INDEPENDENT AUDITORS' REPORT

To the Trustees
Willow Run Foods, Inc. 401(k) Profit Sharing Plan

We have audited the accompanying statements of net assets available for benefits of **WILLOW RUN FOODS, INC. 401(k) PROFIT SHARING PLAN** as of June 24, 2011 and June 25, 2010, and the related statement of changes in net assets available for benefits for year ended June 24, 2011. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Willow Run Foods, Inc. 401(k) Profit Sharing Plan as of June 24, 2011 and June 25, 2010, and the changes in its net assets available for benefits for the year ended June 24, 2011 in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental Schedule of Assets Held at End of Year is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has been subjected to the auditing procedures applied in the audits of the financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTE 1 - DESCRIPTION OF PLAN

The following description of the Plan provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

1. General - The Plan is a defined contribution plan covering all full-time employees of Willow Run Foods, Inc. (the Company) who have one year of service. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). The Plan is qualified under Section 401(a) of the Internal Revenue Code (IRC) and includes a qualified cash or deferred arrangement as described in Section 401(k) of the IRC, for the benefit of eligible employees of the Company.

2. Contributions - Each year, employees may contribute a percentage of pretax annual compensation as defined in the Plan. Maximum deferrals in any taxable year may not exceed a dollar limit, which is set by law. This amount is $16,500 for 2011. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans. Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan currently offers nine mutual funds and a money market as investment options for participants. There is no matching contribution made by the Company.

3. Participant Accounts - Each participant's account is credited with the participant's contribution and allocation of Plan earnings and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's account.

4. Vesting - Participants are immediately vested in their contributions plus actual earnings thereon. The Plan provides for the Company to use discretion in making a contribution to participants' accounts. No contribution was made in the current Plan year. However, if the Company were to make a contribution in the future, vesting in the Company's contribution portion of participants' accounts plus actual earnings thereon is based on years of continuous service. Participants vest according to the following schedule which was amended in 2002:

Years of Service	Vested Percentage
Less than 3	0%
3	20%
4	40%
5	60%
6	80%
7	100%

However, employees who had completed three years of service within a certain amount of time of the amendment to the vesting schedule were permitted to elect to have their vesting percentage determined under the pre-amendment vesting schedule which is as follows:

NOTE 1 - DESCRIPTION OF PLAN (Continued)

Years of Service	Vested Percentage
1	0%
2	20%
3	40%
4	60%
5	80%
6	100%

5. Forfeiture - A forfeiture is the non-vested portion of a terminated participant's account balance which remains in the Plan. Any forfeitures may be used by the Plan for several purposes, such as the payment of Plan expenses. Any remaining forfeitures will be added to any employer discretionary profit sharing contribution. As of June 24, 2011, there were no forfeited nonvested accounts.

6. Participant Loans - Participants may not borrow from their fund accounts.

7. Payment of Benefits - On termination of service due to death, disability or retirement, a participant will receive a single lump sum payment.

8. Administrative Costs - Participant administration and record keeping fees are paid by the participants. The required fee is raised by prorating it across participant detail shareholdings by fund and subsequently aggregating total shares by fund at the plan level to be sold. The annual plan administration and compliance fee is paid by the Company.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting - The financial statements of the Plan are prepared using the accrual method of accounting.

Use of Estimates - The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition - The Plan's investments are stated at fair value. See Note 6 for discussion of fair value measurements.

Purchases and sales of securities are recorded on a trade-date basis. Dividends are recorded on the ex-dividend date. Interest income is recorded on the accrual basis. Net appreciation includes the Plan's gains and losses on investments bought and sold as well as held during the year.

Payment of Benefits - Benefits are recorded when paid.

Financial Instruments - The carrying amounts of the Plan's contributions receivable are valued at approximate fair value due to their relatively short maturity.

Date of Plan Trustees' Review- The Plan's trustees have evaluated events and transactions that occurred between June 24, 2011 and January 10, 2012, which is the date the financial statements were available to be issued, for possible disclosure and recognition in the financial statements.

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Risks and Uncertainties - Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the fair value of investment securities, it is at least reasonably possible that changes in the risks in the near term would materially affect the net assets of the Plan.

NOTE 3 -TAX STATUS

The Plan obtained its latest determination letter on August 7, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code and therefore believe that the Plan is qualified and the related trust is tax exempt.

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and to recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 24, 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2007.

NOTE 4 - PLAN TERMINATION

Although it has not expressed any intent to do so, the Company has the right under the Plan to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants will become 100 percent vested in any employer contributed portion of their accounts.

NOTE 5 - INVESTMENTS

Investments that represent 5 percent or more of plan assets are as follows:

Description of Investments	2011 Value		2010 Value
Janus Perkins Mid Cap Value Fund	$ 206,237		$ 147,090
Mairs & Power Growth Fund	166,368		121,723
Selected American Shares Fund	276,507		232,199
Harbor International	107,321		83,365
T Rowe Price Emerging Markets Stock Fund	37,171		36,539
Loomis Sayles Bond Fund	55,596		42,415
Prime Fund Capital Reserves	8,522	*	33,979

*Although balance does not exceed 5%, it is included for comparative purposes.

The Plan's investments (including investments bought, sold and held during the year) appreciated in value by $107,153 in the fiscal year ended June 24, 2011.

NOTE 6 - FAIR VALUE MEASUREMENTS

The Plan's investments are reported at fair value in the accompanying statement of net assets available for benefits.

	Fair Value	Fair Value Measurement Using: Quoted Prices in Active Markets for Identical Assets (Level 1)
June 24, 2011		
Mutual Funds	$ 899,122	$ 899,122
June 25, 2010		
Mutual Funds	$ 696,288	$ 696,288

NOTE 6 - FAIR VALUE MEASUREMENTS (Continued)

Generally accepted accounting principles establish a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs would be used only when Level 1 or Level 2 inputs were not available.

Level 1 Fair Value Measurements

The fair value of mutual funds is based on quoted net asset values of the shares held by the Plan at year-end.
