These financial statements and supplemental schedule are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan Administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3, which was certified by Principal Life Insurance Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedules. We have been informed by the Plan Administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan Administrator has obtained a certification from the trustees as of and for the years ended December 31, 2011 and 2010, that the information provided to the Plan Administrator by the trustees is complete and accurate.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements and supplemental schedule taken as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. The form and content of the information included in the financial statements and supplemental schedule, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN

Nalbach Companies, et. al. Profit Sharing 401(k) Plan and Trust (the Plan) is a defined contribution plan providing profit sharing and savings benefits to those eligible employees of John R. Nalbach Engineering Co., Inc. and related companies (by reason of common ownership) (Companies) as follows:

- Erie Industrial Products Company
- Ability Metal Products, Inc.
- Chicago Metal Fabricators, Inc.
- Fanmar, Inc.
- Container Handling Systems Corporation
- Ultra Specialties & Engineering, Inc.

Participants in a company sold during 2002 maintained their vesting status based on the length of service. Such participants' accounting balances continue to remain in the Plan, unless otherwise instructed by the participants.

The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended. Employees become eligible to participate in the Plan after reaching 20½ years of age and providing at least six months of continuous service to the Companies.

Participants may elect to contribute a percentage of eligible compensation, not to exceed the limitations of the Internal Revenue Code. Participants direct the investment of their contributions into various investment options offered by the Plan. Participants may also contribute amounts representing distributions from other qualified defined benefit or defined contribution plans.

The Employer may make discretionary profit-sharing to the Plan. Employer discretionary contributions are to be determined at the discretion of the Board of Directors of the Companies for each Plan year, out of current net profits or accumulated annual net profits from prior years. In December 2011, the Company elected to make a discretionary contribution of 2.5% of each participants base salary to the Plan.

Benefits are payable to a participant or the participant's designated beneficiary upon the participant's termination, retirement from the Company or death. A participant 59½ or older may withdraw his or her aggregate account prior to termination of employment. Benefits are payable as a lump sum. Participants are fully vested in their contributions, while the Company’s profit sharing contributions are vested on a graded schedule, as follows:

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

NOTE 1 - GENERAL DESCRIPTION OF THE PLAN, CONTINUED

YEARS COMPLETED	PERCENTAGE
1 year	0%
2 years	20%
3 years	40%
4 years	60%
5 years	80%
6 or more years	100%

With the Plan administrator's approval, participants may withdraw all or part of their aggregate contribution in the event of financial hardship.

The Plan does not allow participant loans, however on February 16, 2007, Zopel Engineering was acquired by Ability Metal Company, and as such, the loan balance merged into the Nalbach Companies, et. al. Profit Sharing 401(k) Plan and Trust.

The Company anticipates and believes the Plan will continue without interruption but reserves the right to terminate the Plan at any time. Upon termination of the Plan, no further contributions will be made to the Plan. Amounts will be distributed upon Plan termination in a matter permitted by the Plan as soon as practical.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The financial statements of the Plan are prepared on the accrual basis of accounting.

Expenses of the Plan

All general expenses incurred in the administration of the Plan are paid by the Companies. Certain transaction expenses are paid by the participants of the Plan and are deducted from Plan assets.

Investment Valuation

Investments at December 31, 2011 and 2010 are stated at the amounts certified by the trustee of the Plan, Principal Life Insurance Company, which represent fair market value at the date of the statement of net assets available for Plan benefits. Shares of pooled separate accounts are valued at the net asset value of shares held by the Plan at year-end. The guaranteed interest accounts are not fully benefit-responsive investment contracts and therefore are stated at fair value.

NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, CONTINUED

Notes Receivable From Participants

Notes Receivable from participants are measured at their unpaid principle balance, plus any accrued but unpaid interest. Delinquent participant loans are reclassified as distributions based upon the terms of the plan document.

Accounting Estimates

The preparation of financial statements in conformity with auditing standards generally accepted in the United States of America requires the Plan Administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through July 16, 2012, the date that the financial statements were available for issue.

NOTE 3 - INVESTMENTS

The Plan's investments are held by the trustee of the Plan, Principal Life Insurance Company, the custodian of the Plan for the years ended December 31, 2011 and 2010. The custodian has certified the completeness and accuracy of the following information which is included in the financial statements and supplemental schedule. The following table presents the fair values of investments in excess of 5% of total Plan assets for the years ended December 31, 2011 and 2010:

FAIR VALUE OF INVESTMENTS

	2011	2010
Investments at fair value:		
Guaranteed Interest	$ 1,464,824	1,448,677
Principal Money Market Separate Account	592,022	452,694
Principal Bond and Mortgage Separate Account	906,369	817,043
Principal Lifetime 2010 Separate Account	623,161	574,252
Principal Large Cap S&P 500 Index Separate Account	852,261	484,211
Principal Mid Cap Blend Separate Account	610,438	502,212
Principal Diversified International Separate Account	-	479,992
Aggregate total of investments under 5% of current value of Plan assets	3,876,118	3,793,180
	$ 8,925,193	8,552,261

NOTE 4 - TAX STATUS OF PLAN

The Plan adopted a non-standardized form of a prototype plan sponsored by Principal Financial Group. The prototype plan has received an opinion letter, dated July 22, 2003 from the Internal Revenue Service as to the prototype plan's qualified status. The prototype plan opinion letter has been relied upon by this Plan. The Plan has been amended since receiving this determination letter. The trustees believe that the Plan is currently designed and is being operated in compliance with the applicable requirements of the code.

Accounting principles generally accepted in the United States of America require plan management to evaluate tax positions taken by the Plan and recognize a tax liability if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. The Plan Administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011 and 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan Administrator believes it is no longer subject to income tax examinations for years prior to 2008.

NOTE 5 - RELATED PARTY TRANSACTIONS

Certain Plan investments are shares of mutual funds managed by Principal Life Insurance Company, the trustee as defined by the Plan and, therefore, these transactions qualify as party-in-interest transactions. Fees paid by the Plan for the investment services amounted to $7,104 for the year ended December 31, 2011.

NOTE 6 - RISK AND UNCERTAINTIES

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statement of net assets available for benefits.

NOTE 7 - FAIR VALUE MEASUREMENTS

Accounting principles generally accepted in the United States of America establish a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1 — Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

Level 2 — Inputs to the valuation methodology include:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs other than quoted prices that are observable for the asset or liability;
- Inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 — Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2011 and 2010.

Mutual Funds: Based on the net asset value (NAV) of shares held by the Plan at year end.

Pooled Separate Accounts and Principal U.S. Property Separate Account: Based on the net asset value (NAV) of shares held by the Plan at year end.

NOTE 7 - FAIR VALUE MEASUREMENTS, CONTINUED

Guaranteed Interest Accounts: Valued at fair value by discounting the related cash flows based on current yields of similar instruments with comparable durations considering the creditworthiness of the issuer.

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Plan's assets at fair value as of December 31, 2011 and 2010:
