Report of Independent Auditors

Cetera Financial Group, Inc.
Welfare Benefits Program

We have audited the accompanying statements of benefit obligations and net assets available for plan benefits of the Cetera Financial Group, Inc. Welfare Benefits Program (the Plan) as of December 31, 2010 and the related statements of changes in benefit obligations and net assets available for plan benefits from July 1, 2010 (date of inception) to December 31, 2010. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial status of the Plan as of December 31, 2010 and the changes in its financial status from July 1, 2010 (date of inception) to December 31, 2010, in conformity with accounting principles generally accepted in the United States.

Notes to the Financial Statements

1. Description of Plan

The Cetera Financial Group Inc. Welfare Benefits Program (the Plan) provides the following coverages: medical, dental, vision, long-term disability, short-term disability, and group-term life insurance benefits, and a cafeteria plan.

The Plan covers the eligible employees of Cetera Financial Group, Inc. (the Company). The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). Information about the Plan is available in the Plan document and the Benefit Plan Descriptions.

The Plan provides self-insured medical benefits for full-time and part-time active employees and eligible family members. Total contributions for the self-insured portion of the Plan are determined based on claims experience, which is reviewed annually by the claims administrator and the Company. Employee contributions for the self-insured plans are determined annually. The Company contributes amounts necessary to cover all medical costs exceeding the employee contributions.

The Plan provides self-insured dental benefits for eligible employees and eligible family members. Total contributions for the self-insured portion of the Plan are determined based on claims experience, which is reviewed annually by the claims administrator and the Company. Employee contributions for the self-insured plans are determined annually. The Company contributes amounts necessary to cover all dental costs exceeding the employee contributions.

The Plan provides insured vision benefits for eligible employees and eligible family members. The Plan receives contributions from eligible employees who have elected the vision coverage. The vision benefits provided by the Plan are fully underwritten by an insurer that has issued the underlying long-term care insurance policy. The Company contributes amounts necessary to cover all vision costs exceeding the employee contributions.

The Plan provides long-term and short-term disability benefits for eligible employees. The Plan receives contributions from eligible employees who have elected the coverage. The long-term and short-term disability benefits provided by the Plan are fully underwritten by the insurer that has issued an underlying insurance policy.

The Plan provides basic life insurance coverage equal to an eligible employee's annual earnings and optional life insurance coverage in increments of an eligible employee's annual earnings, subject to a maximum level of coverage (basic and additional) equal to five times annual earnings (or $1,500,000 if less). The Plan receives contributions from the Company to pay the premiums for the basic life insurance coverage and from eligible employees to pay for the optional life insurance coverage elected by such employees. The benefits provided by the Plan are fully underwritten by the insurer that has issued the underlying group-term life insurance policy.

Notes to the Financial Statements (continued)

1. Description of the Plan (continued)

The Plan allows eligible employees to establish health care and dependent care flexible spending accounts, which enable the participating employees to pay for health care and dependent care expenses that are not otherwise reimbursed with pre-tax employee contributions (subject to dollar limits imposed by the Internal Revenue Code).

2. Summary of Accounting Policies

Method of Accounting: The accounting records of the Plan are maintained on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States.

Use of Estimates: Preparation of financial statements in accordance with accounting principles generally accepted in the United States requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Obligations for Claims: The liabilities for unpaid medical and dental claims include amounts currently payable for reported claims and estimates of incurred but not reported claims. The Plan Administrator believes the reserve for claims incurred but not reported at year-end represents the estimated ultimate cost to the Plan of settling claims; however, the reserve is necessarily based upon estimates and the ultimate cost may vary from such estimates. The methods for making such estimates and for establishing the resulting liability are continually reviewed and any adjustments are reflected in the change in net assets available for plan benefits currently.

Contributions Receivable: Contributions receivable at year-end represent amounts withheld from employee paychecks, not yet remitted to the Plan and any contributions owed to the Plan from the employer as of year-end.

Administrative Services: The Company provides administrative services to the Plan for which no fees are charged.

Plan Termination: Although the Company has not expressed any intention to do so, it has the right under the Plan agreement to terminate the Plan. In the event the Plan terminates, the assets remaining attributable to the Plan shall be applied against the obligations of the Plan, which includes the incurred but not reported amounts recorded through the date of Plan termination.

Subsequent Events: The Plan has performed an evaluation of subsequent events through May 16, 2012, which is the date the financial statements were available to be issued, and has considered relevant matters in the preparation of the financial statements and footnotes.

3. Administrative Fees

Medical, dental and prescription drug claims administration services were provided by United Healthcare, a United Health Group Company. The costs of these services were determined on a per person basis in 2010 and paid by the Plan. The Company provides administrative services to the Plan for which no fees are charged.

4. Tax Exempt Status

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the federal and state authorities. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2010, there are not uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan is subject to an income tax examination for 2010.

5. Reconciliation of Financial Statements to Form 5500
