To the Trustees of
Key Technology, Inc. Health and Welfare Trust

Independent Auditor's Report

We have audited the accompanying statement of benefit obligations and net assets available for benefits of Key Technology, Inc. Health and Welfare Trust (the "Plan") as of February 28, 2011 and 2010 and the related statement of changes in benefit obligations and net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of February 28, 2011 and 2010 and the changes in its financial status for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Smith Bunday Berman Britton, P.S.
