Independent Auditor's Report

To the Participants and Plan Sponsor of
National Organizers Alliance
Retirement Pension Plan

We were engaged to audit the financial statements of the National Organizers Alliance Retirement Pension Plan as of December 31, 2010 and 2009, and for the year ended December 31, 2010, and the supplemental schedules as of and for the year ended December 31, 2010 as listed in the accompanying table of contents. These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 6, which was certified by Lincoln Financial Group, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained certification from the trustee as of and for the years ended December 31, 2010 and 2009, that the information provided to the plan administrator by the trustee is complete and accurate.

As described in Note 10 to the financial statements, the Board of Directors of National Organizers Alliance, the Plan's sponsor, voted on August 20, 2010 to terminate the Plan. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments in investment contracts are stated from the ongoing plan basis to the liquidation basis for periods after August 20, 2010.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

DECEMBER 31, 2010

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the National Organizers Alliance (NOA) Retirement Pension Plan provides only general information. Participants should refer to the Plan Document for a more complete description of the Plan's provisions.

General

The Plan is a defined contribution plan covering employers who are member organizations of the National Organizers Alliance. Employees of each employer begin participation after attaining age 18 and completing 750 hours of employment, or sooner at the discretion of the participating employer. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

Employers are required to contribute a minimum of five percent of gross salary into the pension fund for each eligible employee. Employees may contribute up to twenty percent of total compensation to the maximum allowable amount by the Internal Revenue Service. Additionally, employers may match employees' contributions to the Plan at an amount determined by each employer. During the year ended December 31, 2009, the requirement to contribute five percent was temporarily waived to accommodate poor economic conditions and employers were permitted to contribute a lower percentage at their discretion.

Participant Accounts

Each participant's account is credited with the participant's contribution, employer's contribution, and plan earnings. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

Participant Loans

Participants may borrow from their fund accounts up to a maximum equal to the lesser of \$50,000 or fifty percent of their account balance. Participant loans range from one to five years, or up to ten years for the purchase of a primary residence. The participant loans are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates, which range from 4.25 percent to 9.25 percent. Principal and interest is paid ratably through payroll deductions.

Vesting

Both participants' and employers' contributions are vested immediately.

NOTE 1 - DESCRIPTION OF THE PLAN (CONTINUED)

Payment of Benefits

Benefits are to be paid in a lump sum or through the purchase of an insurance annuity at the participant's election.

Minimum Funding Requirements

The Plan was subject to minimum funding requirements established by ERISA and the Internal Revenue Service. All employer contributions under Internal Revenue Code Section 412 were paid in 2010. Total contributions of \$928,278 were paid for the year ended December 31, 2010.

Investment Options

Contributions to the Plan are invested by the trustee in shares of Lincoln Financial Group mutual funds or other investments, according to participant instructions. Lincoln Financial Group provides participants with current copies of the prospectus describing each investment option.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Financial Statements

The financial statements of the Plan are prepared on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual amounts could differ from these estimates.

Valuation of Investments

The fair market value of securities listed on a registered stock exchange is determined by the price they were last traded on such exchange preceding the close of business on the valuation date. Any unlisted security is valued at its next bid price following the close of business on the valuation date. The bid price is obtained from a registered broker or an investment banker. If trading or bid prices cannot be obtained, security values are based on appraisals by one or more qualified appraisers. At December 31, 2010 and 2009, the Plan had no unlisted securities.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Notes Receivables from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Interest is accrued as earned on outstanding balances. An allowance for doubtful accounts has been developed based on management's assessment of the credit history of each participant. Management believes all amounts are collectible at December 31, 2010 and 2009.

Payment of Benefits

Benefits are recorded when paid.

Contributions Receivable

Contributions receivable consist of unpaid employer and participant contributions which have been committed to the Plan as of year end. An allowance for doubtful accounts was based on management's assessment of the credit history of participating employers and current relationship with them. Management believes all amounts are collectible at December 31, 2010 and 2009.

NOTE 3 - ADMINISTRATIVE FEES

Administrative fees from the trustee are paid by all participants on an annual basis, for continued participation in the Plan. The trustee will also charge participants small fees for certain transactions, such as the issuance of new loans. Certain administrative fees are paid by the sponsor of the Plan, National Organizers Alliance. Administrative fees consist of consulting, audit and trustee fees and other fees associated with the administration of the Plan. During the year ended December 31, 2010, administrative expenses of \$64,486 were paid by the Plan Sponsor.

NOTE 4 - INCOME TAX STATUS

The Internal Revenue Service has determined that the Plan is qualified under Sections 401(a) and (k) of the Internal Revenue Code, and the related trust is exempt from federal income taxes under Section 501(a). The Plan has been amended since receiving the determination letter; however, the plan administrator and the plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

Uncertainty in Income Taxes

The Plan adopted FASB ASC 740, which presented a comprehensive model for how an entity should measure, recognize, present and disclose in its financial statements uncertain tax positions that the Plan has taken or expects to take on a tax return as of January 1, 2009. Under this standard, the Plan recognizes the tax benefits from uncertain tax positions only if it is more likely than not that the tax position will be sustained on examination by the taxing authorities, based on the technical merits of the position. The tax benefits recognized in the financial statements from such

position are measured based on the largest benefit that has a greater than 50 percent likelihood of being realized upon ultimate settlement. For the years ended December 31, 2010 and 2009, the Plan has documented its consideration of FASB ASC 740-10 and determined that no material uncertain positions qualify for either recognition or disclosure in the financial statements. The Plan's income tax filings are subject to audit by the IRS, U.S. Department of Labor, and State of Maryland. The Plan's open audit periods are 2007-2010.

NOTE 5 - TRUSTEE'S CERTIFICATION

Lincoln Financial Group, the Plan trustee, issued a Trustee Letter and Certification Statement certifying the investment assets, transactions, and income, and the schedules of investments and reportable transactions for the years ended December 31, 2010 and 2009.

NOTE 6 - INVESTMENTS

Investments that represent five percent or more of net assets available for benefits are identified below. Investments are stated at current quoted market values.

	<u>2010</u>	<u>2009</u>
Lincoln National Life Insurance Company – Short Term Fund	\$ 5,208,845	\$ 5,852,220
Lincoln National Life Insurance Company – LVIP DEL Social Awareness	735,667	664,607

During 2010, the Plan's instruments (including gains and losses on investments bought and sold, as well as held during the year) appreciated (depreciated) in value as follows:

Insurance Contract	\$ 10,265
Mutual Funds	\$ 831,102

NOTE 7 - INVESTMENT CONTRACT WITH INSURANCE COMPANY

In 2010 and 2009, the Plan entered into a fully benefit-responsive investment contract with Lincoln Financial Group (Lincoln). Lincoln maintains the contributions in a general account. The account is credited with earnings on the underlying investments and charged for participant withdrawals and administrative expenses. The guaranteed investment contract issuer is contractually obligated to repay the principal and a specified interest rate that is guaranteed to the Plan.

NATIONAL ORGANIZERS ALLIANCE RETIREMENT PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

NOTE 7 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Because the guaranteed investment contract is fully benefit responsive, contract value is the relevant measurement attribute for that portion of the net assets in liquidation available for benefits attributable to the guaranteed investment contract. The guaranteed investment contract is presented on the face of the statement of net assets in liquidation available for benefits at contract value, which approximates fair value.

Nature of the Contracts

The Lincoln contract is a group deferred annuity contract that provides for investment options including pooled separate accounts and a Guaranteed Account.

The methodology used to calculate the interest crediting rate for the Guaranteed Account portion of the Lincoln contract is discretionary to Lincoln. The crediting rates are set to be at as least as large as the guaranteed minimum interest rate for a given product, they are communicated to plan sponsors before they go into effect, and are guaranteed for at least a quarter.

