Plan Years Ending: 12/31/2009 & 10/31/2010

To Whom It May Concern:

Please be informed that the 2009 5500 was filed for the above mentioned plan, however due to a software error the filing was rejected. During the month of October 2010 our TPA became locked out of the DOL website forcing them to be issued a new filing ID. They had already filed hundreds of 5500's that day through the Web Client software. Apparently receiving the new filing credentials caused the filing pin to clear out of all electronically signed forms they had filed. The TPA did not realize this happened until after the extended 10/15 filing deadline and still do not know to what extent the damage it has caused. This error was not the fault of the plan or the TPA. The TPA has since discontinued using the Web Client software used in 2009 because of the numerous filing issues for that plan year.

The 2009 5500 was filed as a final filing on 10/11/2010. The plan was then removed from the TPA's system as they were under the impression that the 2009 filing had been received by the DOL. It was recently brought to our attention that not only was the 2009 filing rejected but should not have been a final filing. The final filing should have been a short plan year in 2010.

As this plan has never been late on any filings or been out of compliance in any way and the plan is no longer active, please accept this letter, along with the 2009 and 2010 filings, as a formal request to abate any future penalties regarding the 2009 & 2010 filings. Thank you in advance for your consideration in this unfortunate mistake.

Sincerely,

M. C. Smith 401k Plan
