As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the investment information summarized in Note 3, which was certified by Fidelity Management Trust Company, the trustee of the Plan, except for comparing such information with the related information included in the financial statements and supplemental schedule. We have been informed by the plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The plan administrator has obtained a certification from the trustee as of December 31, 2011 and 2010, and for the years then ended, that the information provided to the plan administrator by the trustee is complete and accurate.

JT3 LLC Savings Plan

Notes to Financial Statements

December 31, 2011

1. Plan Description

General

The following brief description of the JT3 LLC Savings Plan (the Plan) is provided for general information purposes only. Participants should refer to the Plan document for more complete information.

JT3 LLC (the Company) established the Plan effective as of February 1, 2002, as a profit sharing plan under Code Section 401(a), and includes a cash or deferred arrangement that is intended to qualify under Code Section 401(k).

Since URS Corporation (formerly known as EG&G Technical Services, Inc.) is a 50% owner of the Company, it allowed all of its employees transferring into the Company to transfer all of their balances from their previously existing plan into this Plan.

Effective January 1, 2009, the Plan was amended and restated in its entirety to reflect the requirements of applicable federal laws commonly referred to as EGTRRA and to incorporate all prior adopted amendments. This amendment included an increase in the employer matching percentage of base compensation from 6% to 8%.

The Plan was also amended effective January 1, 2009 to comply with the requirements of the Pension Protection Act of 2006, the Heroes Earnings Assistance and Relief Tax Act of 2008, and the Worker, Retiree, and Employer Recovery Act of 2008. This amendment was adopted on December 17, 2009.

Contributions

Each year, participants may contribute up to 60% of combined pretax, Roth, and after tax annual eligible compensation subject to Internal Revenue Service (IRS) limitations. Participants may also contribute up to 25% of combined pretax and Roth annual compensation, subject to IRS limitations to the catch-up account. The Company contributes 50% of the first 8% of base compensation that a participant contributes to the Plan. Additional amounts may be contributed at the discretion of the Company's Board of Managers; however, no additional amounts were contributed for 2011 and 2010.

Notes to Financial Statements (continued)

1. Plan Description (continued)

Participant Accounts

Each participant's account is credited with the participant's and the Company's contributions and allocations of plan earnings and is charged with an allocation of the Plan's administrative expenses. Net investment income or loss of each investment is allocated daily based on the participant's share of their respective elected investment options. Allocations are based on participant earnings or account balances, as defined.

Forfeitures

As of December 31, 2011 and 2010, there were \$7,853 and \$12,893, respectively, of unallocated forfeitures. During the years ended December 31, 2011 and 2010, forfeitures were used to reduce employer contributions by \$28,890 and \$29,271, respectively.

Benefit Payments

Upon termination of service or upon death, disability or retirement, a participant may receive a lump-sum amount equal to the vested value of his or her account.

Vesting

Participants are immediately vested in their contributions plus actual earnings thereon. Vesting in the Company contribution portion of their accounts plus actual earnings thereon is based on years of vesting service in accordance with the service crediting provisions of the Plan. A participant is 100% vested after three years of credited service. However, if employment terminates for a reason other than retirement, death or disability, the participant's vesting in the value of any matching or other Company contributions will be based upon the participant's years of vesting service and in accordance with the following schedule:

<u>Years of Service</u>	<u>Vested Interest</u>
Less than 1	0%
1 or more, but less than 2	33%
2 or more, but less than 3	66%
3 or more	100%

JT3 LLC Savings Plan

Notes to Financial Statements (continued)

1. Plan Description (continued)

The amount to which the participant is not vested is subject to forfeiture in accordance with the provisions of the Plan.

Notes Receivable from Participants (Participant Loans)

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Loan terms range from one to five years or up to 15 years for the purchase of a primary residence. The loans are secured by the balance in the participant's account and bear interest at the prime rate as defined in the Plan at the beginning of the month plus 1%. Principal and interest are paid ratably through payroll deductions.

Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plan to discontinue its contributions at any time and to terminate the Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA). In the event of Plan termination, participants will become 100% vested in their accounts.

Administrative Expenses

Most expenses associated with establishment, operation and administration of the Plan are borne by JT3 LLC as the Plan sponsor. Officers or employees of the Company perform certain administrative functions for the Plan. Neither the Company nor its officers or employees receive compensation or reimbursement from the Plan for these services.

2. Summary of Significant Accounting Policies

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States (U.S. GAAP).

JT3 LLC Savings Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates.

Investment Valuation

Plan investments are held by the Plan's trustee, Fidelity Management Trust Company (Fidelity), and are stated at fair value as determined by Fidelity based on the quoted market prices of the underlying investments (see Note 3).

Notes Receivable from Participants

Notes receivable from participants represent participant loans that are recorded at their unpaid principal balance plus any accrued but unpaid interest. Interest income on notes receivable from participants is recorded when it is earned. Related fees are recorded as administrative expenses and are expensed when they are incurred. No allowance for credit losses has been recorded as of December 31, 2011 or 2010. If a participant ceases to make loan repayments and the plan administrator deems the participant loan to be a distribution, the participant loan balance is reduced and a benefit payment is recorded.