Average Yield

The average credited rate for the Lincoln contract is as follows:

2005	3.81%
2006	3.85%
2007	3.81%
2008	3.82%
2009	3.96%
2010	3.71%

Events that Limit the Ability of the Plan to Transact at Contract Value

Market Value Adjustments (MVA) and surrender charges could limit the ability of the plan to initiate/complete a transaction at contract value and result in an adjustment to the net asset value (NAV).

A Market Value Adjustment is a feature of the contract that protects Lincoln and its clients against sudden movements in the bond markets. The purpose of the MVA is not to generate revenue but rather to offset losses caused by being forced to sell assets at a loss. A MVA is only applicable to the Guaranteed Account.

To determine if an MVA applies, the current value of the Barclays Capital US Aggregate Baa Yield-to-Worst Index is compared to the five year average of the same index. If the current value is greater than the five year average, there will be a Market Value Adjustment.

NATIONAL ORGANIZERS ALLIANCE RETIREMENT PENSION PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

NOTE 7 - INVESTMENT CONTRACT WITH INSURANCE COMPANY (CONTINUED)

Events that Limit the Ability of the Plan to Transact at Contract Value (Continued)

An MVA is applied if a shift from the Guaranteed Account exceeds the 12-month limit as outlined in the Lincoln contract. The MVA also applies in the event of a non-bona fide distribution such as a contract or plan termination.

Surrender Charges are a feature of some Lincoln contracts. The surrender charge is the percentage of the withdrawal amount based on the contract year. The surrender charge schedule is included in the group annuity contract.

Events and Circumstances that Would Allow Termination of an Annuity Contract and Settlement at an Amount Different from Contract Value

Lincoln can terminate an annuity contract under the following circumstances:

- Breach of contract – a breach might include:
 - Failure to pay any charges billed.
 - Failure to furnish requested information or other documentation.
 - Misrepresentation of any material information.
- If the Plan ceases to meet the requirements of the appropriate Code sections.
- If after a reasonable amount of time, the account has not grown sufficiently.

Total Investments	\$ <u>11,141,575</u>	\$ <u>---</u>	\$ <u>251,613</u>	\$ <u>11,393,188</u>

Fair values are presented according to a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. No Level 2 inputs were available to the Plan, and Level 3 inputs were only used when Level 1 or Level 2 inputs were not available.

Level 1 – Fair Value Measurements

The fair value of shares of registered investment companies is based on quoted net asset values of the shares held by the Plan at year end.

Level 3 – Fair Value Measurements

The insurance contracts are valued by the Plan trustee and this valuation approximates fair market value under the market approach. The following table provides further details of the Level 3 fair value measurements. All gains or losses (realized and unrealized) are included in net appreciation (depreciation) of other investments.

Total gains or losses (realized and unrealized) in the statement of changes in net assets available for benefits and the statement of changes in net assets in liquidation available for benefits	10,265	8,882
Issuances and settlements (net)	<u>196,436</u>	<u>49,612</u>
Ending balance	\$ <u>458,314</u>	\$ <u>251,613</u>

NOTE 10 - SUBSEQUENT EVENTS

The Plan evaluated subsequent events through the date that the financial statements were available to be issued. The Plan is not aware of any significant events that occurred subsequent to the statement of net assets in liquidation available for benefits date but prior to October 17, 2011 that would have a material impact on the financial statements.

NOTE 11 - TERMINATION PLAN

The Board of Directors of National Organizers Alliance, the Plan's sponsor, voted on August 20, 2010 to terminate the Plan effective December 31, 2011. Final distributions will be made in accordance with ERISA and will be determined based on all participants being 100% vested, and will be made as soon as possible after the termination date. In accordance with generally accepted accounting principles, the Plan has changed its basis of accounting used to value plan assets from the ongoing plan basis to the liquidation basis for periods after August 20, 2010.
