on Financial Statements

Trustees and Administrative Committee
Cooper & Company, Inc. 401(k) Plan
Cincinnati, Ohio

We were engaged to audit the statements of net assets available for benefits of Cooper & Company, Inc. 401(k) Plan ("the Plan") as of December 31, 2010 and 2009 and the statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based upon our audits.

Except as described in the next paragraph, we conducted our audits in accordance with United States generally accepted auditing standards ("U.S. GAAS"). Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As permitted by Regulation 2520.103-8 of the U.S. Department of Labor's ("DOL") Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 ("ERISA"), and as instructed by the Plan administrator, we did not perform any auditing procedures with respect to the information summarized in Note 2, which was certified by the Plan's trustee bank or other custodial financial institution, except for comparing the information with the related information included in the financial statements. We have been informed by the Plan administrator and management that the trustee bank holds the Plan's investment assets and executes its investment transactions. The Plan administrator has obtained a certification from the trustee bank as of and for the years ended December 31, 2010 and 2009, that the information provided by the trustee bank is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the financial statements for 2010 and 2009. The form and content of the Plan information included in the accompanying financial statements, other than that derived from the information certified by the trustee bank, has been audited by us in accordance with U.S. GAAS, and, in our opinion, is presented in compliance with the DOL's Rules and Regulations for Reporting and Disclosure under ERISA.

COOPER & COMPANY, INC. 401(k) PLAN

NOTES TO FINANCIAL STATEMENTS

(1) Summary of Significant Accounting Policies

Description of the Plan

The following description of the Cooper & Company, Inc. 401(k) Plan (“the Plan”) provides only general information. Readers of this report should refer to the Plan’s Adoption Agreement and Summary Plan Description for a more complete description of the Plan’s provisions.

The Plan uses Automated Data Processing Company (“ADP”) of Florham Park, New Jersey to maintain and administer the retirement plan, including accounting for participant accounts and balances. The Plan also uses State Street Bank and Trust, North Quincy, Massachusetts as its trustee bank to hold assets in trust for the benefit of Plan participants.

The Plan is a defined contribution plan covering Cooper & Company, Inc. (“the Company”) employees that are at least age 21 and have completed a minimum of 1,000 hours of service during a 12 month period. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (“ERISA”). Participation in the Plan is voluntary.

- Employee Contributions - Participants may contribute up to 15% of pre-tax compensation, as defined in the Plan and subject to annual ERISA limits. Participants who are at least age 50 during the year are eligible to make additional “catch-up” contributions, as permitted by law. Participants may also contribute amounts representing distributions from other tax qualified retirement plans (“rollovers”). Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers a variety of mutual funds from several investment companies that are held in trust by State Street Bank and Trust.
- Employer Contributions – The Company may, at its sole discretion, make matching contributions at a chosen percentage of employee contributions. The Company did not make a discretionary contribution for 2010 or 2009. Employees must participate in and contribute to the Plan in order to receive any employer contributions. Contributions are subject to certain annual limitations pursuant to law.
- Vesting - Participants are immediately vested in compensation deferrals (their own contributions) plus actual earnings thereon. Amounts contributed by the Company are subject to a vesting schedule based on years of continuous service, with participants being 100% vested after six years of credited service.
- Participant Accounts - Each participant’s account is credited with the participant’s contributions and allocations of any Company contributions plus (minus) any investment earnings (losses) and minus an allocation of administrative costs, if any. The benefit to which a participant is entitled is the balance of Plan assets attributable to his or her vested account.

- Participant Loans and Hardship Withdrawals - Participants may borrow from their accounts as permitted by the Plan. Loans are secured by the balance in the participant's account with interest accrued pursuant to the Plan. Certain hardship withdrawals are also permitted under the Plan and as allowed by law.
- Benefit Payments – Upon termination of employment or due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the participant's vested account balance, or periodic installments as permitted by the Plan.

Income Taxes

The Plan, itself, does not pay any income taxes. Accordingly, no provision for income taxes is made in the accompanying financial statements and schedules.

The Internal Revenue Service ("IRS") has informed the Company, through ADP, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code. The Company believes the Plan, as amended, continues to be in compliance with applicable requirements of the IRS and the U.S. Department of Labor ("DOL").

Participants are responsible for payment of their respective individual income taxes, if any, on distributions or other withdrawals from the Plan. Under certain circumstances the Plan withholds income taxes from participant distributions and remits amounts withheld to the IRS on behalf of respective participants.

