CERTIFIED PUBLIC ACCOUNTANT

INDEPENDENT AUDITOR'S REPORT

Paul Chubick
Buckingham Property Management 401(k) Plan Profit Sharing Plan

I have audited the accompanying statement of net assets available for benefits of Buckingham Property Management 401(k) Plan Profit Sharing Plan as of September 30, 2011 and the related statement of changes in net assets available for benefits for the year ended September 30, 2011. These financial statements are the responsibility of the Plan's management. My responsibility is to express an opinion on these financial statements based on my audit.

My audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental schedule of Assets Held for Investment is presented for the purpose of additional analysis and is not a required part of the basic financial statements but is supplementary information required by the Department of Labor's Rules and Regulations of Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The supplemental schedule is the responsibility of the Plan's management. The supplemental schedule has not been subjected to the auditing procedures applied in the audits of the basic financial statements, and, accordingly, I express no opinion on it.

I conducted my audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. I believe that my audit provides a reasonable basis for my opinion.

In my opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of Buckingham Property Management 401(k) Plan Profit Sharing Plan as of September 30, 2011 and the changes in net assets available for benefits for the year ended September 30, 2011 in conformity with accounting principles generally accepted in the United States of America.

NOTE B – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting. The financial statements of the Plan are prepared under the accrual method of accounting.

Estimates. Accordingly, actual results could differ from those estimates.

Investment Valuation and Income Recognition. The Plan's investments are stated at fair value. Quoted market prices are used to value investments.

Gain on Sale of Assets and Appreciation in Fair Value of Investments. Net gain and losses are determined by historical cost compared to sales proceeds. Net appreciation of investments held at year end is determined by historical cost compared to fair value. The Form 5500 uses realized and unrealized gains and losses determined based on revalued cost that is, on the current value of the assets at the beginning of the year carried forward from the prior year or the historical cost if the investment was acquired during the year.

Purchases and sales of securities are recorded on a trade-date basis. Interest income is recorded when received. Dividends are recorded when received.

Payment of Benefits. Benefits are recorded when paid.
