NOTES TO FINANCIAL STATEMENTS

NOTE 1 – DESCRIPTION OF PLAN

The following description of The Washington Post Tax Deferral and Savings Plan No. 3 (the Plan) provides only general information. Participants should refer to the Plan document for a more comprehensive description of the Plan's provisions. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974, as amended (ERISA). On September 20, 2011, the assets of the Plan merged into The Washington Post Tax Deferral and Savings Plan.

General

The Plan is a defined contribution plan permitting eligible employees of WP Company LLC (the Company) who are members of a union participating in the Plan under the terms of its in-force collective bargaining agreement, to participate upon hire. Eligible employees must affirmatively elect to participate in the Plan, with the exception of Utility Mailers, who receive a Company Automatic Contribution in the Plan. Eligible employees who have completed 1,000 or more hours of service in a period of twelve consecutive months (Eligibility Year of Service) are eligible to receive a Company Matching Contribution, if available in the Plan.

During 2011, the Plan's Administrator adopted amendments to the Plan, which are not expected to affect the Plan's qualified status under ERISA. Substantially all of these amendments became effective in either 2011 or 2010.

The Plan is administered by a Savings Plan Committee (the Plan Administrator), whose members are appointed by the Company's Board of Directors. Vanguard Fiduciary Trust Company (VFTC) is the Plan's Trustee.

All investments are participant directed. Upon enrollment in the Plan, a participant may direct employer contributions, if any, to any of the investment options. Employee contributions may be directed to any of the investment options except the Washington Post Stock Fund (only employer contributions may be invested in the Washington Post Stock Fund).

In addition, contributions to the Berkshire Hathaway Stock Fund may not exceed 25% of a participant's own contributions or 25% of the employer contributions to a participant's account. Exchanges into the Berkshire Hathaway Stock Fund from any other fund(s) may be made only if the resulting investment in the Berkshire Hathaway Stock Fund immediately following the exchange is no more than 25% of the participant's total account balance.

Contributions

Each year, participants may contribute a percentage of pre-tax annual eligible compensation to the Plan at rates specified in the Plan. The total pre-tax contribution, however, is subject

to dollar limitations set forth by the Internal Revenue Code ($16,500 in 2011 and 2010). Participants may also contribute a percentage of after-tax annual eligible compensation to the Plan at rates established by the Plan Administrator. The Company matches 100% of a participant's basic contribution, as defined by the Plan and the in-force collective bargaining agreement. The Plan was amended January 29, 2006 to create a Company Automatic Contribution for Utility Mailer participants. A participant's total pre-tax and after-tax contributions to the Plan are subject to dollar limitations set forth by the Internal Revenue Code (IRC). Contributions are remitted to a trust that is administered by VFTC.

Participant Accounts

Each participant's account is credited with his/her contributions, the Company contributions, if any, and an allocation of the investment earnings (losses). Allocations are based on participant earnings or account balances, as defined.

Vesting

Upon enrollment in the Plan, participants are fully vested at all times in all amounts held in their accounts.

Plan Expenses

The Company pays for all of the Plan's administrative expenses.

Payment of Benefits

At any time, a participant may withdraw employee contributions that do not qualify for tax deferred treatment. Employee tax deferred contributions and certain related earnings may be withdrawn if in the judgment of the Savings Plan Committee, a participant is suffering a serious financial hardship and other sources of funds are not available to the participant. Upon attainment of age 59½, a participant may withdraw his/her full account. Effective January 1, 2010, there is no longer a limit to the number of non-hardships withdrawals permitted during the Plan Year.

Accounts of terminated participants may be retained in the Plan until the participant reaches age 65. At age 65, the full account balance must be distributed. The terminated participant may request at any time prior to age 65 to receive a distribution of the total amount in his/her account. If a terminated participant with a deferred account dies prior to receiving the full value of the account, the account balance will be paid to the participant's beneficiary. Account balances of $5,000 or less may not be deferred and are subject to automatic rollover/automatic cash out.

Upon termination of employment by reason of death, total disability, early retirement on or after attaining age 55 with ten or more years of service, retirement on or after attaining age

65, or for any other reason, the total value of a participant's account is payable in a lump sum.

Plan Termination

On September 20, 2011, the assets of the Plan merged into The Washington Post Tax Deferral and Savings Plan. Following the merger of the assets the Plan was terminated by the Company. There were no participants in the Plan at the date of termination.

NOTE 2 – SUMMARY OF ACCOUNTING POLICIES

The following accounting policies, which conform with accounting principles generally accepted in the United States of America, have been used consistently in the preparation of the Plan's financial statements:

Basis of Accounting

The financial statements of the Plan are prepared using the accrual basis of accounting.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein and disclosure of contingent assets and liabilities. Actual results could differ from those estimates.

Investment Valuation and Income Recognition

The Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. Shares of registered investment companies are valued at quoted market prices, which represent the net asset value of shares held by the Plan at year end. The Washington Post Stock Fund and the Berkshire Hathaway Stock Fund are valued at their year-end unit closing price (comprised of common stock at the year-end market price, plus an uninvested cash portion).

Purchases and sales of investments are recorded on a trade-date basis. Interest income is accrued when earned. Dividend income is recorded on the ex-dividend date. Capital gains distributions are included in dividend income.

NOTES TO FINANCIAL STATEMENTS

The Plan presents in the Statements of Changes in Net Assets Available for Benefits, the net appreciation (depreciation) in the fair value of the investments, which consists of the realized gains or losses and the unrealized appreciation (depreciation) on those investments.

Payment of Benefits

Benefits are recorded when paid.

Risks and Uncertainties

The Plan provides for various investment options. Investment securities are exposed to various risks, such as interest, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the Statements of Net Assets Available for Benefits.

NOTE 3 – NET (DEPRECIATION) APPRECIATION IN FAIR VALUE OF INVESTMENTS

During 2011 and 2010, the Plan's investments (including gains and losses on investments bought and sold, as well as held during the year) (depreciated) appreciated in value as follows:

	For the period ended	
	September 20, 2011	December 31, 2010
Registered investment companies	$ (741,909)	$ 1,462,493
Common stock	(253,076)	23,303
	$ (994,985)	$ 1,485,796

NOTE 4 – RELATED-PARTY TRANSACTIONS

The Plan's investments include shares of registered investment companies (mutual funds) managed by The Vanguard Group, Inc. Due to the relationship between VFTC as Plan Trustee and The Vanguard Group, Inc., investment transactions in registered investment companies managed by The Vanguard Group, Inc. qualify as party-in-interest transactions. Investments of the Plan in the Vanguard registered investment companies are exempt from the prohibited transaction rules of ERISA pursuant to a class exemption issued by the U.S. Department of Labor.

NOTES TO FINANCIAL STATEMENTS

The Plan's investments include shares of the common stock of The Washington Post Company and Berkshire Hathaway, Inc. (Berkshire). Berkshire owns approximately 23% of the common stock of The Washington Post Company. The chairman, chief executive officer and largest stockholder of Berkshire, Mr. Warren Buffett, was a member of The Washington Post Company's Board of Directors until the expiration of his term effective May 2011. Berkshire Hathaway, Inc. and Mr. Warren Buffett therefore qualify as parties-in-interest. The Washington Post Company also is a party-in-interest. Because of the manner in which such transactions are effected, the Plan Administrator believes that investment transactions by the Plan in the stock of Berkshire and in the stock of The Washington Post Company are not prohibited transactions.

NOTE 5 – TAX STATUS

On July 19, 2011, the Internal Revenue Service made a favorable determination that the Plan, as then designed, was qualified under IRC Section 401(a). Such determination letter did not involve a review of the effect on the plan of certain amendments adopted in 2011. Although the Plan has been amended since submitting the application for the determination letter, the Plan administrator believes that the Plan is designed and was operated in compliance with the applicable requirements of the Internal Revenue Code through the date of termination. Therefore, the Plan Administrator has concluded that as of September 20, 2011, there are no uncertain tax positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits for tax returns filed in the past three years by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

NOTE 6 – INFORMATION CERTIFIED BY THE PLAN'S TRUSTEE

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under ERISA, VFTC, the Plan Trustee, has certified the following information, which has not been subject to audit by independent auditors, to be accurate and complete:

- Investment balances included in the Statements of Net Assets Available for Benefits at September 20, 2011 and December 31, 2010.
- Interest and dividend income and net (depreciation) appreciation in fair value of investments for the periods ended September 20, 2011 and December 31, 2010 included in the Statements of Changes in Net Assets Available for Benefits and in Note 3.

NOTES TO FINANCIAL STATEMENTS

NOTE 7 – FAIR VALUE MEASUREMENTS

A fair value measurement is determined based on the assumptions that a market participant would use in pricing an asset or liability, based on a three-tiered hierarchy that draws a distinction between market participant assumptions based on (i) observable inputs, such as quoted prices in active markets (Level 1); (ii) inputs other than quoted prices in active markets that are observable either directly or indirectly (Level 2); and (iii) unobservable inputs that require the Plan to use present value and other valuation techniques in the determination of fair value (Level 3). Financial assets and liabilities are classified in their entirety based on the lowest level of input that is significant to the fair value measure. The Plan's assessment of the significance of a particular input to fair value measurements requires judgment and may affect the valuation of the assets and liabilities being measured and their placement within the fair value hierarchy.

The Plan's financial assets measured at fair value on a recurring basis as of September 20, 2011 and December 31, 2010, were as follows:

	Fair Value Measurement			
	Fair Value at September 20, 2011	Quoted Prices in Active Markets for Identical Items (Level 1)	Fair Value at December 31, 2010	Quoted Prices in Active Markets for Identical Items (Level 1)
Assets:				
Mutual funds	$ —	$ —	$ 19,967,399	$ 19,967,399

Total financial assets	$ —	$ —	$ 21,156,001	$ 21,156,001
