We were engaged to audit the financial statements of EMT Residential 401(k) Investment Plan (the "Plan") as of December 31, 2010 and 2009, and the related statement of changes in net assets available for benefits for the year ended December 31, 2010 and the supplemental Schedule H, Line 4i – Schedule of Assets (Held at End of Year), as of December 31, 2010. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by the Charles Schwab Trust Company, (the "Custodian"), except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the Custodian holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the Custodian as of December 31, 2010 and 2009 and for the year ended December 31, 2010, that the information provided to the Plan administrator by the Custodian is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the Custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF THE PLAN

The following description of the EMT Residential 401(k) Investment Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering all full-time employees of EMT Residential (the "Company") who have one-half year of service and are age twenty-one and older. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Each year, participants may contribute up to 100% of pretax annual compensation, as defined in the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. The maximum contribution allowed for 2010 was $16,500. Participants over age 50 can defer an additional amount in excess of the dollar limit in the Code. For the 2010 plan year, the maximum catch-up contribution was $5,500. Participants direct the investment of their contributions into various investment options made available by the Plan. The Plan currently offers various mutual funds as investment options for participants. The Company contributes 50% of the first 6% of base compensation that a participant contributes to the Plan. Contributions are subject to certain limitations.

Participant Accounts

Each participant’s account is credited with the participant’s contribution and allocations of (a) the Company’s contribution and, (b) Plan earning, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant’s vested account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company’s contribution portion of their accounts plus actual earnings thereon is based on years of continuous service. A participant is 100% vested after six years of credited service.

1. DESCRIPTION OF THE PLAN (continued)

Participant Loans

Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their account balance. Loan transactions are treated as a transfer to (from) the investment fund from (to) the participants loan account. The loans are secured by the balance in the participant's account and bear interest of 1% above the prime rate published in *The Wall Street Journal*. The prime rate at December 31, 2010 is 3.25% and the interest charged on the outstanding loans ranges from 4.25% to 9.25%. Principal and interest is paid ratably through semi-monthly payroll deductions.

Payment of Benefits

If a participant's employment ceases as a result of normal retirement, death or disability, the participant or the participant's beneficiaries are entitled to the entire account balance. If a participant terminates for any other reason, the participant is entitled to receive only the vested percentage of the account. Benefits to which a participant is entitled under the Plan will be distributed in a lump sum, either as a cash payment or as a rollover to another retirement plan or in certain cases the participant can continue in the Plan with no further contributions made on their behalf.

Forfeited Accounts

Forfeited accounts are used to reduce Plan administrative expenses and the remainder to reduce employer contributions. For the year ended December 31, 2010, forfeited non-vested accounts totaled $12,330.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Investment Valuation and Income and Loss Recognition

The Plan's assets are stated at fair value. Fair value is the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation or depreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Adoption of New Accounting Pronouncement

In January 2010, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") ASU No. 2010-25, "Plan Accounting – Defined Contribution Pension Plans" ("ASU 2010-25"), which requires disclosure and measurement changes related to participant loans. For reporting purposes, participant loans shall be classified as notes receivable from participants and are no longer subject to fair value measurement disclosure requirements. In addition, notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. The Plan adopted the amendments in ASU 2010-25 effective January 1, 2010, and retroactively applied the amendments throughout the Plan's financial statements.

Plan Administrative Expenses

Certain administrative expenses are paid by the Company and accordingly are not reflected in the accompanying financial statements of the Plan. Certain transaction processing fees are charged to the participants and therefore, are reflected in the accompanying statement of changes in net assets available for benefits as administrative expenses.

Payment of Benefits

Benefits paid to participants are recorded when paid.

Subsequent Events

Management has evaluated subsequent events through October 7, 2011, which is the date the financial statements were available for issuance, and noted no events which require adjustments to, or disclosure in the 2010 financial statements.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Reclassifications

Certain prior year amounts have been reclassified to conform to current year presentation.

3. INFORMATION CERTIFIED BY CUSTODIAN

The Plan administrator has elected the method of compliance as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. As of December 31, 2010 and 2009, and for the year ended December 31, 2010, the Charles Schwab Trust Company ("Schwab") held the Plan's investment assets and executed investment transactions.

Accordingly, as permitted under such election the following information as of and for the year ended December 31, 2010 and as of December 31, 2009 was certified by Schwab as complete and accurate and was not subjected to any auditing procedures performed by the independent public accountants:

a) Total investments shown in the accompanying statements of net assets available for benefits of $1,106,869 and $1,151,500 as of December 31, 2010 and 2009, respectively.

b) Net appreciation in fair value of investments of $91,053 as shown in the accompanying statement of changes in net assets available for benefits for the year ended December 31, 2010.

c) Note receivable from participants as shown in the accompanying statements of net assets available for benefits of $55,524 and $50,867 as of December 31, 2010 and 2009, respectively.

d) Interest income on notes receivable from participants as shown in the accompanying statement of changes in net assets available for benefits of $2,498 for the year ended December 31, 2010.

e) All Investment-related information in the accompanying supplemental schedule H, Line 4i – Schedule of Assets (Held at Year End), as of December 31, 2010.

3. INFORMATION CERTIFIED BY CUSTODIAN (continued)

The individual investments that represent 5% or more of the Plan's net assets available for benefits as of December 31, 2010 and 2009 are as follows:

	2010	2009
Schwab Retirement Money Fund	$ 382,849	$ 389,018
CGM Focus Fund	$ 78,535	$ 99,652
AIM Energy Fund	$ *	$ 66,374
FBR Focus Fund	$ *	$ 97,067
Ivy Science & Technology Fund	$ *	$ 65,181
Mathews Asian Growth & Income Fund	$ *	$ 79,925
MFS International Value Fund	$ *	$ 61,052
Morgan Stanley Mid Cap Growth P Fund	$ 92,686	$ *
Pimco Total Return II Admin Fund	$ 119,786	$ *

* Balance represents less than 5% of net assets available for benefits at year end.

4. FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures* ("ASC 820") establishes a framework for measuring fair value. That framework provides for a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under ASC 820 are described as follows:

- Level 1 – Inputs to the valuation methodology are unadjusted quoted market prices for identical assets or liabilities in an active market that the Plan has the ability to access.
- Level 2 – Inputs to the valuation methodology include:
    - Quoted prices for similar assets or liabilities in active markets;
    - Quoted prices for identical or similar assets or liabilities in inactive markets;

4. FAIR VALUE MEASUREMENTS (continued)

- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

- Level 3 – Inputs to the valuation methodology are both unobservable and significant to the overall fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2010 and 2009.

Mutual funds: Valued at the net asset value of shares held by the Plan at year end, as listed on various trading exchanges.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

4. FAIR VALUE MEASUREMENTS (continued)

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2010 and 2009.

5. RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Schwab. Schwab is the custodian as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions, for which a statutory exemption exists. The Plan Sponsor (EMT Residential) is absorbing most of the Plan's administrative costs. The Plan Sponsor paid $7,417 to ADS, the record keeper, as processing fees in 2010.

6. PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100% vested in their accounts.

7. TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated April 29, 2002, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code ("IRC"). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC. Therefore, no provision for income taxes has been included in the Plans, financial statements.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the plan and recognize a tax liability (or asset) if the organization has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2010, there are no liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions and the Plan could be subject to income tax if certain issues were found by the IRS that could result in the disqualification of the Plan's tax-exempt status; however, there are currently no audits for any tax periods in progress.

8. RISKS AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term that such changes could materially affect participants' account balances, and the amounts reported in the statement of net assets available for benefits.
