INDEPENDENT AUDITORS' REPORT

To the AmFed Companies, LLC 401(k) Plan:

We have audited the statement of net assets available for benefits of AmFed Companies, LLC 401(k) Plan as of December 31, 2010, and the related statement of changes in net assets available for benefits for the year then ended, and the statement of changes in net assets available for benefits for the period from January 1, 2011 to July 15, 2011. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

As described in Note 1.1 to the financial statements, the Board of Directors of AmFed Companies, LLC, the Plan's sponsor, voted on March 4, 2011, to terminate the Plan via a merger. In accordance with accounting principles generally accepted in the United States of America, the Plan has changed its basis of accounting used to determine the amounts at which investments in insurance contracts and the accumulated benefit information are stated, from the ongoing plan basis to the liquidation basis for the periods after March 4, 2011.

In our opinion, the financial statements, referred to above present fairly, in all material respects, the financial status of AmFed 401(k) Plan as of December 31, 2010, the changes in its financial status for the year then ended and for the period from January 1, 2011 to July 15, 2011, its net assets in liquidation as of December 31, 2011, and the changes in its net assets in liquidation for the period from July 15, 2011 to December 31, 2011, in conformity with accounting principles generally accepted in the United States of America applied on the basis described in the preceding paragraph.

Our audit was conducted for the purpose of forming an opinion on the financial statements taken as a whole. The supplemental schedule of assets held for investment purposes at end of year, together referred to as "supplemental information," is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. This supplemental information is the responsibility of the Plan's management. The supplemental information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

AMFED COMPANIES, LLC 401(K) PLAN

NOTES TO FINANCIAL STATEMENTS

SIX AND ONE-HALF MONTH PERIOD ENDED JULY 15, 2011 AND YEAR ENDED
DECEMBER 31, 2010

1. DESCRIPTION OF THE PLAN

The following description of the AmFed Companies, LLC 401(k) Plan ("the Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

- a. General* — The Plan is a multiple-employer defined contribution plan covering substantially all full-time employees of the AmFed Companies, LLC and Work Site Employers who have completed eligibility requirements as elected by the Work Site Employer. An Adoption Agreement is signed by each Work Site Employer electing employer contributions, vesting, forfeitures allocations, and withdrawals.
- b. Contributions* — Participants may make contributions to the Plan in the form of salary reductions equal to a maximum of fifteen percent and a minimum of one percent of compensation for the Plan year. Participants direct the investment of their contributions into various investment options offered by the Plan. Employer contributions are determined based on the Work Site Employer Adoption Agreement and may be either matching contributions up to a certain percentage contributed by the participant or discretionary contributions without regard to participant contributions. Contributions are subject to certain limitations.
- c. Participant Accounts* — Each participant's account is credited with the participant's contribution and allocations of (a) the employer's contribution and (b) Plan earnings, and charged with an allocation of administrative expenses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.
- d. Vesting* — Participants are vested immediately in their contributions plus actual earnings thereon. Vesting in the employer's contribution portion of their account is based on years of service. The percentage vested in the employers contribution is determined by the employer on the Work Site Employer Adoption Agreement.
- e. Participant Loans* — Participants may borrow from their fund accounts up to a maximum of fifty percent of the aggregate amounts in their account not to exceed \$50,000 minus the participant's largest outstanding loan balance under the Plan during the 12-month period ending the day before the loan is made. Interest on a loan is fixed at a rate equivalent to prevailing market interest rates. Work Site Employers may elect for their participants not to be eligible for participant loans through the Adoption Agreement.
- f. Payment of Benefits* — On termination of services due to death, disability, or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or periodic payments not to exceed the participant's life expectancy or, if his or her spouse is designated beneficiary, the life expectancies for both the participant and his or her spouse. Benefits are recorded when paid.

