Re: 2010 5500

Good Day,

Yesterday I was informed that our 2011 5500 was ready for filing. Last year was the first time I'd filed electronically and finally found the instructions again for efilng. When I got to the efast site I noticed that the 2010 5500 was still "in progress". This was a complete surprise to me. I thought it was all done and filed last year.

It was too late to call the efast help line last night so I called this morning. While waiting for the efast helpline to answer I added by 'signature' to the file and then waited to speak with someone. Karen took the call and did a great job explaining that I should delete the signature I'd just added, add this letter as an attachment and then sign the 5500.

I'm asking that any late fees or penalties be waived because I apparently did not complete the filing process last year. It was uploaded last year but apparently I did not complete the process. Please help me on this. Very sorry and totally embarrassed.

Thank you for your consideration.

Van Anderson
