These financial statements and supplemental schedule are the responsibility of the Plan's management. Our responsibility is to express an opinion on the financial statements based on our audit. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the Plan administrator instructed the other auditors not to perform and they did not perform, any auditing procedures with respect to the information certified by the Trustee. Their report, dated October 7, 2010, indicated that (a) because of the significance of the information that they did not audit, they were unable to, and did not, express an opinion on the financial statements taken as a whole and (b) the form and content of the information included in the financial statements, other than that derived from the information certified by the Trustee, were presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosures under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the 2010 information summarized in note 3, which was certified by Regions Bank, the Trustee of the Plan, except for comparing such information with the related information included in the 2010 financial statements and supplemental schedule. We have been informed by the Plan administrator that the Trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Trustee as of and for the year ended December 31, 2010, that the information provided to the Plan administrator by the Trustee is complete and accurate.

Because of the significance of the information in the Plan's 2010 financial statements and supplemental schedule that we did not audit, we are unable to, and do not, express an opinion on the accompanying 2010 financial statements and supplemental schedule taken as a whole. The form and content of the information included in the 2010 financial statements and supplemental schedule, other than that derived from the information certified by the Trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

Notes to Financial Statements

December 31, 2010

(1) Description of Plan

The following description of the Southern Cal Transport 401(k) Retirement Plan (the Plan) provides only general information. Participants should refer to the Plan document for more complete information.

(a) General

The Plan is a defined contribution plan covering all Southern Cal Transport, Inc.'s (the Company) employees who are not part of a collective bargaining agreement. Employees may choose to enter into the Plan on January 1 or July 1, provided they are employed by the Company. The Plan was established to provide retirement and other benefits for employees and their beneficiaries. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

(b) Funding Policy and Contributions

Participant contributions are made through salary reductions that cannot exceed the maximum dollar amount permitted by law. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans. The Company makes discretionary matching contributions. The Company matched 50% of the participants' pretax contribution up to a maximum of 4% of the participants' qualified compensation during 2010 and 2009.

(c) Participant Accounts

Each participant's account is credited with the participant's contributions, the Company's contributions, and an allocation of plan earnings and losses. Allocations are based on participants' deferral or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(d) Vesting

The participants are always 100% vested in their own contributions and related earnings. Upon reaching normal retirement age of 65 or permanent disability, a participant will be 100% vested in the Company's contributions. Otherwise, a participant is fully vested upon completion of six years of qualifying service, as defined, on a graded vesting schedule.

(e) Payment of Benefits

Payment of the vested portion of a participant's account can be made upon termination of the Plan or upon hardship, retirement, termination of employment, disability, or death of the participant.

(f) Forfeitures

Forfeitures from terminated participants' accounts are used to reduce the Company's contributions and expenses of the Plan. Total forfeitures used to reduce the Company's contributions were \$0 during 2010.

(2) Summary of Significant Accounting and Plan Policies

(a) *Basis of Presentation*

The accompanying financial statements have been prepared under the accrual-basis method of accounting in accordance with U.S. generally accepted accounting principles (GAAP).

(b) *Recent Accounting Pronouncements*

In January 2010, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2010-06, *Improving Disclosures about Fair Value Measurements*. This standard requires further disaggregation of assets and a disclosure of valuation techniques for Level 2 and 3 measurements. The Plan adopted the provisions of the standard for the year ended December 31, 2010. The adoption of these provisions did not have a material effect on the Plan's financial statements.

(c) *Investments*

Plan investments are stated at fair value as determined by Regions Bank, the trustee of the Plan (the Trustee). The value of shares in registered investment companies is stated at fair value as determined by quoted market prices, which represents the net asset value of shares held by the Plan at year end. The net increase or decrease in market value of the investment portfolio during the year and realized gains and losses have been reported in the accompanying statement of changes in net assets available for benefits.

(d) *Revenue Recognition*

Interest income is recorded on the accrual basis and dividends are recorded on the ex-dividend date. Realized gains and losses related to sales of investments are recorded on a trade-date basis, and unrealized gains and losses are recorded based on the fair value as of the end of the reporting period.

(e) *Benefits*

Benefits are recorded when paid.

(f) *Administration Expenses*

The administration expenses of the Plan are shared by the Company and participants.

(g) *Use of Estimates*

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein, and disclosure of contingent assets and liabilities. Actual results could differ from those estimates and assumptions.

