Las Vegas, Nevada

We were engaged to audit the financial statements of NAV Elko-RLIC, LLC 401(k) Plan (the "Plan") as of December 31, 2010 and 2009, and for the year ended December 31, 2010, and the supplemental schedule as of and for the year ended December 31, 2010, as listed in the table of contents. These financial statements and schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Ascensus, the recordkeeper of the Plan as agent for Frontier Trust Company and by MG Trust Company, LLC, the trustees of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that Frontier Trust Company held the Plan's investment assets and executed investment transactions from June 21, 2010 to December 31, 2010, and that MG Trust Company, LLC held the Plan's investment assets and executed investment transactions as of December 31, 2009 and for the period January 1, 2010 to June 18, 2010. The plan administrator has obtained certifications from the agent on behalf of the trustee as of and for the year ended December 31, 2010 and from the trustee as of and for the year ended December 31, 2009, that the information provided to the plan administrator by the agent for the trustee and by the trustee is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedule taken as a whole. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NAV ELKO-RLIC, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

NOTE 1 - DESCRIPTION OF PLAN

The following description of the NAV Elko-RLIC, LLC 401(k) Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General Information

The Plan, adopted October 1, 2006, and amended in March 2007, October 2008, May 2009, May 2010 and July 2010, is a defined contribution 401(k) plan sponsored by NAV Elko-RLIC, LLC (the Company). The Plan includes the employees of Nav Elko-GCI, LLC, Nav Elko-HDI, LLC, Nav Elko-RLIC, LLC, Nav Thunderbird, LLC, Navegante Group, Inc. and Navegante Retail, Inc. The plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Eligibility

The Plan covers all eligible employees of the Company, who are at least 18 years of age and have completed six months of eligibility service.

Contributions

Participants may elect to defer a portion of their pretax annual compensation from 1% to 50%, as specified in the Plan or up to a maximum of \$16,500 in 2010, under the Internal Revenue Code Section 401(k). In addition, eligible participants who were at least age 50 by the end of 2010 may make an additional "catch-up" elective deferral contribution up to \$5,500 in 2010. For years after 2010, the maximum contribution is subject to change each year for cost of living changes. Participants may also contribute amounts representing distributions from other qualified plans, as defined in the Plan's provisions as Rollover contributions.

The Company at the discretion of its board of members may elect to make discretionary matching contributions based on a percentage of each participant's deferral contributions to be determined each year by the Company. The Company may also elect to make discretionary profit sharing contributions based on a pro rata allocation of each participant's compensation in relation to the compensation of all participants entitled to profit sharing contributions. These contributions, if any, are vested in accordance with the vesting schedule. Discretionary matching contributions and discretionary profit sharing contributions are subject to certain Internal Revenue Code (IRC) limitations. The Company elected not to make any discretionary matching contributions and discretionary profit sharing contributions for the years ended December 31, 2010 and 2009.

Participant Accounts

Each participant's account is credited with the participant's salary deferral contribution, allocation of the Company's discretionary matching contribution, if any, and Plan earnings, and charged with withdrawals and an allocation of Plan losses and administrative expenses. Allocations are based on participant earnings (losses) or account balances, as defined in the Plan agreement. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

NAV ELKO-RLIC, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

NOTE 1 - DESCRIPTION OF PLAN (continued)

Vesting

Participants are vested immediately in their rollover and salary deferral contributions plus actual earnings thereon. Vesting in the employer discretionary matching contribution and profit sharing contribution portions of their accounts plus actual earnings thereon is based upon continuous service as follows:

<u>Years of Service</u>	<u>Vesting %</u>
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

The Plan requires 1,000 hours of service to constitute a year of vesting service. Regardless of the vesting schedule, a participant becomes 100% vested in the participant's combined account balance when the participant (1) dies, (2) incurs a disability, or (3) qualifies for early retirement. A participant is eligible for early retirement on the later of the participant reaching the age of 55 or completion of 6 years of vesting service.

If a participant terminates prior to being 100% vested, the participant forfeits the balance of his/her combined account that is non-vested at the year-end after he/she received a cash-out distribution or deemed cash-out distribution.

Forfeitures

Forfeitures of non-vested contributions are retained in the Plan and will first be used to pay administrative expenses. Any remaining amounts will be used to reduce employer contributions payable under the Plan. At December 31, 2010 and 2009, the Plan had no forfeitures.

Investments

Participants direct the investment of their contributions and all employer contributions into various investment options offered by the Plan. The Plan currently offers 14 different investment options for participants.

Hardship Withdrawals

In the case of financial hardship, a participant may withdraw any part of his vested account resulting from elective deferral contributions and employer matching contributions. Participants are not prohibited from making contributions after receipt of a hardship distribution. Hardship withdrawals are subject to the 10% nonperiodic income tax withholding rate unless the participant elects out of the withholding.

NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

NOTE 1 - DESCRIPTION OF PLAN (continued)

Payment of Benefits

On termination of service, or upon death, disability, or retirement, a participant with a vested interest of \$1,000 or less will receive a lump-sum amount equal to the value of his or her account. A participant with a vested benefit of more than \$1,000 may elect to take a lump sum payout or complete a rollover into another qualified retirement account. A terminated participant who is eligible for a rollover distribution and whose balance exceeds \$1,000 but does not exceed \$5,000 will be paid in a single lump sum payment as an Involuntary Cash Out.

Participant Loans

Participants may borrow from their account a minimum of \$1,000 up to a maximum of \$50,000 or 50% of their account balance, whichever is lower. Only one loan may be made to an individual in any one-year period, and only one loan may be outstanding at a time. Loan terms range from one to five years. All loans are secured by the participant's vested account balance and bear interest at prime rate plus one percentage point. Principal and interest are collected ratably through payroll deductions.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade dates. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation (depreciation) includes the plan's gains and losses on investments bought and sold as well as held during the year.

Notes Receivable from Participants

Loans to participants are reported at their unpaid principal balances plus any accrued but unpaid interest. Delinquent participant loans are recorded as distributions based on the terms of the Plan document. Participant loans outstanding at December 31, 2010, had interest rates ranging from 4.25% to 9.25%, with maturities through September 2013.

NAV ELKO-RLIC, LLC 401(K) PLAN
NOTES TO FINANCIAL STATEMENTS
DECEMBER 31, 2010

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Payment of Benefits

Benefits are recorded when paid. There were no amounts allocated to the accounts of persons who had elected to withdraw from the Plan but had not yet been paid at December 31, 2010.

Administrative Expenses

Administrative expenses of the Plan are either paid by the Plan or the Company, as provided in the Plan document. The Company has elected to absorb the administrative expenses of the Plan. Loan fees are charged against the borrowers' accounts. Administrative expenses paid by the Company were \$16,093 for the year ended December 31, 2010.

Risks and Uncertainties

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect the amounts reported in the accompanying statements of net assets available for benefits, statement of changes in net assets available for benefits and participants' account balances.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Recent Accounting Pronouncement

In September 2010, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2010-25, *Reporting Loans to Participants by Defined Contribution Pension Plans*. ASU No. 2010-25 requires participant loans to be classified as notes receivable from participants and measured at their unpaid principal balance plus any accrued but unpaid interest. Previously, these loans were measured at fair value and classified as plan investments. ASU No. 2010-25 is effective for fiscal years ending after December 15, 2010 and requires reclassification of all periods presented. The Plan adopted this new guidance in its December 31, 2010 financial statements and has reclassified participant loans for the year ended December 31, 2009 from investments to notes receivable from participants to conform to the current year presentation.

Reclassification

Certain reclassifications of prior year amounts have been made to conform to the current year presentation.

NOTE 3 - INFORMATION PREPARED AND CERTIFIED BY THE TRUSTEE

The Plan Administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, as permitted under such election, the Plan Administrator instructed the Plan's independent auditors not to perform any auditing procedures with respect to the information certified by Ascensus, the recordkeeper of the Plan as agent for Frontier Trust Company and by MG Trust Company, LLC, the Trustees of the Plan as of December 31, 2010 and 2009, respectively, except for comparing such information certified by the agent on behalf of the trustee and by the trustee to the related information included in the Plan's financial statements and schedules.

We have been informed by the plan administrator that Frontier Trust Company held the Plan's investment assets and executed investment transactions from June 19, 2010 to December 31, 2010, and that MG Trust Company, LLC held the Plan's investment assets and executed investment transactions as of December 31, 2009 and for the period January 1, 2010 to June 18, 2010. The plan administrator has obtained certifications from the agent on behalf of the trustee as of and for the year ended December 31, 2010 and from the trustee as of and for the year ended December 31, 2009, that the information provided to the plan administrator by the agent for the trustee and by the trustee is complete and accurate.

NOTE 4 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statements of net assets available for benefits. The methods used to measure fair value may produce an amount that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The fair value measurement accounting literature establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets or liabilities and have the highest priority; Level 2 inputs are observable inputs other than quoted prices within Level 1, either directly or indirectly, such as quoted prices for similar or identical assets or liabilities in active markets or markets that are not active, or inputs that are observable or can be corroborated by observable market data for substantially the full term of assets or liabilities; and Level 3 inputs are unobservable and have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2010 and 2009:

Mutual funds and money market fund: the fair value of these investments is based on quoted net asset values of the shares held by the Plan at year-end. These investments are classified within Level 1 of the fair value hierarchy.

The following tables set forth, by level within the fair value hierarchy, the Plan's investments at fair value as of December 31, 2010 and 2009:
