To the Plan Administrator
Homemakers Upstate Group, Inc. Retirement Plan & Trust
Tonawanda, New York

We were engaged to audit the financial statements of Homemakers Upstate Group, Inc. Retirement Plan & Trust as of December 31, 2011 and 2010, and for the year ended December 31, 2010, and the supplemental schedule as of and for the year ended December 31, 2010 as listed in the accompanying table of contents. These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by MG Trust Company, LLC, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained a certification from the trustee as of and for the years ended December 31, 2011 and 2010, that the information provided to the Plan administrator by the trustee is complete and accurate.

As described in Note 2, these financial statements and supplemental schedule were prepared on the modified cash basis of accounting, which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedules are presented for the purpose of additional analysis and are not a required part of the financial statements but are required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

1. DESCRIPTION OF PLAN

The following description of the Homemakers Upstate Group, Inc. and Subsidiaries (the "Company") Retirement Plan & Trust (the "Plan") provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General

The Plan is a salary reduction plan covering all non-union, non-leased, and non-highly compensated employees of the Company who have one year of service and are age twenty-one and older. It is subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA"). The Plan is administered by P & A Administrative Services, Inc. The Plan was amended and restated effective January 1, 2009 to comply with the provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 ("EGTRRA").

Contributions

Each year, subject to legal limits, participants may contribute a percentage of their pre-tax annual compensation as subject to specified limits defined in the Plan. Participants may also contribute rollover amounts representing distributions from other qualified defined benefit or contribution plans.

The Company may make an annual discretionary contribution, a percentage of which is allocated to all Class I eligible employees (employed by Homemakers Upstate Group, Inc. at year end) based on their eligible salary, and a percentage of which is allocated to Class II participating employees (employed by other subsidiaries at year end) based on their eligible salary. No annual discretionary contribution was made for the year ended December 31, 2011.

Participants direct the investment of their salary reduction contributions and employer discretionary contributions into various investment options offered by the Plan. The Plan currently offers eighteen mutual funds as investment options for participants.

Participant Accounts

Individual accounts are maintained for each Plan participant. Participant accounts are increased by participant contributions, Company contributions, and the participant's share of Plan earnings. Participant accounts are decreased by participant distributions, the participant's share of Plan losses and certain administrative expenses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Expenses

Expenses are allocated to all participants' accounts either proportionately based on value of account balances or on an equal dollar amount based on the number of participants in the Plan dependant on the nature of the expense.

Forfeitures

Forfeitures are allocated to (1) pay any administrative expenses and (2) any remaining forfeitures may be used to offset employer contributions. Forfeitures totaling $1,677 were utilized for the year ended December 31, 2011.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company's contribution of participant accounts plus actual earnings thereon is based on three (3) whole years of service, at which time, a participant becomes 100% vested.

Payment of Benefits

On termination of employment due to termination, disability, or retirement, a participant may elect to receive a lump-sum amount equal to the value of the participant's vested interest in his or her account. Distributions in excess of $1,000 require written consent from the participant before distribution may be made. Upon death of a participant, their estate or beneficiary will be entitled to a single lump-sum distribution of 100% of the vested account balance. The spouse or beneficiary of a deceased participant may make certain legally-defined elections to defer distribution of the vested account balance. Hardship withdrawals, as defined by the Plan, are allowed up to 100% of their salary reduction amount.

Notes Receivable from Participants

Participants are permitted to borrow a minimum of $1,000, up to a maximum amount of the lesser of (1) $50,000 or (2) 50% of their vested balance. The notes receivable are secured by the balance in the participant's account and bear interest at prevailing rates as determined by the Plan administrator. Notes receivable are valued at amortized cost. Principal and interest is paid ratably through each payroll deduction. Delinquent notes receivable from participants are recorded as a distribution based upon the terms of the plan document.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

These financial statements are prepared on the modified cash basis of accounting. Under the modified cash basis of accounting used in the financial statements, employee and employer contributions receivable at Plan year-end are included; distributions and immaterial expenses payable at Plan year-end are not included.

Estimates

The preparation of financial statements requires the Plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition

The Plan allows participants to self-direct their account investments within certain specified investment vehicles.

The Plan's investments were in mutual funds maintained by MG Trust Company, LLC. The fair value of each mutual fund is provided by MG Trust Company, LLC, based on quoted market prices. There are no reserves against these investment values for credit risk.

Fair value measurements topic of the FASB Accounting Standards Codification (ASC 820) establishes a framework for measuring fair value which provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy consists of three levels, with level 1 as the highest priority and 3, the lowest priority. The three levels of the fair value hierarchy are as follows:

Level 1: Valuations are unadjusted quoted prices for identical assets in active markets.

Level 2: Valuations are quoted prices for similar assets in active market or identical or similar assets in inactive markets.

Level 3: Valuation methods are unobservable and significant to the fair value measurement.

Purchases and sales of securities are recorded net of related investment fees on a trade-date basis.

Concentrations of Credit Risk

The Plan invests in mutual funds which are exposed to various risks such as interest rate, market and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

3. INVESTMENTS

The Plan investments are held, accounted for, and certified as correct by MG Trust Company, LLC. The following presents investments and changes in investments as of and for the years ended December 31, 2011 and 2010 certified by MG Trust Company, LLC. Investments which represent 5% or more of the Plan's net assets are specifically identified.

	2010	2009
AM FDS Growth Fund of America	$ 308,784	$ 332,855
Vanguard 500 Index Fund	184,600	185,322
Vanguard Morgan Growth Fund	102,044	144,298

Vanguard Inflation Protection	$	88,628	$	75,746
BK AM Stable Value Fund		160,498		125,928
Dodge & Cox Income Fund		112,224		84,938
Other		472,397		471,410
Total	$	1,429,175	$	1,420,497

Changes in Net Assets (Cash Basis):		
Net Depreciation	$	33,522
Dividends		25,455
Administrative Expenses		13,468

4. PLAN TERMINATION

Although it has expressed no intent to do so, the Company has the right to terminate the Plan at any time subject to the provisions of ERISA. Upon termination, all amounts credited to participants' accounts would become 100% vested.

5. TAX STATUS AND PLAN AMENDMENTS

Effective March 2008, the Plan delegated authority to the Sponsoring Organization (Sunguard) to adopt a volume submitter plan (a specimen plan that the sponsoring organization prepares that the Plan adopts on an identical or substantially identical basis). The IRS issues advisory letters to sponsoring organizations on the acceptability of the form of the specimen plans.

The Plan was submitted to expedited review as a volume submitter plan. No modifications from the approved specimen plan have been made to the Plan.

The Plan administrator believes that the volume submitter plan is designed and is currently being operated in compliance with the applicable requirements of the Internal Revenue Code ("IRC").

Accordingly, no provision for income taxes has been included in the accompanying financial statements. The Company believes the Plan is no longer subject to tax examinations for years prior to 2009.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability or asset if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. Management is not aware of any uncertain tax positions that would cause the Plan to lose its tax status or to otherwise be subject to other taxes or penalties.

6. FAIR VALUE MEASUREMENTS

The Plan's investments are measured at fair value at December 31, using the following fair value hierarchy.

	Level 1	Level 2	Level 3	Total
2011	$ 1,429,175	$ -	$ -	$ 1,429,175
2010	$ 1,420,497	$ -	$ -	$ 1,420,497

Level 1: The fair value of mutual funds is based on quoted net asset values of the shares held by the fund at year end.

7. SUBSEQUENT EVENTS

Management has evaluated subsequent events through June 19, 2012, the date on which the financial statements were available to be issued.
