REPORT OF INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS

To the Plan Administrator
The Suddath Companies and Affiliates
Voluntary Employees' Beneficiary Association Plan and Trust

We were engaged to audit the accompanying statement of benefit obligations and net assets available for benefits of the Suddath Companies and Affiliates Voluntary Employees' Beneficiary Association Plan and Trust (the "Plan") as of December 31, 2010 and 2009 and the related statement of changes in benefit obligations and net assets available for benefits for the year ended December 31, 2010. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2010 and 2009, and the changes in its financial status for the year ended December 31, 2010 in conformity with accounting principles generally accepted in the United States of America.

The accompanying notes are an integral part of these financial statements

1. Description of Plan:

The following description of The Suddath Companies and Affiliates Voluntary Employees' Beneficiary Association Plan and Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan provides health benefits (medical, hospital, surgical, major medical, and dental) and other benefits to all eligible employees of The Suddath Companies and Affiliates (the "Company") and their dependents. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions

The Plan is funded by contributions from the Company and participants. The Plan agreement provides that the Company contribute amounts reasonably required to establish and maintain a fund sufficient to pay all claims and premiums on insurance policies and other operating expenses of the Plan.

Benefits

The Plan provides health and medical benefits covering substantially all full-time employees and eligible dependents, who normally work 30 hours or more per week.

2. Summary of Accounting Policies:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual method of accounting in conformity with accounting principles generally accepted in the United States of America.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts, changes therein and disclosures. Accordingly, actual results may differ from those estimates.

Benefit Obligations

Claims payable consist of health benefit claims approved but not paid as of the end of the year and an estimate of health benefit claims incurred but not reported as of the end of the year. This estimate is determined by management based on the Plan's historical experience and review of health benefit claims settled after year end.

2. Summary of Accounting Policies (Continued):

Risks and Uncertainties

The estimated claims incurred but not reported are based on certain assumptions pertaining to claims experience and claims payment patterns for the Plan, which are subject to change. Due to uncertainties inherent in the estimates and assumption process, it is at least reasonably possible that changes in these estimates and assumptions in the near term would be material to the financial statements.

Administrative Expenses

The Plan's administrative expenses are paid by either the Plan or the Company, as provided by the Plan document. Certain administrative functions are performed by employees of the Company. No such employee receives compensation from the Plan.

Reclassification

Certain prior year amounts have been reclassified to conform to current year presentation.

3. Health Benefit Claims and Expenses:

Health benefit claims and expenses during 2010 consisted of the following:

	2010
Health benefit claims	$ 4,241,389
Administrative fees	1,021,131
Insurance premiums (Stop-Loss)	15,777
Total health benefit claims and expenses	$ 5,278,297

4. Stop-Loss Coverage:

The Plan is exposed to risk of loss from excessive claims. To minimize this risk, the Plan has obtained stop-loss insurance through a third party insurance company. Coverage provisions provide for a specific stop-loss of $100,000 per participant per year.

5. Tax Status:

The Internal Revenue Service has determined and informed the Company by a letter dated April 13, 1989, that the Plan and related trust are designed in accordance with the applicable sections of the Internal Revenue Code. Although the Plan has been amended since receiving the determination letter, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

The Plan qualifies as a tax exempt organization pursuant to section 501(c)(9) of the Internal Revenue Code, voluntary employee's beneficiary association.

6. Concentration of Credit Risk

A various times throughout the year, the Plan had deposits with certain financial institutions in excess of federally insured amounts. The Plan has not experienced any losses on such accounts and management believes that credit risk related to these deposits is minimal.

7. Plan Termination:

Although it has not expressed any intention to do so, the Company has the right to discontinue its contributions at any time and terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, Plan assets are retained by the trust for payment of future benefits.

8. Reconciliation of Financial Statements to the Form 5500:

The following is a reconciliation of net assets available for benefits per the financial statements to the Form 5500 at December 31, 2010 and 2009:

	2010	2009
Net assets available for benefits per the financial statements	$ 2,057,284	$ 2,296,078
Health claims accrued, but not reported	10,000	10,000
Net assets available for benefits per the Form 5500	$ 2,067,284	$ 2,306,078

9. Subsequent Events:

The plan has evaluated the accounting and disclosure requirements for subsequent events through October 13, 2011, the date of this report.
