PETERSEN ALUMINUM CORPORATION
MONEY PURCHASE PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2011 AND 2010

(1) DESCRIPTION OF PLAN:

The following brief description of the Petersen Aluminum Corporation Money Purchase Pension Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General -

The Plan, established July 1, 1990, is a defined contribution plan covering all eligible employees. An employee becomes eligible to participate upon completion of one year of company service as defined in the Plan and attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan benefits all eligible employees of Petersen Aluminum Corporation (Company) and its wholly owned subsidiary, Charleston Industries, Inc. Beginning June 30, 1999, the Plan also benefits all eligible employees of Petersen Finishing Corporation, a related party based on common ownership.

Funding -

Company contributions to the Plan are a fixed percentage of eligible wages, as defined in the Plan document. The Company's funding policy is to provide 100% of required contributions. The Company has met the ERISA minimum funding requirements as of June 30, 2011 and 2010. There are no employee contributions made to the Plan.

Participant Accounts -

Each participant's account is credited with the Company's contribution and an allocation of Plan earnings. Allocations are based on participant earnings or account balances as defined. Forfeitures to reduce employer contributions were \$5,570 and \$2,982 for the years ended June 30, 2011 and 2010, respectively. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) DESCRIPTION OF PLAN (continued):

Payment of Benefits -

Under the provisions of the Plan, a participant, who is terminated by reason of death, disability or retirement, shall receive the amount in their separate account in the form of a qualified joint and survivor annuity, an annuity for the life of the participant or as a lump sum payment. The Trustees shall determine the manner in which distribution is to be made after consulting with the participant or beneficiary.

The Plan no longer allows for participant loans.

Vesting -

Vesting is based on years of continuous service. A participant is 100% vested after six years of credited service.

Plan Termination -

Although the Company has not expressed any interest in discontinuing its contributions or in terminating the Plan, it may do so at any time subject to the provisions as set forth in the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

Administration of Plan's Assets -

The Plan provides for Trustees to administer the Plan's assets. The assets of the Plan are invested in accordance with the policies established by the Plan Agreement and the Trustees. The Trustees also process and distribute benefit payments to separated participants or their beneficiaries based on information furnished to them by the Company. The Trustees receive no compensation for their services to the Plan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting -

The accompanying financial statements are prepared using the accrual method of accounting.

Estimates -

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Income Taxes -

Earnings from Plan investments and employer's contributions are exempt from federal income taxes under Section 501(a) of the Internal Revenue Code.

The Plan obtained its latest determination letter on September 13, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Investment Valuation and Income Recognition -

Investments are reflected at fair value. Gains and losses from sales of investments are netted with unrealized appreciation or depreciation in the statement of changes in net assets available for benefits (See Note 6).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits -

Benefits are recorded when paid.

(3) INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	<u>June 30, 2011</u>
Investments, at fair value	\$ 13,516,195
Investment income	1,643,653

(4) TRANSACTIONS WITH PARTIES-IN-INTEREST:

Certain legal and accounting fees and other administrative fees of the Plan are paid by the Company. Other than as described above, the Plan has had no transactions with any parties-in-interest.

(5) CONCENTRATION RISK FOR CASH HELD IN BANK:

Periodically, the Plan has cash balances in excess of the limits insured by the Federal Deposit Insurance Company (FDIC).

(6) FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 valuations are based on observable inputs (assumptions obtained from independent sources) for the asset or liability, either directly or indirectly, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used when investments do not meet Level 1 valuation criteria, and Level 3 inputs were only used when Level 1 and Level 2 inputs were not available.

Level 1 The fair value of stocks, registered investment companies and interest bearing cash are based on quoted net asset values of the units held by the Plan at year end.

Level 2 The fair value of U.S. government securities for which quoted market prices are not available are valued based on yields currently available on comparable securities of issuers with similar credit ratings.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2011:

<u>Assets at Fair Value as of June 30, 2011:</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>
Registered investment companies	\$13,516,195	\$13,516,195	\$ -
Total	<u>\$ 13,516,195</u>	<u>\$ 13,516,195</u>	<u>\$ -</u>

(6) FAIR VALUE MEASUREMENTS (continued):

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2010:

	<u>Assets at Fair Value as of June 30, 2010</u>		
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>
Common stock	\$ 1,352,991	\$ 1,352,991	\$ -

Total	<u>\$ 6,136,061</u>	<u>\$ 5,930,492</u>	<u>\$ 205,569</u>

Gains and losses (realized and unrealized) included in changes in the net assets available for benefits for the years ended June 30, 2011 and 2010 are reported in net appreciation (depreciation) in fair value of investments as follows:

	<u>2011</u>	<u>2010</u>

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. (9) TERMINATED PARTICIPANTS:

Net assets available for benefits at June 30, 2011 and 2010, include approximately \$659,000 and \$430,000 respectively, allocated to the accounts of participants who are no longer active in the Plan as of that date.

