Re: N & N Publishing Company, Inc.
Form: 5500
Tax Year: 7/31/10
ID#: 06-1152275

To Whom It May Concern:

In reference to your notice, copy attached, please be advised of the following facts related to N & N Publishing Company Inc. ("N&N") and its form 5500 for the plan year ended July 31, 2010.

N&N publishes review books for students/teachers/schools for standardized testing purposes. Due to the declining economy and school budget cuts, the demand and purchase of these books decreased dramatically. Beginning in 2009, N&N started the process of shutting down its business. All employees were let go, with the exception of the President of the Company, Mr. Wayne Garnsey. As such, the pension plan was terminated and all funds for all employees (including Mr. Garnsey) were distributed to the participants (rolled over into other personal IRA accounts). It was Mr. Garnsey's understanding that 7/31/09 was the final year that a form 5500 was required to be filed.

As soon as Mr. Garnsey received your letter, he sent it to our office. In looking back at the data, it appears that one participant account was not closed out during the year ended 7/31/09 (they had some difficulty with the brokerage company transferring the funds in a timely fashion). Therefore, a final form 5500 should have been prepared for the year ended 7/31/10 after the final funds were distributed.

The Company owns a building that it has not been able to sell due to the current economic conditions. Since the building could not be sold and there was still some existing inventory, Mr. Garnsey has continued the business at a very diminished capacity to try to sell inventory to salvage anything he can from the business to pay the mortgage (since there is still an existing mortgage on the building). There is basically no money left in the business (as I understand it, any money received from the sale of the building will go to paying back the mortgage). Mr. Garnsey also has had severe health issues during this time period (requiring several heart surgeries). In addition, the building and any existing inventory was severely damaged during Hurricanes Irene and Lee. FEMA and the insurance company have declined any coverage due to it being deemed "standing water." Needless to say, these issues have put significant financial

burdens on the company. Mr. Garnsey is an honorable man and wants to honor his commitments.

As soon as it was discovered that the tax return had not been filed, it was immediately sent to the IRS. This Company has always been in complete compliance with all IRS filing requirements. Please consider the above factors, and abate the proposed penalties based on reasonable cause.

Thank you for your attention in this matter.

Sincerely,