(3) Certification by the Plan Investment Manager and Trustee

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the United States Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

**SOUTHERN CAL TRANSPORT 401(k)
RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2010

Accordingly, as permitted under such election, the Plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified as complete and accurate by the Trustee, except for comparing such information certified by the Trustee to information included in the Plan's financial statements and supplemental schedule.

The Trustee has provided the Plan administrator with certifications as to the completeness and accuracy of cash and investment assets aggregating \$1,798,807 as of December 31, 2010 and the related net investment income, including the net change in fair value of such assets, of \$118,786 for the year ended December 31, 2010. Such amounts and all related financial data are included in the accompanying financial statements and supplemental schedule of the Plan based on such certifications from the Trustee as being complete and accurate.

The following table summarizes the Plan's net investment income for the year ended December 31, 2010:

Description	2010
Mutual funds with registered investment companies	\$ 99,407
Dividends and interest	19,379
Net investment income	\$ 118,786

(4) Investments

The following table presents the fair value of the Plan's investments that were individually in excess of 5% of the net assets available for benefits at December 31, 2010 or 2009:

	2010	2009
Pioneer Treasury Reserve Fund A	\$ 867,215	821,477
MFS Core Growth Fund A	125,313	110,220
AIM Small Cap Growth A	125,106	85,487
MFS Value Fund A	102,059	106,815
Pioneer Select Mid Cap Growth Fund A	96,163	*
American Century International Growth	92,645	*

* Less than 5%

Accounting Standards Codification (ASC) 820, *Fair Value Measurements and Disclosures*, establishes and requires disclosure of a fair value hierarchy, separately for each major category of assets and liabilities, that segregates fair value measurements into levels (Levels 1, 2, and 3). Categorization of fair value measurements is determined by the nature of the inputs as follows: inputs using quoted prices in active markets for identical assets or liabilities (Level 1), significant other observable inputs (Level 2), and

**SOUTHERN CAL TRANSPORT 401(k)
RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2010

significant unobservable inputs (Level 3). Valuation levels are not necessarily an indication of the risk associated with investing in those securities. The three levels of fair value hierarchy are described below:

Basis of Fair Value Measurement

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets, or liabilities
- Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all significant inputs are observable, either directly or indirectly
- Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

The following is a description of the valuation methodologies used for assets held and carried at fair value:

- Mutual funds with registered insurance companies – Valued daily using the end-of-day net asset value, which is total value of all of a fund's assets minus its liabilities divided by the number of understanding shares for the fund

The following tables summarize the Plan's investments that were accounted for at fair value within the fair value hierarchy of ASC 820, as of December 31, 2010 and 2009:

Description	Assets at fair value as of December 31, 2010			
	Total	Level 1	Level 2	Level 3
Mutual funds with registered investment companies:

Description	Assets at fair value as of December 31, 2009

Balanced Fund	2,264	2,264	—	—
Total	\$ 1,573,827	1,573,827	—	—

For the year ended December 31, 2010, the Plan held no assets in which significant unobservable inputs (Level 3) were used in determining fair value. The Plan did not have any significant transfers between Levels 1 and 2 during the periods.

The market volatility of equity-based investments may substantially impact the value of such investments at any given time. It is possible that the value of the Plan's investments, both in total and in individual participant accounts, has changed significantly since December 31, 2010.

(5) Related-Party Transactions

The Company is the administrator of the Plan and appoints the Trustee for the Plan. The Company also pays for certain ongoing administration expenses associated with the Plan. Transactions with the Trustee qualify as party-in-interest transactions.

(6) Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan, subject to the provisions of ERISA. In such event, all benefits become fully vested and nonforfeitable.

(7) Income Tax Status

The Internal Revenue Service (the IRS) determined and informed the Company by a letter dated November 11, 2001 that the Plan and related trust, as then designed, were in compliance with the provisions of 401(a) of the IRC and were thereby exempt from federal income taxes under Section 501(a) of the IRC. The Plan has been amended since receipt of that letter; however, the Company believes that the Plan operates in accordance with the applicable code requirements and thus maintains its tax-exempt status.

**SOUTHERN CAL TRANSPORT 401(k)
RETIREMENT PLAN**

Notes to Financial Statements

December 31, 2010

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan administrator has analyzed the tax positions taken by the Plan and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for year prior to 2007.

(9) Subsequent Events

On December 30, 2010, the Plan's Sponsor entered into an agreement to be acquired by Patriot Holding Corp. The transaction closed on January 12, 2011.

The Plan has evaluated subsequent events from December 31, 2010 through October 14, 2011, the date at which the financial statements were available to be issued, and determined that with the exception of the events described above, there are no other items to disclose.
