Attention Plan Administrator:
Enclosed you will find information that may assist in completion of your ERISA Form 5500 Schedule A and Schedule C. Note that the information for both Schedule A and Schedule C is now combined into a single report.

On November 16, 2007, the U.S. Department of Labor, the Department of the Treasury and the Pension Benefit Guaranty Corporation implemented significant changes to the reporting obligations of Plan Administrators. These changes are effective for Plan years beginning on or after January 1, 2009. As a result, we have updated our systems and procedures to capture the additional information required under the expanded reporting obligations and where practical, we have adopted an automated approach to compiling the information you need to complete Form 5500. We have also changed the format of the information and the report in order to provide you with the additional detail required.

We will be providing this information based on the policy period of all insurance policies and/or service agreements.

If this document has reached you in error, please forward to the attention of your Plan Administrator or person or department responsible for completing your company's tax reporting obligations.

If you have any questions, please contact your Broker or Account Manager.
