We have been informed by the plan administrator that the trustee and custodian hold the Plan's investment assets and execute investment transactions. The plan administrator has obtained certifications from the trustee and custodian as of and for the year ended December 31, 2010, that the information provided to the plan administrator by the trustee and custodian is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying 2010 financial statements and supplemental schedules taken as a whole. The form and content of the information included in the 2010 financial statements and supplemental schedules, other than that derived from the information certified by the trustee and custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

WOMEN'S APPAREL GROUP, LLC SAVINGS AND RETIREMENT PLAN

NOTES TO FINANCIAL STATEMENTS

Note 1 - Description of the Plan

The following description of the Women's Apparel Group, LLC Savings and Retirement Plan (the "Plan") is provided for general information purposes only. Participants should refer to the Plan documents for a more complete description of the Plan's provisions.

General

The Plan is a prototype defined contribution plan covering certain employees not covered by the collective bargaining agreement of Women's Apparel Group, LLC ("the Employer") who are age 21 or older and have completed 90 days of service ("Participants"). Employees may enter the Plan immediately upon meeting the 90 day service requirement. Prudential Bank & Trust, F.S.B. is the trustee of the Plan and Prudential Retirement Insurance and Annuity Company ("PRIAC"), is the custodian of the guaranteed income fund and pooled separate account. The Employer is the Plan's administrator. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). All investments are participant-directed.

Bankruptcy Filing

On June 29, 2011, an involuntary petition was filed against the Employer under Chapter 7 of the United States Bankruptcy Code (the "Bankruptcy Filing"). The Bankruptcy Filing was subsequently modified to a petition for reorganization under Chapter 11. The Bankruptcy Filing was due to the Employer's continued inability to pay its debts as they became due. Currently, the outcome of this Bankruptcy Filing and its impact on the Plan is unknown.

Subsequent Events

The Plan has evaluated subsequent events through October 13, 2011, the date the financial statements were approved and authorized for issuance by management, and determined that, except as described herein, there have been no subsequent events that would require recognition in the financial statements or disclosure in the notes to the financial statements.

Participant Contributions

Participants may defer between 1% and 50% of their eligible compensation per pay period, as defined by the Plan, up to a dollar limit set by Federal law. Participants who have reached the age of 50 before the end of the Plan year are eligible to make catch-up contributions. In addition, Participants may also contribute amounts representing distributions from other qualified plans ("Rollovers").

Employer Contributions

Matching Contributions

The Employer, at its discretion, may elect to make a matching contribution in an amount equal to 100% of the first 3% of eligible compensation per pay period. A Participant is entitled to Employer matching contributions once enrolled in the Plan, making deferral contributions, and completed one year of service or worked 1,000 hours during the Plan year. For the year ended December 31, 2010, the Employer elected not to make a matching contribution.

Note 1 - Description of the Plan (Continued)

Employer Contributions (Continued)

Discretionary Non-elective Employer Contributions
The Employer, at its discretion, may make discretionary non-elective contributions to the Plan. Any discretionary non-elective contribution is allocated to each Participant in the ratio that each active Participant's compensation bears to the total compensation paid to all eligible active Participants for the plan year. To be eligible, Participants must make deferral contributions, and complete one year of service or work 1,000 hours during the plan year, and be employed by the Employer on the last day of the plan year. For the year ended December 31, 2010 the Employer elected not to make a discretionary non-elective contribution.

Participant Accounts
Each Participant's account is credited with the Participant's contributions, the respective Employer contribution, an allocation of the Plan's investment earnings, and is charged with an allocation of certain expenses. The benefit to which a Participant is entitled is the benefit that can be provided from the Participant's vested account.

Vesting
Participants are immediately vested in their voluntary and rollover contributions. Participants start vesting in the employer discretionary matching contribution and non-elective discretionary contributions after two years of service and become fully vested after six years of service. A Participant becomes fully vested in all of their accounts upon death, disability or reaching the age of 65 while employed by the Employer.

Payment of Benefits
Upon termination of service due to death, disability, voluntary termination, or retirement, a Participant or beneficiary may elect to receive either a lump-sum distribution or installment payments in an amount equal to the value of the Participant's vested interest in his or her account. The payment can either be a cash distribution to the Participant or a tax free rollover to an individual retirement account or another qualified plan. If a Participant's vested account is more than $1,000 but less than $5,000, the Plan administrator, after notification, may distribute the benefit into an individual retirement account. If the vested account balance is less than $1,000, the Plan administrator, after notification, may distribute the account balance to the Participant.

In-service withdrawals from the Participant's elective accounts are permitted upon reaching age 59 1/2. In-service withdrawals are also permitted from the Participant's vested employer matching contributions and discretionary non-elective contributions after 60 months of participation in the Plan. Hardship distributions are also permitted from the Participant's vested account balance (after exhausting all other financial resources) if certain criteria are met. Deferrals must be suspended for six months after receipt of a hardship distribution.

Note 1 - Description of the Plan (Continued)

Forfeitures
Forfeited non-vested amounts are retained in the Plan and may be used to reduce future Employer contributions and Plan expenses. At December 31, 2010 and 2009, unused forfeitures totaled $10,470 and $7,222, respectively. For the year ended December 31, 2010, $16,100 of forfeitures were used to reduce Plan expenses.

Notes Receivable from Participants
Participants may borrow from their accounts up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. Loan terms range from one to five years (or up to ten years for the purchase of a primary residence). Loans are secured by the vested balance in the Participant's account and bear interest at a fixed rate commensurate with local prevailing rates. Principal and interest are paid ratably through payroll deductions. Upon a Participant's termination of employment from the Employer, if the outstanding principal balance is not immediately paid, it will be offset against the Participant's vested account balance prior to distribution. The interest rates for outstanding loans range from 4.25% to 9.25% at December 31, 2010.

Plan Expenses
Participants accounts are charged directly for administrative expenses of the Plan. The Employer, at its discretion, may pay all other expenses of the Plan.

Plan Administration
The Employer is the plan administrator and has the authority to appoint person(s) or entities to carry out the operation of the Plan.

Note 2 - Summary of Significant Accounting Policies

Basis of Accounting
The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of Estimates
The preparation of financial statements in conformity with U.S. GAAP requires Plan management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could vary from the estimates that were used.

Investments, Investment Valuation and Income
Investments are stated at fair value. See Note 4 for a discussion of fair value measurements utilized by the Plan.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year. Dividends are recorded on the ex-dividend date.

Note 2 - Summary of Significant Accounting Policies (Continued)

Investments, Investment Valuation and Income (Continued)
Under U.S. GAAP, investment contracts held by a defined contribution plan are required to be reported at fair value. However, contract value is the relevant measurement attribute for that portion of the net assets available for benefits of a defined contribution plan attributable to fully benefit-responsive investment contracts because contract value is the amount Participants would receive if they were to initiate permitted transactions under the terms of the Plan. The Plan invests in fully benefit-responsive investment contracts with PRIAC. The guaranteed income fund is considered a general evergreen group annuity product with guarantees backed by the full faith and credit of PRIAC. Interest is credited to the guaranteed income fund on a daily basis which is based on the daily equivalent of the annual effective crediting rate, which is applicable on such balances. The guaranteed income fund is presented at cost plus accrued interest. As of December 31, 2010 and 2009, the difference between fair value and contract value of the Plan's guaranteed income fund units is immaterial and, accordingly, no adjustment has been recorded.

Payments of Benefits
Benefits are recorded during the period in which they are paid.

Note 3 - Investments (Unaudited)

The Plan offers investment choices to allow Participants to create a diversified portfolio of assets based on the Participant's risk tolerance. Participants may direct contributions to any of ten mutual funds, the guaranteed income fund, and the pooled separate account as investment options.

The plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the DOL's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the plan administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the following information certified by Prudential Bank & Trust, F.S.B. and PRIAC, except for comparing such information to information included in the Plan's financial statements and supplemental schedules.

Note 3 - Investments (Unaudited) (Continued)

The following table presents the fair value of the participant-directed investments in the Plan that were certified by Prudential Bank & Trust, F.S.B. and PRIAC as complete and accurate. Single investments representing more than 5% of the Plan's net assets are separately identified as of December 31:

	2010	2009
Investments at fair value:		
BlackRock Equity Dividend R	**$ 1,126,830**	$ 996,999
Guaranteed income fund	**968,150**	906,778
American Funds Growth Funds of America R3	**959,571**	840,529
American Funds EuroPacific Growth R3	**697,197**	655,472
PIMCO Total Return Fund A	**632,009**	555,448
Alger Mid Cap Growth Institutional I	**571,036**	513,170
Allianz NFJ Small Cap Value A	**408,771**	341,893
Other investments under 5%	**392,535**	290,130
Total investments at fair value	**$ 5,756,099**	$ 5,100,419

Prudential Bank & Trust, F.S.B. and PRIAC also certified to the completeness and accuracy of (1) $527,486 of appreciation in the value of investments and $88,015 of interest and dividends for the year ended December 31, 2010, and (2) the information in the supplemental schedule, Form 5500 – Schedule H, Part IV, Line 4(i) Schedule of Assets (Held at End of Year).

The Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $527,486 as follows for the year ended December 31, 2010:

Pooled separate account	$ 24,073
Mutual funds	503,413
Total	$ 527,486

Note 4 - Fair Value Measurements

Under generally accepted accounting principles, a framework for measuring fair values has been established to clarify the definition of those fair values and expand disclosures about assets and liabilities measured at fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy described under generally accepted accounting principles are as follows:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Note 4 - Fair Value Measurements (Continued)

Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets or liabilities in inactive markets; inputs other than quoted prices that are observable for the asset or liability; and inputs that are derived principally from or corroborated by observable market data by correlation or other means.

Level 3: Inputs to the valuation methodology are unobservable and significant to fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following is a description of the valuation methodologies used for assets measured at fair value.

Mutual funds: Valued at the net asset value (NAV) of shares held by the plan at year end.

Pooled separate account: Valued at the net unit value (NUV) of units held by the plan at year end.

Guaranteed income fund: Valued at contract value which approximates fair value.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following tables sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2010 and 2009:

Assets at Fair Value as of December 31, 2010

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,599,310	$ -	$ -	$ 4,599,310
Guaranteed income fund	-	-	968,150	968,150
Pooled separate accounts	-	188,639	-	188,639
Total assets at fair value	$ 4,599,310	$ 188,639	$ 968,150	$ 5,756,099

Note 4 - Fair Value Measurements (Continued)

Assets at Fair Value as of December 31, 2009

	Level 1	Level 2	Level 3	Total
Mutual funds	$ 4,022,297	$ -	$ -	$ 4,022,297
Guaranteed income fund	-	906,778	-	906,778
Pooled separate accounts	-	171,344	-	171,344
Total assets at fair value	$ 4,022,297	$ 1,078,122	$ -	$ 5,100,419

The following table sets forth a summary of changes in the fair value of the Plan's level 3 assets for the year ended December 31, 2010.

	Guaranteed Income Fund
Balance, beginning of year	$ -
Transfer out of Level 2 into Level 3	906,778
Purchases, sales, issuances, and settlements, net	61,372
Balance, end of year	$ 968,150

For the year ended December 31, 2010, there were transfers of $906,778 out of level 2 and into level 3 due to a change in the applicable level of the fair value hierarchy for the guaranteed investment fund.

Note 5 - Contracts Held with Insurance Company

Under the fully benefit responsive investment contract with PRIAC, interest is credited on the contract balance using the single portfolio rate approach. Under this methodology, a single interest crediting rate is applied to all contributions made during the period regardless of the timing of these contributions. Interest rates are reviewed and reset semi-annually. The minimum interest crediting rate is 1.5%. The average yield for the year ended December 31, 2010 is as follows:

	2010
Average yield earned by the Plan	**2.85%**
Average yield credited to Participants	**2.85%**

Note 6 - Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the Participants' account balances and the amounts reported in the statement of net assets available for benefits

Note 7 - Party-In-Interest Transactions

The Plan investments include funds that are managed by Prudential Bank & Trust, F.S.B. the trustee, and PRIAC wholly owned subsidiaries of Prudential Retirement. Transactions with these entities qualify as exempt party-in-interest transactions. Administrative fees of $49,122 were paid to Prudential Bank & Trust, F.S.B. for the year ended December 31, 2010. Notes receivable from participants qualify as exempt party-in-interest transactions as defined by ERISA.

Note 8 - Plan Termination

Although it has not expressed any intent to do so, the Employer has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA.

Note 9 - Delinquent Participant Contributions

During 2010 certain employee contributions and loan repayments were not transferred to the Plan from the Employer on a timely basis. Under ERISA, such delinquent contributions are considered prohibited transactions that are reported on Schedule H of the Form 5500.

Note 10 - Tax Status

The Internal Revenue Service issued a favorable opinion letter on May 11, 2004 which states that the nonstandardized prototype plan and its underlying trust qualify under Section 401(a) of the Code and therefore, are exempt from federal income taxes under Section 501(a). The Plan has been amended since receiving the letter; however the plan administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Code and that the Plan is qualified and the related trust is tax-exempt as of the financial statement dates.

U.S. GAAP requires plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained up on examination by the taxing authorities. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions and currently the 2009 tax year is under audit by the Internal Revenue Service. The outcome of this audit is currently unknown.

Note 10 - Tax Status (Continued)

The plan administrator believes it is no longer subject to income tax examinations for years prior to 2007.