Financial Statement Presentation

The Plan's financial statements and schedules have been prepared using the accrual basis of accounting pursuant to United States generally accepted accounting principles ("U.S. GAAP"), except that benefit payments are recorded when paid and are not accrued.

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash equivalent balances include all highly liquid investments such as checking, commercial paper, and savings accounts with an original maturity of three months or less. Cash balances are generally held for short time periods until invested according to the direction(s) of the participant(s). See Note 6.

Cash balances maintained in banks are insured by the Federal Deposit Insurance Corporation (“FDIC”). The FDIC limit is generally up to \$250,000 (recently permanently changed to \$250,000 from \$100,000). The Company has not experienced any losses in its cash accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

The Plan has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash and cash equivalents.

Investments and Investment Earnings (Losses)

U.S. GAAP requires that investments be reported at fair value (fair market value) utilizing the accounting rules governing *Fair Value Measurements and Disclosures*. Fair value is defined as the price that would be received to sell an asset or transfer a liability in an orderly transaction between market participants using “fair value hierarchy”.

Fair value hierarchy:

- Level 1 – observable quoted prices in liquid active markets for the *identical* assets or liabilities
- Level 2 – observable quoted prices in liquid active markets for *similar* assets or liabilities; observable quoted prices in *non-active* markets; other observable market data corroboration
- Level 3 – unobservable data – little or no market activity

Plan assets are maintained in various publicly-traded mutual funds including those of Goldman Sachs, Davis Financial and State Street Bank and Trust. Mutual funds are not insured by the FDIC and may lose value. Other than depreciation in market values of the investments, the Plan has not experienced losses in its investment accounts and believes it is not adversely affected by significantly greater investment risks than experienced by the market as a whole. See Note 6.

Participant Loans Receivable

Participant loans are valued at their outstanding balances, which approximate fair market value.

Benefit Payments

Benefits are recorded when paid, which is not in accordance with U.S. GAAP, but which is permitted by applicable DOL regulations.

Administrative Expenses

Administrative expenses associated with the Plan are paid for by Cooper & Company, the Plan sponsor, and are not included in the accompanying financial statements.

Forfeited Accounts

Forfeitures for terminated employee participants and forfeitures on withdrawn amounts are reallocated to the remaining participant accounts. Forfeitures totaled \$0 and \$0 during 2010 and 2009, respectively.

(2) **Investments**

(3) **Participant Loans Receivable**

Participants may borrow up to 50% of their vested account balance subject to a maximum loan of \$50,000 calculated pursuant to the Plan's adoption agreement. Loans must be fully repaid through payroll deductions within 5 years unless the loan is used for purchase of a primary home, in which case the repayment period is 30 years. Loans receivable bear interest at prime plus 2% and are secured by the account balance.

Details on participant loans are as follows as of each year end:

	2010	2009
Total loans receivable, beginning of year	\$ 23,509	\$ 44,739
New loans issued during the year	26,949	24,524

Loan repayments during the year	(18,417)	(48,929)
Total loans receivable, end of year	<u>\$ 33,722</u>	<u>\$ 23,509</u>

(4) **Plan Termination**

The Company, as Plan Sponsor, has the right under the Plan to discontinue its contributions at any time and/or to terminate the Plan subject to ERISA laws and regulations. The Company, at the present time, has not indicated any intent to exercise its termination right. In the event of Plan termination, participants would immediately become 100% vested in their employer contributions.

(5) **Reconciliation of Financial Statements to Schedule H of Form 5500**

(6) **Risks and Uncertainties**

As directed by its participants, the Plan holds various investment securities. Investment securities are exposed to various risks such as interest rate, market and credit risks, as well as risks to the broader economy. They are not insured by or protected by the FDIC. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statement of Net Assets Available for Benefits. Participant account balances are subject to both appreciation and depreciation in the near term and the long-term.

(7) **Subsequent Events**

No subsequent events have occurred since the date of the statement of financial position. Management has evaluated its subsequent events through September 8, 2011, the date the financial statements were available to be issued.

(8) **Uncertain Tax Positions**

The Financial Accounting Standards Board ("FASB") recently issued Interpretation No. 48, Accounting for Uncertainty in Income Taxes ("FIN 48") which clarifies the accounting and reporting under U.S. GAAP related to uncertain tax positions. In general terms, all entities are required to evaluate uncertain tax positions, if any, related to income taxes and provide certain FIN 48 disclosures.
