We were engaged to audit the financial statements and supplemental schedules of Femwell Group Health, Inc. 401(k) Plan as of December 31, 2010, and for the year then ended, as listed in the accompanying table of contents. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed the other auditors not to perform, and they did not perform, any auditing procedures with respect to the information certified by John Hancock Life Insurance Company (U.S.A), the custodian of the Plan. Their report, dated April 18, 2010, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole, and (b) the form and content of the information included in the financial statements other than that derived from the information certified by the custodian, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Notes 3 and 4, which was certified by John Hancock Life Insurance Company (U.S.A), the custodian of the Plan, except for comparing the information with the related information included in the 2010 financial statements and supplemental schedules. We have been informed by the plan administrator that the custodian holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of and for the year ended December 31, 2010, that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information in the Plan's 2010 financial statements and schedules that we did not audit, we are unable to, and do not, express an opinion on the accompanying 2010 financial statements and schedules taken as a whole. The supplemental schedules are presented for purposes of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the 2010 financial statements and supplemental schedules, other than that derived from the information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

(1) Description of the Plan

The following description of the Femwell Group Health, Inc. (the "Employer") 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution 401(k) profit-sharing retirement plan covering all full-time employees of Femwell Group Health, Inc. who (a) are age twenty-one or older, and (b) have completed at least one thousand hours during a twelve-month period immediately following the date of hire. The Plan commenced on January 1, 2007 and is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan is designed to qualify as a "Safe Harbor 401(k) Plan." A Safe Harbor 401(k) Plan, among other features, must provide for employer contributions that may be (a) employer matching contributions (limited to employees who defer), or (b) employer contributions made on behalf of all eligible employees (regardless of whether they make elective deferrals). Safe Harbor 401(k) Plans are exempted from the annual nondiscrimination tests applicable to traditional 401(k) plans, provided the Safe Harbor requirements are satisfied.

Contributions

Participants may elect to contribute a specific percentage or dollar amount of annual compensation as pre-tax deferrals, or Roth deferrals, as defined in the Plan. Participants who have attained age fifty before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Employer matching and discretionary contributions may also be made to the Plan on behalf of eligible participants, at such time as deemed appropriate by the Employer. For the years ended December 31, 2010 and 2009, elective deferrals and catch-up contributions from participants were limited to an statutory maximum of $16,500 and $5,500, respectively, for both years. The statutory maximum annual contributions from all sources (including elective deferrals, employee contributions, employer matching and discretionary contributions, and allocations of forfeitures to participant accounts) were limited to the lesser of (a) 100% of the participant's compensation, or (b) $49,000, for both 2010 and 2009. The statutory maximum contribution amounts are subject to annual cost-of-living adjustments.

Pursuant to the provisions of the Plan, Safe Harbor employer contributions may be determined each plan year, at the discretion of the Employer. For 2010 and 2009, the Plan has elected to provide for annual Safe Harbor employer contributions on behalf of all eligible employees in an amount equal to 3% of their compensation. The Employer must provide written notice to each eligible employee for the plan year of the employee's

Contributions (Continued)

rights and obligations under the Plan in accordance with Income Tax Regulations Section 1.401(k)-3(d)(2).

Investment Options

Participants may direct the investment of their contributions into various investment options offered by the Plan. The accounts of participants not directing the investment of their contributions will automatically be invested in accordance with the default investment alternatives established under the Plan.

Participant Accounts

Each participant's account is credited with the participant's contribution (if any) and the Employer's Safe Harbor contribution on behalf of the corresponding participant. In addition, each participant's account is credited with allocations for the following (if any) (a) the Employer's matching and discretionary contribution, and, (b) Plan investment earnings. Each participant's account is charged with the participant's distribution and allocations for the following (if any) (a) Plan investment losses, and (b) Plan operating expenses. Allocations of Plan investment earnings or losses are based on each participant's investment election, as defined in the Plan. Allocations of Plan operating expenses may be charged pro-rata to each Participant in relation to the size of each Participant's account balance or as an equal dollar amount based on the number of participants in the Plan. Alternatively, the Employer may elect to assume all, or part, of the Plan operating expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the employer contributions and earnings thereon is based on a "6-year graded vesting schedule," as follows:

Years of Vesting Service	Vested Percentage
0 - 1	0%
2	20%
3	40%
4	60%
5	80%
6 or more	100%

(Continued)

(1) Description of the Plan (Continued)

Vesting (Continued)

Safe Harbor employer contributions, plus actual earnings thereon, are always fully vested.

Payment of Benefits

On termination of service due to death, disability or retirement, a participant or beneficiary may request to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. A participant may receive a distribution from his or her account prior to termination of employment provided the participant (a) has attained age fifty-nine and a half, or (b) has incurred a financial hardship, as described in the Plan. Involuntary distributions of $5,000 or less may made by the Plan.

Forfeitures

Forfeitures will be used to reduce future Employer and/or matching contributions. For the years ended December 31, 2010 and 2009, the Plan had no forfeited nonvested accounts.

Participant Loans

The Plan permits loans to participants, their beneficiaries, and alternate payees pursuant to a signed promissory note, provided that the borrower qualifies as a "party in interest" as defined by ERISA Section 3(14). All current employees of the Employer and certain former employees qualify as parties in interest. Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the balance in the participant's account and bear an interest rate equal to the prime rate, plus 1%. Loan terms are limited to periods not in excess of five years, unless the loan is taken for the purchase of a primary residence. Principal and interest is paid generally through monthly payroll withholding, except to the extent the Employer determines withholding is not practical given the level of the participant's wages, the frequency with which the participant is paid, or other circumstances. A loan is due and payable immediately on the date of the Participant's termination of employment (unless the Participant is a "party in interest" as described in the Plan), or upon termination of the Plan (notwithstanding any contrary provision in the promissory note).

