calculate an actual or estimated dollar amount by multiplying the rate by the total assets to which it applies. Thus, much of the compensation information being provided can be expressed in the form of a formula.

Please note that all compensation is being reported for the 2010 calendar year. This report includes compensation actually paid to or by The Hartford within the 2010 calendar year as part of your Hartford product. This report does not include amounts deducted from plan assets and paid to third parties (other than The Hartford). In addition, the report does not include compensation related to investments held by the plan that are not serviced on our recordkeeping system. You should contact your other service providers for reportable compensation information. You may also receive information on the compensation reported here directly from other service providers.

Please note that we have provided suggested service codes with respect to services provided through our Hartford product. These service codes are listed in the 2010 Instructions for Schedule C (Form 5500). Please review with your experienced benefits counsel and other professionals to determine the most appropriate service codes for your plan.

Please contact your Hartford Client Service Team should you require additional information regarding the compensation paid to or by The Hartford with respect to your plan.

Information provided in this document and related materials we provide are not intended to be and shall not be deemed tax advice, tax form preparation services, legal advice or accounting or other professional services. We strongly encourage you to review all Schedule C and other Form 5500 materials with experienced benefits counsel and other professionals.

1. Direct Compensation **\$450.00**

The total amount identified above reflects all fees deducted from plan assets at the plan administrator's direction. Please review your records to determine what other service providers (e.g., a reimbursement paid to any plan fiduciary, your employee benefits counsel, plan auditor) received all or any portion of the remaining amount.

Note: Due to system accounting protocols (including 'cash basis' accounting), amounts reported as Direct Compensation and amounts reported as paid to Hartford Life Insurance Company are the net result of aggregating direct compensation after the effects of adjustments processed in 2010, some of which may have pertained to prior years.

2. Indirect Compensation

Float compensation **\$10.74**

Bank accounts and investments associated with short-term investment pool, 200 Hopmeadow Road, Simsbury, CT 06089

This is an estimate based on the annual average rate of float (0.1415% for 2010) earned on the bank accounts and investment associated with the short-term investment pool for the 2010 calendar year multiplied by an estimate of the assets related to uncashed checks. This estimate does not include float earned for any other reason (e.g., if amounts remitted to Hartford cannot be immediately invested because they are not in good order). Please review or request a copy of the current float disclosure for more information about the other circumstances in which float is earned.

Under the variable investment options available through your plan's group annuity contract or funding agreement, contract values are invested in Hartford Life Insurance Company separate accounts that, in turn, invest in underlying registered investment companies (i.e., mutual funds) and collective investment funds.

The list includes any investment option held by the plan during the 2010 calendar year. To arrive at an estimate of the dollar amount that Hartford received from each investment option, multiply the rate of fees received from each investment option by your plan's year-end balance (or if the investment option was liquidated prior to year end, the balance on the liquidation date) and, if applicable, the per participant fee by the number of participants in the investment option at year end (or the liquidation date if earlier). This will be an estimate because your plan's balance and number of participants will vary over the course of the year, so the year-end balance and number of participants may be higher or lower than the daily balance. In addition, these fees are calculated on a daily basis.

² This amount is the sum of the fund's distribution, management and other fees, which are also identified in the fund's prospectus. Please note that affiliates of Hartford Life Insurance Company act as advisor to the Hartford funds. Such affiliates are identified in the fund's prospectus' and receive management fees in the following amounts:
