To the Pension Committee of MET Laboratories, Inc. 401(k) Retirement Plan

Except as discussed in the following paragraph, in planning and performing our audit of the financial statements of MET Laboratories, Inc. 401(k) Retirement Plan (Plan) as of and for the year ended December 31, 2010, in accordance with auditing standards generally accepted in the United States of America, we considered the Plan's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of issuing our report on the financial statements but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control. Accordingly, we do not express an opinion on the effectiveness of the Plan's internal control.

We were engaged to perform a DOL limited scope audit of those financial statements as permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Our audit did not include all of the procedures required by U.S. generally accepted auditing standards and did not include a consideration of internal control relating to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and did not, express an opinion on those financial statements and schedule taken as a whole.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and, therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. However, as discussed below, we identified certain matters involving the internal control and other operational matters that are presented for your consideration. This letter does not affect our report dated September 19, 2011 on the financial statements of the Plan. We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. We will be pleased to discuss these comments in further detail at your convenience, perform an additional study of these matters, or assist you in implementing the recommendations. Our comments are summarized as follows:

INDEPENDENT MEMBER OF

WITH AFFILIATED OFFICES WORLDWIDE

Observation: There was an election form missing for an eligible employee who did not want to participate in the Plan.

Recommendation: All election forms should be signed, whether the employee wants to participate or not, returned to the Plan Administrator, and retained in the employees' personnel file.

Observation: Funds were being withheld from a participant's paycheck but were not remitted to the Plan in a timely manner.

Recommendation: A reconciliation of funds withheld from employees' paychecks to the amount actually remitted to the Plan should be performed after each pay period to ensure all funds are properly remitted.

Observation: In a prior year, incorrect loan payments were deducted from a participant's paycheck.

Recommendation: The participant's loan amortization schedule should be amended to properly reallocate interest over the remaining payments.

This information is intended solely for the use of the Pension Committee and management of the Plan and is not intended to be and should not be used by anyone other than these specified parties.
