REPORT OF INDEPENDENT AUDITORS'

To the Board of Directors
Atlantic Development and Capital
Summersville, West Virginia

We have audited the accompanying statements of net assets available for benefits of King Coal Employee Savings Plan (the Plan) as of December 31, 2010 and 2009, and the related statement of changes in net assets available for benefits for the period ended December 31, 2010. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plan as of December 31, 2010 and 2009, and the changes in net assets available for benefits for the period ended December 31, 2010 in conformity with accounting principles generally accepted in the United States of America.

Our audit of the Plan's financial statements, as of and for the year ended December 31, 2010, was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary schedules as listed in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements but are supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. These supplemental schedules are the responsibility of the Plan's management. The supplemental schedules have been subjected to the auditing procedures applied in the audit of the basic financial statements for the year ended December 31, 2010 and in our opinion, are fairly stated in all material respects in relation to the basic financial statements as a whole.

NOTE 1 - DESCRIPTION OF PLAN

The following brief description of the King Coal Employee Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

GENERAL - The Plan is a defined contribution plan, subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. The Plan provides retirement benefits to qualifying employees of Atlantic Development & Capital, Atlantic Leaseco and Maple Coal Company. The Plan was established effective as of January 1, 2006. Effective January 1, 2009, the Plan was amended, and restated.

Participants may elect to contribute their entire compensation, as defined by the Plan, subject to certain limitations under the Internal Revenue Code (IRC). The Plan has no service requirement. However, the maximum amount of a safe harbor matching contribution is equal to 100% of elective deferrals not exceeding 6%.

PLAN MERGER - In November 2009 the management of Atlantic Development and Capital approved the merger of this plan into the 401k Safe, LLC Multiple Employer 401(k) Plan ("Multiple Employer Plan"), effective January 1, 2010. As a result, all investments were converted to cash at December 31, 2009 and transferred from the Plan into the Multiple Employer Plan on January 5, 2010 with the exception of certain receivables which were remitted to the Multiple Employer Plan in 2011.

PARTICIPANT ACCOUNTS - An individual account has been established for each participant into which employee contributions, employer matching contributions and investment earnings are accumulated. The Plan is participant-directed; therefore, the participant's investment earnings are determined by the employee's individual investment decisions.

VESTING - All participants are 100% vested in their individual account balance.

DISTRIBUTIONS - In accordance with the Plan agreement, distribution of benefits upon the retirement, death, disability or termination of a participant, when requested, shall be made in the form of a lump-sum cash payment. In addition, hardship and other distributions are permitted if certain criteria are met.

PARTICIPANT LOANS - Participants are not permitted to take loans from their accounts.

NOTE 1 - DESCRIPTION OF PLAN (Continued)

INVESTMENT OPTIONS - The Plan offers numerous investment fund options to Plan participants. Participants can choose from a variety of John Hancock USA pooled separate accounts offered through John Hancock USA. Participants can also choose a fixed income investment with a guaranteed rate of return.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

BASIS OF ACCOUNTING - The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

USE OF ESTIMATES - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

INVESTMENT VALUATION - The Plan's investments are stated at fair value. All plan assets, except for certain receivables, were transferred to the multiple employer plan on January 5, 2010.

BENEFIT PAYMENTS - Benefit payments are recognized when paid.

ADMINISTRATIVE EXPENSES - All expenses incurred in the administration of the Plan are paid for by the Employer unless charged against the Fund.

SUBSEQUENT EVENTS - The plan has evaluated subsequent events through October 13, 2011, the date the financial statements were available to be issued.

NOTE 3 - RELATED-PARTY TRANSACTIONS

The Plan Sponsor performs various administrative functions at no cost to the Plan.

On December 31, 2009, all investments were liquidated and held as non-interest bearing cash by John Hancock USA, the plan custodian, until they were transferred into the Multiple Employer Plan on January 5, 2010.

NOTE 4 - TAX STATUS

The Internal Revenue Service has determined and informed the Plan administrator by a letter dated March 31, 2008, that the prototype plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the plan has been amended since receiving the determination letter, the plan administrator and the plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. The plan opinion letter has been relied upon by this plan.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The plan administrator has analyzed the tax positions taken by the plan, and has concluded that as of December 31, 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2007.
