To Whom It May Concern,

This filing was delayed due to the following difficulties that were experienced with the electronic filing system used when trying to file timely:

- Unreliability of various network connections creating time-out and failed filing attempts.
- Unrecognizable 'schematic' errors preventing a successful e-filing.
- Inordinate number of Warning and Error messages and system failures associated with attachment processes complicating e-filing at all, let alone timely.

I had incorrectly assumed that the form had been properly filed back prior to the filing date, only to find out now that, apparently, the filing never occurred because of the reasons listed above back when the form was initially submitted. I have every intention of complying with reporting and disclosure rules. I believe that the late filing of this Form 5500 is the result of reasonable cause, not willful neglect. Since next year will be the second year of this new procedure, I do not anticipate the same issues in the future and the filings in the future will be timely. I would ask for abatement of the purposed late filing penalty.

Thank you,

Nicole Schmidt