Concentration of Market and Credit Risk

The Plan's exposure to credit loss in the event of nonperformance of investments is limited to the carrying value of such instruments. The Plan's concentrations of credit risk and market risk are dictated by the Plan's provisions as well as those of ERISA and the participants' investment preferences. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of these investments, it is at least reasonably possible that changes in risks in the near term could materially affect participant account balances and the amounts reported in the financial statements.

Contributions

Contributions are recorded when the Company makes payroll deductions from, or reduces the compensation of, Plan participants.

JT3 LLC Savings Plan

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Benefit Payments

Benefits due to terminated participants and participant withdrawals are recorded on the date distributions are made.

Recent Accounting Pronouncements

In May 2011, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2011-04, *Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in the U.S. GAAP and International Financial Reporting Standards* (IFRSs). ASU 2011-04 amended ASC 820, *Fair Value Measurement*, to converge fair value measurement guidance in the U.S. GAAP and IFRSs. Some of the amendments clarify the application of existing fair value measurement requirements, while other amendments change a particular principle for measuring fair value in ASC 820. In addition, ASU 2011-04 requires additional fair value disclosures although certain of these new disclosures will not be required for non-public entities. The amendments are to be applied prospectively and are effective for annual periods beginning after December 15, 2011. The Company is currently evaluating the effect that the provisions of ASU 2011-04 will have on the Plan's financial statements.

3. Investments

All investment information disclosed in the accompanying financial statements and supplemental schedule, including investments held and notes receivable from participants at December 31, 2011 and 2010, and net appreciation in fair value of investments, interest, and dividends for the years then ended, was obtained or derived from information provided to the plan administrator and certified as complete and accurate by Fidelity Management Trust Company (Fidelity), the trustee of the Plan.

JT3 LLC Savings Plan

Notes to Financial Statements (continued)

3. Investments (continued)

Investments that represent 5% or more of fair value of the Plan's net assets are as follows:

	December 31	
	2011	2010
Fidelity Contrafund	\$ 10,394,727	\$ 10,558,563
Fidelity Growth Company Fund	9,280,489	8,764,689
Fidelity Low-Priced Stock Fund	*	6,711,989
Fidelity Retirement Govt. Money Market	15,869,446	13,575,936

*Investment did not represent 5% or more of the Plan's net assets for the year.

Fair value is defined as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date (i.e., an exit price). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy are described below:

Level 1 – Unadjusted quoted prices in active markets that are accessible to the reporting entity at the measurement date for identical assets and liabilities.

Level 2 – Inputs other than quoted prices in active markets for identical assets and liabilities that are observable either directly or indirectly for substantially the full term of the asset or liability. Level 2 inputs include the following:

- quoted prices for similar assets and liabilities in active markets
- quoted prices for identical or similar assets or liabilities in markets that are not active
- observable inputs other than quoted prices that are used in the valuation of the asset or liabilities (e.g., interest rate and yield curve quotes at commonly quoted intervals)
- inputs that are derived principally from or corroborated by observable market data by correlation or other means

Level 3 – Unobservable inputs for the asset or liability (i.e., supported by little or no market activity). Level 3 inputs include management's own assumption about the assumptions that market participants would use in pricing the asset or liability (including assumptions about risk).

JT3 LLC Savings Plan

Notes to Financial Statements (continued)

3. Investments (continued)

The level in the fair value hierarchy within which the fair value measurement is classified is determined based on the lowest level input that is significant to the fair value measure in its entirety.

The following tables set forth by level, within the fair value hierarchy, the Plan's assets carried at fair value as of December 31, 2011 and 2010.

4. Income Tax Status

The Plan has received a determination letter from the IRS dated November 20, 2009, stating that the Plan is qualified under Section 401(a) of the Internal Revenue Code (the Code) and, therefore, the related trust is tax-exempt. Subsequent to this determination by the IRS, the Plan

JT3 LLC Savings Plan

Notes to Financial Statements (continued)

4. Income Tax Status (continued)

was amended. Once qualified, the Plan is required to operate in conformity with the Code to maintain its qualification. The plan administrator believes the Plan is being operated in compliance with the applicable requirements of the Code and, therefore, believes the Plan is qualified and the related trust is tax-exempt.

Accounting principles generally accepted in the United States require plan management to evaluate uncertain tax positions taken by the Plan. The financial statement effects of a tax position are recognized when the position is more likely than not, based on the technical merits, to be sustained upon examination by the IRS. The plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011, there are no uncertain positions taken or expected to be taken. The Plan has recognized no interest or penalties related to uncertain tax positions. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

5. Party-in-Interest Transactions

Most of the Plan's investments in the mutual funds are managed by Fidelity or its affiliate, and, therefore, these transactions qualify as party-in-interest transactions permitted by the Department of Labor's Regulations.

6. Subsequent Events

In accordance with accounting standards for subsequent events, the Plan's management has evaluated subsequent events through July 20, 2012, the date these financial statements were available to be issued.
