Independent Auditors' Report

We have audited the accompanying statements of net assets available for benefits-modified cash basis of the HMG Services, LLC Employee Benefit Trust as of August 31, 2011 and 2010 and the related statement of changes in net assets available for benefits-modified cash basis for the year ended August 31, 2011. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 2, the Plan's policy is to prepare its financial statements on a modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits-modified cash basis of HMG Services, LLC Employee Benefit Trust as of August 31, 2011 and 2010, and the changes in net assets available for benefits-modified cash basis for the year ended August 31, 2011, in conformity with the basis of accounting described in Note 2.

HMG SERVICES, LLC EMPLOYEE BENEFIT TRUST

NOTES TO FINANCIAL STATEMENTS

AUGUST 31, 2011

1. **Description of Plan**

The following description of the HMG Services, LLC Employee Benefit Trust ("the Plan") provides only general information. Participants should refer to the plan agreement for a more complete description of the plans provisions.

(a) General. The Plan is self-insured and is sponsored by HMG Services, LLC for the benefit of its employees. The Plan was established and became effective January 1, 2005; however, there was no activity until March 2005. A third party administrator processes all claims for benefits.

(b) Coverage. A full-time employee who has a scheduled work week of 30 hours or more is eligible for coverage after completing 90 days of service to the company. Employees who are covered under the Plan may choose to cover eligible members of their family.

(c) Benefits. For all eligible employees and their dependents, the Plan covers medical and prescription drug expenses as described in the Plan Document. Benefit payments are subject to deductibles and percentage co-payments provided by the Plan.

(d) Contributions. The Plan Sponsor requires employee contributions in order to help fund benefits. The amount of employee contributions is determined annually and the amounts are withheld from payroll checks. Employer contributions are made throughout the year as needed to pay claims.

(e) Administrative expenses. The Employer pays the majority of the administrative expenses of the Plan.

2. **Summary of Significant Accounting Policies**

(a) Basis of accounting. The Plan uses the modified cash basis of accounting as prescribed by the Department of Labor. This is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America in which revenue is recognized when received rather than when earned and expenses are recognized when paid rather than when the obligation is incurred.

(b) Investments. All Plan assets are maintained in a noninterest-bearing checking account. The Plan sponsor transfers employer and employee contributions to the Plan to pay claims. The Plan currently does not have any funds invested.

(c) Use of estimates. The preparation of the financial statements in conformity with the modified cash basis of accounting requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates. The only significant estimate reported on these financial statements is management's estimate of benefit obligations.

3. **Income Tax Status**

As of the financial statement date, the Plan has not applied for a favorable determination letter from the Internal Revenue Service to confirm its tax-exempt status. However, in the opinion of the Plan's management, the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code, and qualifies the Plan and related trust funds for tax-exempt status. In addition, the plan administrator believes the Plan has no income subject to unrelated business income tax.

4. **Plan Termination Provision**

Although it has not expressed any intent to do so, the Plan Sponsor has the right to terminate the Plan at any time, subject to the provision of ERISA. Because employee contributions are generally less than claims and employer contributions are made only as needed, the Plan has a minimal cash balance. Thus, a formal procedure for the distribution of funds at termination is not necessary. Any unpaid claims at termination are the responsibility of the Plan Sponsor.

5. **Benefit Obligations**

As of the end of the Plan year, there were certain claims that had been incurred but not reported. Management has estimated claims incurred but not reported for the periods ended August 31, 2011 and 2010 to be $52,143 and $70,290, respectively. Claims incurred but not reported is the only material component of benefit obligations.

6. **Subsequent Events**

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that affect the financial statements. Subsequent events have been evaluated through January 20, 2012, which is the date the financial statements were available to be issued.