(10) SUBSEQUENT EVENTS:

The Plan has evaluated subsequent events through April 12, 2012, the date which the financial statements were available to be issued. No significant events were discovered.

We were engaged to audit the accompanying statements of net assets available for benefits of PETERSEN ALUMINUM CORPORATION MONEY PURCHASE PENSION PLAN as of June 30, 2011, and the related statements of changes in net assets available for benefits for the year ended June 30, 2011, and the supplemental (1) Schedule of Assets Held for Investment Purposes and (2) Schedule of Reportable Transactions, together referred to as "supplemental information," as of or for the year ended June 30, 2011. These financial statements are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Schedules 1 and 2 and Note 3, which was certified by the trustee of the Plan, except for comparing the information with the related information included in the 2011 financial statements and supplemental schedules. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of and for the year ended June 30, 2011, that the information provided to the plan administrator by the trustee is complete and accurate.

Because of the significance of the information in the Plan's 2011 financial statements that we did not audit, we were unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedules as of and for the year ended June 30, 2011. The form and content of the information included in the financial statements and supplemental schedules, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

We have audited the statement of net assets available for benefits of the PETERSEN ALUMINUM CORPORATION MONEY PURCHASE PENSION PLAN as of June 30, 2010, and the related statements of changes in net assets available for benefits for the year ended June 30, 2010, and in our report dated April 8, 2011, we expressed our opinion that such financial statements present fairly, in all material respects, the net assets available for benefits and the changes in net assets available for benefits of the Plan as of, and for the year ended, June 30, 2011, in conformity with accounting principles generally accepted in the United States of America.

PETERSEN ALUMINUM CORPORATION
MONEY PURCHASE PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2011 AND 2010

(1) DESCRIPTION OF PLAN:

The following brief description of the Petersen Aluminum Corporation Money Purchase Pension Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General -

The Plan, established July 1, 1990, is a defined contribution plan covering all eligible employees. An employee becomes eligible to participate upon completion of one year of company service as defined in the Plan and attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan benefits all eligible employees of Petersen Aluminum Corporation (Company) and its wholly owned subsidiary, Charleston Industries, Inc. Beginning June 30, 1999, the Plan also benefits all eligible employees of Petersen Finishing Corporation, a related party based on common ownership.

Funding -

Company contributions to the Plan are a fixed percentage of eligible wages, as defined in the Plan document. The Company's funding policy is to provide 100% of required contributions. The Company has met the ERISA minimum funding requirements as of June 30, 2011 and 2010. There are no employee contributions made to the Plan.

Participant Accounts -

Each participant's account is credited with the Company's contribution and an allocation of Plan earnings. Allocations are based on participant earnings or account balances as defined. Forfeitures to reduce employer contributions were \$5,570 and \$2,982 for the years ended June 30, 2011 and 2010, respectively. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) DESCRIPTION OF PLAN (continued):

Payment of Benefits -

Under the provisions of the Plan, a participant, who is terminated by reason of death, disability or retirement, shall receive the amount in their separate account in the form of a qualified joint and survivor annuity, an annuity for the life of the participant or as a lump sum payment. The Trustees shall determine the manner in which distribution is to be made after consulting with the participant or beneficiary.

The Plan no longer allows for participant loans.

Vesting -

Vesting is based on years of continuous service. A participant is 100% vested after six years of credited service.

Plan Termination -

Although the Company has not expressed any interest in discontinuing its contributions or in terminating the Plan, it may do so at any time subject to the provisions as set forth in the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

Administration of Plan's Assets -

The Plan provides for Trustees to administer the Plan's assets. The assets of the Plan are invested in accordance with the policies established by the Plan Agreement and the Trustees. The Trustees also process and distribute benefit payments to separated participants or their beneficiaries based on information furnished to them by the Company. The Trustees receive no compensation for their services to the Plan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting -

The accompanying financial statements are prepared using the accrual method of accounting.

