These financial statements and schedules are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in the Supplemental Schedule of Plan Investments, which was certified by Mutual of Omaha, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the periods ended February 1, 2011 and December 31, 2010, that the information provided to the plan administrator by the trustee is complete and accurate.

As described in Note A to the financial statements, the Board of Directors of Cincinnati Drum Service, Inc. Profit Sharing Plan, the Plan's sponsor, voted on July 16, 2010 to terminate the Plan and merge into another Plan effective February 1, 2011. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which the Plan's assets are stated, from the ongoing plan basis to the liquidation basis for periods after July 16, 2010.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and schedules taken as a whole. The form and content of the information included in the financial statements and schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Security Act of 1974.

NOTE A-DESCRIPTION OF THE PLAN

The following description of the Cincinnati Drum Service, Inc. Profit Sharing Plan (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all active employees of the Company who have one year of service and are age twenty-one or older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. Plan sponsor's contributions are made annually at the plan sponsor's discretion. Forfeitures occurring during the year are added to the plan sponsor's contribution. Forfeitures are reallocated to the employer contributions accounts of the remaining participants. The plan sponsor's contribution and the forfeitures for the plan year are allocated among employee contribution accounts of those participant's entitled to receive allocations in proportion to their compensation. In addition, each participant may elect to defer a percentage of their compensation each year to their account in the Plan. Such deferrals in any year may not exceed dollar limits which are set by law.

Participant Accounts. Each participant's account is credited with the participant's contribution and an allocation of (a) the Company's contribution, (b) Plan earnings, and (c) forfeitures of terminated participants' non-vested accounts and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their voluntary contributions plus actual earnings thereon. Vesting in the Company contributions portion of their accounts plus earnings thereon is based on years of continuous service. A participant is 100% vested after seven years of credited service.

Payment of Benefits. Benefits are payable in a lump sum distribution or periodic installment payments of allocated contributions upon retirement, total disability or payable to the participant's beneficiary upon the participant's death. If the participant terminates employment, he is qualified for partial payment of benefits based on a graded three to seven year service rule.

Merger. On July 16, 2010, the Board of Directors of the Cincinnati Drum Service, Inc. Profit Sharing Plan, the Plan's sponsor, approved the merger of this Plan into the Greif 401(k) Retirement Plan, effective February 1, 2011. As a result, all investments were tranferred from the Plan into the Grief 401(k) Retirement Plan on that date.

NOTE B-SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following are significant accounting policies followed by the Fund:

Date of Management's Review

Subsequent events were evaluated through December 19, 2011, which is the date the financial statements were available to be issued.

Basis of Accounting

The accounting records of the Plan are maintained on the accrual basis of accounting. Investments are stated at fair value. Since there was a merger/ termination of the Plan, the assets at December 31, 2010 end were valued on the liquidation basis.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

Investments are valued based upon quoted market prices. All Plan assets were tranferred to the Greif 401(k) Retirement Plan before the close of business on February 1, 2011.

Payment of Benefits

Benefits are recorded when paid.

NOTE C-INCOME TAX STATUS

The Internal Revenue Service has determined and informed the Company by a letter dated August 7, 2001 that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the Plan is designed in compliance with the applicable requirements of the IRC.
