To The Pearson Dental Supplies, Inc. 401(k) Plan and Participants:

I have audited the statements of net assets available for benefits of the Pearson Dental Supplies, Inc. 401(k) Plan as of December 31, 2010 and the statement of changes in net assets available for benefits for the year ended December 31, 2010. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements base on my audits.

I conducted my audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audits provide a reasonable basis for our opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2010 and the changes in net assets available for benefits for the year ended December 31, 2010 in conformity with accounting principles generally accepted in the United States of America.

My audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedules of (1) assets held for investment purposes as of December 31, 2010 and (2) reportable transactions for the year ended December 31, 2010, are presented for the purpose of additional analysis and are not a required part of the basic financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements and, in my opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole.

PEARSON DENTAL SUPPLY, INC. 401(K) PLAN
Notes to Financial Statements
For the Year Ended December 31, 2010

Note A – Description of Plan

The following description of the Pearson Dental Supply, Inc. (Company) 401(k) Plan provides only general information. Beginning with calendar year 2010, certain changes were promulgated in the Plan. These changes revolve primarily around participant contributions to the Plan and vesting arrangements. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General – The Plan is a defined benefit plan covering all full-time employees of the Company who have one-half year of service and are age twenty-one of older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).
2. Contributions – Each year, beginning in 2010, participants may contribute one-hundred percent of their annual compensation up to an annual IRS-determined limit. For the 2010 calendar year, that limit is $16,500. Also, beginning with 2010, the Company no longer matches participant contributions.
3. Participant Accounts – Each participant's account is credited with the participant's contribution and allocations of (a) the Company's contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
4. Vesting – Participants are immediately vested in their contributions plus actual earnings thereon. Beginning in 2010, since there are no more matching contributions from the Company, there will be no more vesting on this score.
5. Participant Loans – Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum of $50,000 or 50% of their account balance, whichever is less. The loans are secured by the balance in the participant's account and bear interest at rates equal to 1% over the prime rate.
6. Payment of Benefits – On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account or a specified portion of that account. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a sump-sum distribution.

Note B – Summary of Accounting Policies

Basis of Accounting

The financial statements of the Plan are prepared under the accrual method of accounting

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from these estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair market value. Quoted market prices are used to value investments. Shares of mutual funds are valued at quoted market prices which represent the net assets value of shares held by the Plan at year-end.

Note C – Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

Note D – Tax Status

The Internal Revenue Service has determined and informed the Company, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.