Estimates -

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Income Taxes -

Earnings from Plan investments and employer's contributions are exempt from federal income taxes under Section 501(a) of the Internal Revenue Code.

The Plan obtained its latest determination letter on September 13, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Investment Valuation and Income Recognition -

Investments are reflected at fair value. Gains and losses from sales of investments are netted with unrealized appreciation or depreciation in the statement of changes in net assets available for benefits (See Note 6).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits -

Benefits are recorded when paid.

(3) INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	<u>June 30, 2011</u>
Investments, at fair value	\$ 13,516,195
Investment income	1,643,653

(4) TRANSACTIONS WITH PARTIES-IN-INTEREST:

Certain legal and accounting fees and other administrative fees of the Plan are paid by the Company. Other than as described above, the Plan has had no transactions with any parties-in-interest.

(5) CONCENTRATION RISK FOR CASH HELD IN BANK:

Periodically, the Plan has cash balances in excess of the limits insured by the Federal Deposit Insurance Company (FDIC).

(6) FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 valuations are based on observable inputs (assumptions obtained from independent sources) for the asset or liability, either directly or indirectly, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used when investments do not meet Level 1 valuation criteria, and Level 3 inputs were only used when Level 1 and Level 2 inputs were not available.

Level 1 The fair value of stocks, registered investment companies and interest bearing cash are based on quoted net asset values of the units held by the Plan at year end.

Level 2 The fair value of U.S. government securities for which quoted market prices are not available are valued based on yields currently available on comparable securities of issuers with similar credit ratings.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2011:

<u>Assets at Fair Value as of June 30, 2011:</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>
Registered investment companies	\$13,516,195	\$13,516,195	\$ -
Total	<u>\$ 13,516,195</u>	<u>\$ 13,516,195</u>	<u>\$ -</u>

(6) FAIR VALUE MEASUREMENTS (continued):

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2010:

	<u>Assets at Fair Value as of June 30, 2010</u>		
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>

Total	<u>\$ 6,136,061</u>	<u>\$ 5,930,492</u>	<u>\$ 205,569</u>

Gains and losses (realized and unrealized) included in changes in the net assets available for benefits for the years ended June 30, 2011 and 2010 are reported in net appreciation (depreciation) in fair value of investments as follows:

	<u>2011</u>	<u>2010</u>

PETERSEN ALUMINUM CORPORATION
MONEY PURCHASE PENSION PLAN

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2011 AND 2010

(1) DESCRIPTION OF PLAN:

The following brief description of the Petersen Aluminum Corporation Money Purchase Pension Plan (Plan) is provided for general information purposes only. Participants should refer to the Plan agreement for more complete information.

General -

The Plan, established July 1, 1990, is a defined contribution plan covering all eligible employees. An employee becomes eligible to participate upon completion of one year of company service as defined in the Plan and attainment of age 21. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

The Plan benefits all eligible employees of Petersen Aluminum Corporation (Company) and its wholly owned subsidiary, Charleston Industries, Inc. Beginning June 30, 1999, the Plan also benefits all eligible employees of Petersen Finishing Corporation, a related party based on common ownership.

Funding -

Company contributions to the Plan are a fixed percentage of eligible wages, as defined in the Plan document. The Company's funding policy is to provide 100% of required contributions. The Company has met the ERISA minimum funding requirements as of June 30, 2011 and 2010. There are no employee contributions made to the Plan.

Participant Accounts -

Each participant's account is credited with the Company's contribution and an allocation of Plan earnings. Allocations are based on participant earnings or account balances as defined. Forfeitures to reduce employer contributions were \$5,570 and \$2,982 for the years ended June 30, 2011 and 2010, respectively. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

(1) DESCRIPTION OF PLAN (continued):

Payment of Benefits -

Under the provisions of the Plan, a participant, who is terminated by reason of death, disability or retirement, shall receive the amount in their separate account in the form of a qualified joint and survivor annuity, an annuity for the life of the participant or as a lump sum payment. The Trustees shall determine the manner in which distribution is to be made after consulting with the participant or beneficiary.

The Plan no longer allows for participant loans.

Vesting -

Vesting is based on years of continuous service. A participant is 100% vested after six years of credited service.

Plan Termination -

Although the Company has not expressed any interest in discontinuing its contributions or in terminating the Plan, it may do so at any time subject to the provisions as set forth in the Plan. In the event of Plan termination, participants will become 100% vested in their accounts.

Administration of Plan's Assets -

The Plan provides for Trustees to administer the Plan's assets. The assets of the Plan are invested in accordance with the policies established by the Plan Agreement and the Trustees. The Trustees also process and distribute benefit payments to separated participants or their beneficiaries based on information furnished to them by the Company. The Trustees receive no compensation for their services to the Plan.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Basis of Accounting -

The accompanying financial statements are prepared using the accrual method of accounting.

Estimates -

The preparation of financial statements in conformity with generally accepted accounting principles requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

(2) SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued):

Income Taxes -

Earnings from Plan investments and employer's contributions are exempt from federal income taxes under Section 501(a) of the Internal Revenue Code.

The Plan obtained its latest determination letter on September 13, 2001, in which the Internal Revenue Service stated that the Plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code (IRC). The Plan has been amended since receiving the determination letter. However, the Plan administrator and the Plan's tax counsel believe that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Investment Valuation and Income Recognition -

Investments are reflected at fair value. Gains and losses from sales of investments are netted with unrealized appreciation or depreciation in the statement of changes in net assets available for benefits (See Note 6).

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits -

Benefits are recorded when paid.

(3) INFORMATION PREPARED AND CERTIFIED BY TRUSTEE:

The following information included in the accompanying financial statements and supplemental schedules was obtained from data that has been prepared and certified to as complete and accurate by the trustee.

	<u>June 30, 2011</u>
Investments, at fair value	\$ 13,516,195
Investment income	1,643,653

(4) TRANSACTIONS WITH PARTIES-IN-INTEREST:

Certain legal and accounting fees and other administrative fees of the Plan are paid by the Company. Other than as described above, the Plan has had no transactions with any parties-in-interest.

(5) CONCENTRATION RISK FOR CASH HELD IN BANK:

Periodically, the Plan has cash balances in excess of the limits insured by the Federal Deposit Insurance Company (FDIC).

(6) FAIR VALUE MEASUREMENTS:

Financial Accounting Standards Board ASC 820 establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 valuations are based on observable inputs (assumptions obtained from independent sources) for the asset or liability, either directly or indirectly, and Level 3 inputs have the lowest priority. The Plan uses appropriate valuation techniques based on the available inputs to measure the fair value of investments. When available, the Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 2 inputs are used when investments do not meet Level 1 valuation criteria, and Level 3 inputs were only used when Level 1 and Level 2 inputs were not available.

Level 1 The fair value of stocks, registered investment companies and interest bearing cash are based on quoted net asset values of the units held by the Plan at year end.

Level 2 The fair value of U.S. government securities for which quoted market prices are not available are valued based on yields currently available on comparable securities of issuers with similar credit ratings.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2011:

<u>Assets at Fair Value as of June 30, 2011:</u>			
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>
Registered investment companies	\$13,516,195	\$13,516,195	\$ -
Total	<u>\$ 13,516,195</u>	<u>\$ 13,516,195</u>	<u>\$ -</u>

(6) FAIR VALUE MEASUREMENTS (continued):

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of June 30, 2010:

	<u>Assets at Fair Value as of June 30, 2010</u>		
	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>

Total	<u>\$ 6,136,061</u>	<u>\$ 5,930,492</u>	<u>\$ 205,569</u>

Gains and losses (realized and unrealized) included in changes in the net assets available for benefits for the years ended June 30, 2011 and 2010 are reported in net appreciation (depreciation) in fair value of investments as follows:

	<u>2011</u>	<u>2010</u>

(7) CONCENTRATIONS:

Investments that represented 5% or more of the Plan's net assets at June 30, 2011 are as follows:

	Fair Value	Cost
JPMorgan SmartRetirement 2010 Fund	\$1,267,436	\$1,262,771

At June 30, 2010, the Plan had interest bearing cash investments that represent 5% or more of the Plan's net assets with a fair value of \$3,927,427.

(8) RISKS AND UNCERTAINTIES:

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term, and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

(9) TERMINATED PARTICIPANTS:

Net assets available for benefits at June 30, 2011 and 2010, include approximately \$659,000 and \$430,000 respectively, allocated to the accounts of participants who are no longer active in the Plan as of that date.

(10) SUBSEQUENT EVENTS:
