NOTES TO FINANCIAL STATEMENTS

1. Description of Plan

The following description of the Flextronics Software Systems L 401(k) Profit Sharing Plan & Trust (the “Plan”) provides only general information. Interested parties should refer to the Plan agreement for a more complete description of the Plan.

During the month ended January 31, 2008 all of the Plan’s assets were transferred to the Aricent US Inc. 401(k) Profit Sharing Plan. The Plan is holding no assets as of January 31, 2008 and is no longer functioning as a 401(k) Profit Sharing Plan.

General

The Plan is a defined contribution plan of the profit sharing type that was established on April 1, 2004 and most recently amended and restated on April 4, 2007 by Aricent Technologies Holdings (the “Company” and “Sponsor”) to provide benefits to eligible employees, as defined in the Plan document. All fulltime employees who are age 21 or older are immediately eligible to participate in the Plan. Certain classes of employees are excluded from the Plan as defined by the Plan document. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA) and certain provisions of the Internal Revenue Code (IRC).

Plan Administration

The Company is the administrator of the Plan. As administrator, the Company has exclusive authority and responsibility for all matters in connection with the operation and administration of the Plan (including the authority and responsibility to invest, manage, and control the assets of the Plan specifically allocated to the custodian). Legg Mason acts as the custodian for the Plan’s assets. The Company paid the majority of all necessary and proper expenses incurred in the administration of the Plan. Such expenses are primarily comprised of legal fees, auditing fees, and expenses relating to the maintenance of the Plan's records.

Contributions

Employees who elect to participate in the Plan may contribute a portion of their salary up to the limits imposed by Section 402(g) of the IRC. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Sponsor may make matching contributions and/or profit sharing contributions at its discretion. There were no employer contributions during 2008.

Participant Accounts

Each participant’s account is credited with the participant’s contributions, an allocation of the Company’s contribution and Plan earnings or losses. Plan earnings or losses are allocated based upon each participant’s account balance. Certain fees are charged to the funds and are offset against Plan investment income and loss as presented on the statement of changes in net assets available for benefits. Participants should refer to the prospectuses of these funds for details on the various types and amounts of investment fees charged to the Plan and their individual accounts.

NOTES TO FINANCIAL STATEMENTS

1. Description of Plan, continued

Vesting

Participant contributions, employer contributions, rollovers, and net earnings on these contributions are fully vested when made or earned.

Participant Loans

Participants are allowed one loan at any time and may borrow from their fund accounts an amount equal to the lesser of 1) \$50,000 subjected to certain Plan limitations or 2) one-half of the vested interests of the participant's account. All loans are to be adequately secured. The interest rate on loans is defined by the Plan Sponsor. The repayment of principal plus interest is generally required by the Plan to be made within five years (a period in excess of five years is allowed if proceeds are used to purchase a principal residence). Principal and interest are paid ratably through regular payroll deductions. Upon termination of employment of the participant, prior to receipt of distribution, the outstanding loan balance is immediately due and payable.

Payment of Benefits

When participants leave the employer upon retirement (age 59½) or for any other reason, those participants (or their beneficiaries) may receive the full value of their salary deferrals, rollovers, and the net earnings thereon in a single lump-sum amount.

In order to receive distributions, participants (or their beneficiaries) are required to file the appropriate forms with the Plan administrator. Account values will be determined as of the day the distribution is made.

Distributions under the Plan shall generally be made as soon as possible after the date of retirement in a lump-sum payment, installment payments, or toward the purchase of an annuity contract, at the date of death, or termination of employment. The Plan allows for automatic lump sum distributions of participant vested account balances that exceeds \$1,000 but does not exceed \$5,000.

2. Summary of Significant Accounting Policies

Investment Options

Upon enrollment in the Plan, a participant directs his or her contributions in percentage increments into a series of mutual and money market funds offered by the Plan. Participant may change their investment options at any time.

Method of Accounting

The financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America and ERISA.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and changes therein and disclosure of contingent assets and liabilities and changes in net assets available for benefits. Actual results may differ from those estimates.

NOTES TO FINANCIAL STATEMENTS

3. Summary of Significant Accounting Policies, continued

Investment Valuation and Income Recognition

All investments are recorded at fair value based upon active market values determined by investment advisors as required under ERISA regulations.

Investments in securities traded on a national securities exchange are valued at the last reported sales price on the last business day of the valuation period. In accordance with the policy of stating investments at fair value, net realized and unrealized appreciation for the year is reflected in the statement of changes in net assets available for benefits.

Purchases and sales of securities are reflected on a trade date basis. Interest is recorded as earned on an accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits

Benefit payments are recorded when paid.

4. Investments

The following presents individual investments that represent five percent (5%) or more of the Plan's net assets at January 31, 2008 and December 31, 2007:

	January 31, 2008	December 31, 2007
Legg Mason Aggressive Growth Fund	\$ -	\$ 334,498
Legg Mason Mid-Cap Core Fund	-	172,473
Legg Mason Small Cap Value Fund	-	170,949
Legg Mason Global Equity Fund	-	148,517
Legg Mason Fundamental Value Fund	-	114,631
Legg Mason Appreciation Fund	-	109,147
Legg Mason Large Cap Growth Fund	-	78,711
Western Asset Money Market fund	-	181,862
Other funds individually less than 5%	-	201,900
	<u>\$ -</u>	<u>\$ 1,512,688</u>

During 2008, the Plan's investments (which consisted of mutual funds) including gains and losses on investments bought and sold, as well as held during the year, depreciated in value by \$100,861.

5. Tax Status

The Plan has been determined to be exempt from income taxes by the Internal Revenue Service (IRS) and the State of California; therefore, no provision has been made for income taxes.

The Plan has adopted a prototype plan document, the Paychex Flexible 401(k) Plan Standardized Adoption Agreement. The prototype plan received an opinion letter in which the IRS stated that the Plan, as then designed, was in compliance with the applicable requirements of the IRC. The Plan's independent administrator believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the IRC.

NOTES TO FINANCIAL STATEMENTS

6. Plan Termination

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions (see note 8).

7. Risks and Uncertainties

The Plan holds various investments. Investment securities are exposed to various risks, such as interest rate, market fluctuations and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in various risks factors will occur in the near term and such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

8. Merger

In 2008 the Company merged with Aricent Group, Inc. As a result of the merger all of the Plan's assets of approximately \$1,421,000, were transferred to the Aricent U.S. Inc. 401(k) Profit Sharing Plan and the Plan no longer functions as a profit sharing plan.

9. Subsequent Event

Subsequent to the financial statement date the Plan had not timely filed the final Form 5500. The Plan Sponsor is in the process of preparing and filing the appropriate forms to ensure the Plan is in compliance with the filing requirements and the final Form 5500 is prepared and filed.
