We were engaged to audit the accompanying statements of net assets available for benefits of Galaxy Desserts 401(k) Plan (the Plan) as of June 30, 2011 and 2010; the related statement of changes in net assets available for benefits for the year ended June 30, 2011; and the supplemental schedule of schedule H, line 4(i) - schedule of assets (held at end of year) as of June 30, 2011. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA), the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to investment information summarized in Note 7, which was certified by John Hancock Life Insurance Company, the custodian of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. The plan administrator has informed us that the custodian holds the Plan's assets and executes investment transactions. The plan administrator has obtained a certification from the custodian as of June 30, 2011 and 2010, and for the year ended June 30, 2011, that the information provided to the plan administrator by the custodian is complete and accurate.

Because of the significance of the information we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from information certified by the custodian, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA.

NOTE 1 – DESCRIPTION OF PLAN

The following description of the Galaxy Desserts 401(k) Plan (the Plan) provides only general information. Participants should refer to the adoption agreement and summary plan description for a more complete description of plan provisions.

General – The Plan is a 401(k) profit sharing and safe-harbor plan covering all employees of Galaxy Desserts, Inc. (the Company), who have satisfied the eligibility requirements. The Plan is subject to the provisions of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). The Company serves as the Plan's sponsor and administrator.

Eligibility – Employees are eligible to participate in the Plan upon reaching 21 years of age and after completing six months of service. The Plan defines excluded employees as collectively bargained employees and nonresident aliens.

Contributions – Participants may elect to defer compensation to the Plan each year, subject to limitations imposed by federal tax law. Participants may also contribute amounts representing distributions from other qualified defined contribution plans. The Company makes safe-harbor matching contributions equal to 100% of the participant's deferral contributions not exceeding 4% of the participant's compensation for the plan year. The Company also may elect to make discretionary nonelective contributions. Nonelective contributions are allocated to participants in the same proportion as a participant's compensation bears to the total of all participants' compensation. To receive discretionary nonelective contributions, a participant must be credited with at least 1,000 hours of service during the plan year and be employed on the last day of the plan year. The Company did not make any discretionary nonelective contributions during the plan year ended June 30, 2011.

Participant accounts – Each participant's account is credited with the participant's contribution and allocations of: (a) the Company's contribution; and (b) plan earnings. Allocations are based on participant earnings or account balances, as defined. Participants may direct the investment of their account balances into various investment options offered by the Plan. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting – Participants are fully vested in deferrals withheld from their compensation under the salary reduction arrangement and company safe-harbor matching contributions. Vesting in employer discretionary nonelective contributions is based on years of service, as defined, with increases of 20% per year after two years of service until fully vested after six years.

Payment of benefits – Upon retirement, termination of employment, disability, or death, a participant may receive their vested account balance in a lump-sum cash payment, a direct rollover to another qualified plan, or through installment payments.

Forfeitures – Forfeitures are the nonvested portion of a participant's account that is lost upon termination of employment. Forfeitures are retained in the Plan and are first used to pay plan administrative expenses, with any remaining amount used to reduce future company contributions. As of June 30, 2011, there were no forfeited nonvested accounts.

Plan termination – Although it has not expressed any intention to do so, the Company has the right to terminate the Plan and discontinue contributions at any time. If the Plan is terminated, amounts allocated to a participant's account become fully vested.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting – The financial statements are prepared under the accrual method of accounting.

Use of estimates – The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires the use of estimates and assumptions that affect the reported amounts of net assets available for benefits and the changes therein. Actual results could differ from those estimates.

Investment valuation and income recognition – Investments are stated at fair value as certified by the Plan's custodian, John Hancock Life Insurance Company (John Hancock). Units held in pooled separate accounts are valued at the unit value as reported by the investment manager of the accounts at year-end.

Purchases and sales of securities are recorded on a trade-date basis. The net appreciation in fair value of participant-directed investments consists of both the realized gains or losses and unrealized appreciation or depreciation of those investments.

Payment of benefits – Distributions to participants are recorded when paid.

Expenses – Administrative expenses, including custodian fees, are paid by the Plan, unless the Company elects to pay. Transaction fees are paid by the Plan. For the year ended June 30, 2011, the Plan paid administrative expenses of $8,255.

Recent accounting pronouncements – In January 2010, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) No. 2010-06, *Fair Value Measurements and Disclosures (Topic 820) – Improving Disclosures about Fair Value Measurements.* The new guidance requires additional disclosures about transfers between levels within the fair value hierarchy and clarifies existing disclosure requirements regarding classes of assets and liabilities measured at fair value. The new guidance requires the Plan to: (a) disclose separately the amounts of significant transfers into and out of each level of the fair value hierarchy and describe the reasons for those transfers; (b) disclose the Plan's policy for determining when transfers between levels of the fair value hierarchy are recognized; and (c) present information about purchases, sales, issuances, and settlements on a gross basis in the reconciliation of the beginning and ending balance of Level 3 fair value measurements. The new guidance is effective for reporting periods beginning after December 15, 2009, except for the Level 3 reconciliation disclosures, which are effective for reporting periods beginning after December 15, 2010. The Plan adopted this guidance on January 1, 2010 (see Note 4).

Subsequent events – The Plan has evaluated subsequent events through February 8, 2012, the date the financial statements were available to be issued.

NOTE 3 – INVESTMENTS

During 2011, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) appreciated in value by $138,634.

NOTE 4 – FAIR VALUE MEASUREMENTS

The Plan classifies its investments based upon an established fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are as follows:

- *Level 1:* Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities;
- *Level 2:* Quoted prices in markets that are not considered to be active or financial instruments without quoted market prices, but for which all significant inputs are observable, either directly or indirectly; and
- *Level 3:* Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

The following sets forth, by level within the fair value hierarchy, the Plan's assets at fair value at June 30:

	2011

NOTE 5 – TAX STATUS

The plan administrator believes the Plan meets the qualification requirements under Section 401(a), and is tax exempt under provisions of the Internal Revenue Code (the Code). The plan administrator believes the Plan is designed and is currently being operated in compliance with the applicable requirements of the Code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of June 30, 2011, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – RISKS AND UNCERTAINTIES

Investment securities are exposed to various risks, such as interest rate, market volatility, and credit risk. It is reasonably possible that given the level of risk associated with investment securities, changes in the near term could materially affect a participant's account balance and the amounts reported in the financial statements.

NOTE 7 – INFORMATION CERTIFIED BY THE CUSTODIAN

The plan administrator has elected the method of compliance permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA. Accordingly, John Hancock, the custodian of the Plan, has certified to the completeness and accuracy of:

- participant-directed investments reflected on the accompanying statement of net assets available for benefits as of June 30, 2011 and 2010;
- net appreciation in fair value of investments reflected on the accompanying statement of changes in net assets available for benefits for the year ended June 30, 2011; and
- investments reflected on the supplemental schedule of assets (held at end of year).

NOTE 8 – PARTY-IN-INTEREST TRANSACTIONS

Plan investments include pooled separate accounts managed by John Hancock. As John Hancock is the custodian of the Plan, transactions with John Hancock qualify as exempt party-in-interest transactions.