(2) Summary of Significant Accounting Policies

Basis of Accounting

The financial statements of the plan are prepared on the accrual method of accounting.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investments Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (see Note 3 for discussion of fair value measurements). Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest.

Payment of Benefits

Benefits are recorded when paid.

Operating Expenses

The Plan pays for substantially all of the expenses of maintaining the Plan. During 2010, the Employer elected to assume part of the Plan operating expenses.

Reclassification

Certain prior year amounts have been reclassified to conform to the current year presentation.

Subsequent Events

The Plan has evaluated subsequent events for potential recognition and disclosure through October 13, 2011, the date the financial statements were available to be issued.

(Continued)

(3) Fair Value Measurements

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels, defined as follows: (a) Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, (b) Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and (c) Level 3 inputs are unobservable and have the lowest priority. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are used only when Level 1 or Level 2 inputs are not available. For the years ended December 31, 2010 and December 31, 2009, all of the Plan's investments had been classified as Level 1.

The following table presents the Plan's investments at fair value as of December 31, 2010 and 2009 (as reported to the Plan by the Custodian. See Note 4):

Investment Funds	December 31, 2010 (Level 1)	December 31, 2009 (Level 1)

(Continued)

(4) Investments and Subsequent Event

The Plan has a contract with John Hancock Life Insurance Company (U.S.A) (the "Custodian") to provide retirement plan services including, but not limited to, investment management and valuation, record keeping services and custody of the underlying assets, through the Custodian's "Accumulated Retirement Account," a group annuity contract issued to qualified retirement plans, primarily 401(k) plans. The contract may be terminated by the plan administrator pursuant to the applicable provisions of the contract.

The group annuity contract offers (1) guaranteed interest accounts ("guaranteed accounts"), and (2) Pooled Separate Accounts ("PSAs"). Guaranteed accounts, which investments are maintained in the Custodian's general account, guarantee the return of principal, plus interest earned over a three, five or ten year term, less any applicable contract or participant-level recordkeeping charges, provided all contributions remain in the account until the end of the guarantee period. Guaranteed accounts are reported by the Custodian at contract value (book value). As of December 31, 2010, no contributions had been allocated to guaranteed accounts.

PSAs (funds), which investments are segregated from the Custodian's general account, offer a variety of investment options (sub-accounts) that invest solely in: (a) mutual funds managed by unaffiliated mutual fund companies, (b) mutual funds managed by the Custodian (sub-advised), and (c) collective investment trusts managed by the Custodian (the "underlying funds"). The underlying funds are reported and adjusted to market value daily. The Custodian does not guarantee the value of investments maintained in PSAs. As of December 31, 2010, investments had been allocated in full to PSAs.

The following presents investment funds that represent 5% or more of the Plan's net assets as of December 31, 2010 and 2009:

	December 31, 2010		December 31, 2009

(4) Investments and Subsequent Event (Continued)

The underlying funds may hold a variety of assets, including derivatives, may engage in securities lending, and may be subject to credit or concentration risk. Each Fund bears its own expenses and indirectly bears its proportionate share of expenses of the underlying fund in which it invests.

During 2010, the Plan investments (including gains and losses on investments bought and sold, as well as held during the year), appreciated in value by $228,386, as follows:

500 Index Fund	$	13,938
Lifestyle Fund - Aggressive Portfolio		54,229
Lifestyle Fund - Balanced Portfolio		31,368
Lifestyle Fund - Growth Portfolio		28,821
Lifestyle Fund - Moderate Portfolio		13,371
Mid Cap Stock Fund		12,861
Oppenheimer Global Fund		16,780
The Growth Fund of America		14,595
Lifestyle Fund - Conservative Portfolio		6,413
Small Cap Index Fund		6,482
Other funds		29,528
	$	228,386

In January 2011, the Plan terminated its contract with the Custodian and entered into three separate agreements with unrelated parties, as follows: (1) Charles Schwab Trust Company (the "Trustee"), to provide safekeeping and custody of the underlying assets; (2) ERISA Fiduciary Advisors, Inc. (the "Advisor"), to provide investment management and monitoring of investment options offered to participants of the Plan; and (3) Newport Retirement Services, Inc. (the "Recordkeeper"), to provide recordkeeping services for the Plan.

(5) Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(6) Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will continue to be 100% vested in their accounts. The Employer will direct the distribution of participant accounts in a manner permitted by the Plan as soon as practicable.

(7) Related Party Transactions

Certain Plan investments are shares of mutual funds managed by the Custodian (sub-advised). As defined by the Plan, the Custodian is a trustee of the Plan and, therefore, these transactions may qualify as party-in-interest transactions. However, the Custodian has advised the Plan that the underlying mutual funds in which the sub-accounts invest under the Custodian's contract should not be considered a party-in-interest because, among other reasons, under ERISA section 3(17), the issuer of the shares of a mutual fund (i.e., the registered investment company) should not be considered a party-in-interest.

(8) Tax Status

The Internal Revenue Service has determined and informed the Employer, by a letter dated March 31, 2008, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements.

The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

(9) Reconciliation of Financial Statements to Schedule H of Form 5500

The following is a reconciliation of net assets available for benefits per the financial statements to Schedule H of Form 5500:

Note 1: Column (a) is blank as there were no deemed parties-in-interest.

Note 2: Insofar as the Custodian provides services to the Plan, it may be considered a party-in interest. However, the Custodian has advised the Plan that the underlying mutual funds in which the sub-accounts invest under the Custodian's contract should not be considered a party-in-interest because, among other reasons, under ERISA section 3(17), the issuer of the shares of a mutual fund (i.e., the registered investment company) should not be considered a party-in-interest.
