Board of Directors
Agland Incorporated Employee Benefit Plan
Eaton, Colorado

We have audited the accompanying statements of net assets available for benefits and benefit obligations of Agland Incorporated Employee Benefit Plan (the "Plan") as of April 30, 2011 and 2010, and the related statements of changes in net assets available for benefits and benefit obligations for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets of the Plan as of April 30, 2011 and 2010, and the changes in net assets for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information included in the Schedule of Assets Held for Investment Purposes at End of Year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE 1 - DESCRIPTION OF THE PLAN

The following description of the Agland Incorporated Employee Benefit Plan (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General - The Plan, a welfare benefit plan established January 1, 1985, as restated, provides medical and dental benefits to employees of Agland Inc. (the "Company"). Participation is available to full-time employees who have completed thirty days of service. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, ("ERISA"), as amended.

Benefits – Medical and dental claims are provided primarily from Plan assets except a group insurance contract provides funding for individual claims exceeding a specified level. Effective May 1, 2009 the individual claim limit was raised to $75,000.

Medical and dental benefit payments are processed by a third party contract administrator and funded from the Plans cash account.

Contributions - The Plan is funded for each participant using a funding rate ("premium") determined by the Plan trustees taking into account coverage status (family vs. single) and plan experience. Employees provide 30% of their premium through voluntary salary reductions. The Company provides 70% of participant premiums through monthly contributions to the Plan.

Plan Termination and Amendment - While it has not expressed any intent to do so, the Company has the right under the Plan to modify the benefits provided to active employees, to discontinue its contributions at any time, and to terminate the Plan subject to the provisions set forth in ERISA.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A summary of the significant accounting policies consistently applied in the preparation of the accompanying financial statements follows.

Basis of Accounting - The financial statements of the Plan are using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Valuation of Investments - Investment in savings account is stated at fair value which equals cost.

Equipment - Equipment is stated at cost. Depreciation is computed using the straight-line method over 5 years, the estimated useful lives of the equipment. Depreciation expense of $272 and $543 for 2011 and 2010, respectively, is included in administrative expenses.

Benefits - Plan liabilities for medical and dental claims incurred but not reported are estimated based on a lagging 6 months claims experience using accepted industry formulas. For measurement purposes, a 10% annual rate of increase in the cost of health care benefits was assumed for 2011 and 2010. No provision has been made to estimate the present value of such benefits due to the short time period expected for all benefits to be paid.

Contributions - The Plan's trustees review the Plans funding requirements yearly to determine the appropriate coverage rates and levels for net assets in excess of benefit obligations. For measurement purposes at April 30, 2011, the cost of covered medical care benefits for 2012 is expected to increase by 10%.

It has been the policy of the Trustees to fund the Plan to the maximum level allowed by the Internal Revenue Code ("IRC").

Tax Status - The trust established under the Plan to hold the Plan's assets is qualified pursuant to Section 501 (c) 9 of the Internal Revenue Code, and, accordingly, the trust's net investment income is exempt from income taxes. The Plan has obtained a favorable tax determination letter from the Internal Revenue Service, and the Plan sponsor believes that the Plan, as amended, continues to qualify and to operate as designed.

NOTE 3 - INVESTMENTS

The investments that represent 5% or more of the Plan's net assets follow (recorded value equals fair value):

	2011	2010
Savings accounts	$ 17,850	206,148

Cash in the savings account on April 30, 2011 and 2010 was insured up to $250,000 through combined federal and private insurance.

NOTE 4 - ADMINISTRATIVE FEES

Administrative fees and expenses for years ended April 30, 2011 and 2010 were paid by Agland, Inc. except for miscellaneous fees that were deducted from Plan assets.

NOTE 5 - RECONCILIATION OF FINANCIAL STATEMENTS TO FORM 5500