NOTES TO FINANCIAL STATEMENTS

SIX AND ONE-HALF MONTH PERIOD ENDED JULY 15, 2011 AND YEAR ENDED
DECEMBER 31, 2010

- g. Withdrawals from Accounts* — The Plan allows participants to make in-service withdrawals from their account under conditions of hardship. The Work Site Employer may elect not to allow such in-service withdrawals with the Adoption Agreement.
- h. Use of Estimates*— The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosures of contingent assets and liabilities. Actual results could differ from those estimates.
- i. Investments* — The Plan's investments are stated at fair value, as determined by the Plan trustee, in order to reflect the current values of assets available for plan benefits. Fair values were determined by closing prices for securities traded on national stock exchanges and at the average bid and ask quotations of securities traded in the over-the-counter market.

Purchases and sales of securities are recorded on a trade-date basis.

- j. Forfeited Accounts* — At July 15, 2011 and December 31, 2010, there were no forfeited nonvested accounts. The Work Site Employer may elect to reallocate forfeited nonvested accounts. Forfeitures are reallocated to participants or applied to reduce the employer matching contribution for the plan year depending on the Work Site Employer election.
- k. Administrative Expenses* — Effective January 1, 2002, the Plan sponsor began paying all expenses for the administration of the Plan.
- l. Merger* – On March 4, 2011, the Board of Directors of AmFed Companies, LLC 401(k) Plan approved the merger of this Plan into the Blue Cross and Blue Shield of South Carolina Employee Savings and Salary Reduction Plan (the "BCBSSC 401(k) Program), effective March 4, 2011. As a result, all investments were transferred from the Plan into the BCBSSC 401(k) Program as of July 15, 2011.
- m. Subsequent Events* — In connection with the preparation of the financial statements, management of the Company evaluated subsequent events through April 27, 2012, which was the date the financial statements were available to be issued.

2. ACCOUNTING STANDARDS CODIFICATION

The Financial Accounting Standards Board's (FASB) Accounting Standards Codification (ASC) became effective on July 1, 2009. At that date, the ASC became FASB's officially recognized source of authoritative U.S. generally accepted accounting principles (GAAP) applicable to all public and non-public non-governmental entities, superseding existing FASB, American Institute of Certified Public Accountants, Emerging Issues Task Force and related literature. All other accounting literature is considered non-authoritative for non-public non-governmental entities. The switch to the ASC affects the way companies refer to U.S. GAAP in financial statements and accounting policies. Citing particular content in the ASC involves specifying the unique numeric path to the content.

SIX AND ONE-HALF MONTH PERIOD ENDED JULY 15, 2011 AND YEAR ENDED DECEMBER 31, 2010

3. INVESTMENTS

All Plan assets were transferred to the BCBSSC 401(k) Plan before close of business on July 15, 2011. The Plan had no investments which exceeded 5% of net assets as of July 15, 2011. The Plan's investments in mutual funds (including gains and losses on investments bought and sold, as well as held during the year) increased in value by \$174,894 in 2011 and by \$436,865 in 2010.

4. FAIR VALUE MEASUREMENTS

The financial statements reflect the adoption of ASC 820, *Fair Value Measurements and Disclosures*, for financial assets and liabilities. ASC 820 establishes a framework for measuring fair value in generally accepted accounting principles and expands disclosures about fair value measurements for those assets carried at fair value in the accompanying balance sheets. The standard establishes a fair value hierarchy which requires an entity to maximize the use of observable inputs and minimize the use of unobservable inputs when measuring fair value. ASC 820 describes three levels of inputs that may be used to measure fair value:

- Level 1 Valuations based on unadjusted quoted prices for identical assets in active markets accessible at the measurement date.
- Level 2 Valuations derived for similar assets in active markets, or other inputs that are observable or can be corroborated by market data.
- Level 3 Valuations derived from unobservable (supported by little or no market activity) inputs that reflect an entity's best estimate of what hypothetical market participants would use to determine a transaction price at the reporting date.

5. PLAN TERMINATION

The Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of ERISA. In addition, each Work Site Employer expressly reserves the right to terminate their participation in the Plan at any time. In the event of Plan termination, participants would become 100 percent vested in their employer contributions.

6. INTERNAL REVENUE SERVICE STATUS

The Plan has not obtained an IRS determination letter, in which the Internal Revenue Service states that the Plan, as then designed, is in compliance with the applicable requirements of the Internal Revenue Code. The Company believes that the Plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the Plan's financial statements.
