## INDEPENDENT AUDITORS' REPORT

Board of Directors  
People for People 401(k) Plan  
Yakima, Washington

We have audited the accompanying statements of net assets available for benefits of the People for People 401(k) Plan (the Plan) as of December 31, 2011 and 2010, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of People for People 401(k) Plan as of December 31, 2011 and 2010, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The supplemental schedule is presented for the purpose of additional analysis and is not a required part of the financial statements but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Such information is the responsibility of the Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

**PEOPLE FOR PEOPLE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2011**

**NOTE 1 DESCRIPTION OF THE PLAN**

The following description of the People for People 401(k) Plan (the Plan) provides only general information. Participants should refer to the Plan document for a more complete description of the Plan's provisions.

**General**

The Plan is a defined contribution plan originally effective May 1, 2002. The Plan has been amended and restated throughout the years to comply with tax legislation and most recently restated January 1, 2007 and most recently amended July 15, 2011 with various effective dates. The Plan covers all employees of People for People (the Organization) except for employees covered by a collective bargaining agreement. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA), as amended.

**Eligibility**

Salary Deferrals – To be eligible to participate in the salary deferral portion of the Plan an employee must attain age 21 and perform 90 days of service. A participant may contribute salary deferral contributions on the first pay period following completion of the eligibility requirements.

Organization Match and Profit Sharing – In order to receive the Organization's discretionary matching contribution and an allocation of the Organization's discretionary profit-sharing contribution, an employee must complete 1,000 hours of service within the Plan year, be 21 years of age or older, and be employed on the last day of the Plan year. A participant is also eligible to receive a discretionary matching and profit-sharing contribution if the participant's termination during the Plan year was the result of death, disability, or the attainment of normal retirement age. The entry dates for the Organization's contributions are January 1 and July 1 following completion of the eligibility requirements.

**Contributions**

Salary Deferrals – The Plan includes a salary deferral arrangement allowed under Section 401 (k) of the Internal Revenue Code (IRC). Eligible participants are permitted to elect to have a percentage, limited by Plan provisions, of their compensation contributed as pre-tax 401(k) contributions to the Plan. Participants who have attained age 50 before the end of the Plan year are eligible to make catch-up contributions. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans or conduit IRAs. Participants direct the investment of contributions into various investment options offered by the Plan. The Plan currently offers various mutual funds as investment options for participants. Contributions are subject to limitations.

Organization Match and Profit Sharing – The Organization, at its discretion, may make discretionary matching and profit-sharing contributions to the participant's individual accounts. The Organization matched employee salary deferrals dollar for dollar up to 2% of compensation for the years ended December 31, 2011 and 2010. The Organization made a discretionary profit-sharing contribution to each participant's account equal to 5% of compensation for the years ended December 31, 2011 and 2010.

**PEOPLE FOR PEOPLE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2011**

**NOTE 1    DESCRIPTION OF THE PLAN (CONTINUED)**

**Participant Accounts**

Each participant's individual account is credited with salary deferral contributions, Organization discretionary matching and profit-sharing contributions, and Plan earnings. Allocations are based on participant earnings or account balances as defined. Income is allocated daily based on the shares in the participant's account. The benefit to which a participant is entitled is the benefit that can be provided by the participant's account.

**Vesting**

Participants are immediately vested in their contributions, the Organization's discretionary matching contributions, and actual earnings thereon. Vesting in the Organization's discretionary profit-sharing contribution portion of their accounts, plus actual earnings thereon, is based on years of credited service. A participant is 100% vested after three years of credited service. A participant is fully vested upon reaching normal retirement age, death, or permanent disability.

**Notes Receivable from Participants**

Participants may borrow from their fund accounts a minimum of \$1,000 up to a maximum equal to the lesser of \$50,000 or 50% of their vested account balance. Principal and interest is paid ratably through payroll deductions. Note terms are up to five years, except for notes to fund the purchase of a principal residence, for which the note may be repaid over a reasonable period that may exceed five years. The notes are secured by the balance in the participant's account and bear interest at a rate commensurate with local prevailing rates as determined annually by the Plan administrator. At December 31, 2011, interest rates ranged from 5.25% to 9.25%.

**Payment of Benefits**

Upon termination of service, death, disability, or retirement (age 65), the participant will receive the value of the vested interest in his or her account in the form of a lump-sum distribution. The Plan allows for in-service distributions if a participant reaches age 59½ and hardship distributions subject to Plan provisions. If a participant terminates employment and the participant's account balance does not exceed \$5,000, the Plan administrator will authorize the benefit payment without the participant's consent.

**Forfeited Accounts**

Forfeited nonvested accounts are first used to reduce administrative expenses and then are used to reduce future Organization contributions. There were no forfeited nonvested accounts as of December 31, 2011. Forfeited nonvested accounts as of December 31, 2010, totaled \$1,905. Forfeitures totaling \$1,905 were used to reduce the Organization's contributions receivable into the Plan for the year ended December 31, 2010. Forfeitures of \$1,048 were used to pay administrative expenses for the year ended December 31, 2010.

**PEOPLE FOR PEOPLE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2011**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Accounting**

The financial statements of the Plan are prepared on the accrual basis of accounting.

**Fair Value Measurements**

Financial Accounting Standards Board *Accounting Standards Codification 820, Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy are described as follows:

*Level 1:* Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Plan has the ability to access.

*Level 2:* Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability;
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

*Level 3:* Inputs to the valuation methodology are unobservable and significant to the fair market value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the valuation methodologies used at December 31, 2011 and 2010.

**PEOPLE FOR PEOPLE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2011**

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Use of Estimates**

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements. Actual results could differ from those estimates.

**Investment Valuation and Income Recognition**

The Plan's investments are valued at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

Mutual funds represent investments with various investment managers. The fair values of mutual funds are determined by reference to the fund's underlying assets, which are principally marketable equity and fixed income securities. Shares held in mutual funds traded on national securities exchanges are valued at the net asset value. Investments in cash are valued based on cost, which approximates fair value in a noninflationary economy and is protected by the Federal Deposit Insurance Corporation (FDIC).

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date. Net appreciation (depreciation) includes the Plan's gains and losses on investments bought and sold as well as held during the year.

**Notes Receivable from Participants**

Notes receivable from participants are measured at their unpaid principal balance plus any accrued but unpaid interest. Delinquent notes receivable are reclassified as distributions based upon the terms of the Plan document.

**Benefit Payments**

Benefits are recorded when paid.

**Administrative Expenses**

The Organization pays certain administrative expenses on behalf of the Plan. Certain transaction fees are paid by the Plan.

**NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Reclassifications**

Certain amounts in the 2010 financial statements have been reclassified to conform with the 2011 presentation. These reclassifications do not affect net assets available for benefits as previously reported.

**Subsequent Events**

In preparing these financial statements, the Plan has evaluated events and transactions for potential recognition or disclosure through July 10, 2012, the date the financial statements were available to be issued.

**NOTE 3 FAIR VALUE OF INVESTMENTS**

The following tables set forth by level, within the fair value hierarchy, the Plan's investments at fair value as of December 31:

2011

**NOTE 4 INVESTMENTS**

The following presents investments that represent 5% or more of the Plan's net assets as of December 31:

	2011	2010
Growth Fund of America R3	\$ 334,242	\$ 413,939
Washington Mutual Investors Fund	311,901	333,789
The Bond Fund of America	236,465	264,117
New Perspective Fund	208,283	256,353
Money Market Fund	176,230	212,175

During 2011 and 2010, the Plan's investments at estimated fair value (including gains and losses on investments bought and sold, as well as held during the year) in mutual funds appreciated (depreciated) by \$(44,527) and \$145,405, respectively.

**NOTE 5 RISKS AND UNCERTAINTIES**

The Plan invests in various investment securities. Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of the investment securities will occur in the near term and that such changes could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits.

**NOTE 6 PLAN TERMINATION**

Although it has not expressed any intent to do so, the Organization has the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, the participants would become 100% vested in their Organization contributions.

**NOTE 7 PLAN TAX STATUS**

The Organization adopted a prototype defined contribution plan with a deferral arrangement which received a favorable determination letter from the Internal Revenue Service (IRS) on March 31, 2008, which stated that the Plan is designed in accordance with applicable sections of the IRC. The Plan has been amended and restated since relying on the prototype determination letter. However, the Plan administrator believes that the Plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

**PEOPLE FOR PEOPLE 401(k) PLAN  
NOTES TO FINANCIAL STATEMENTS  
DECEMBER 31, 2011**

**NOTE 7    PLAN TAX STATUS (CONTINUED)**

Accounting principles generally accepted in the United States of America require Plan management to evaluate tax positions taken by the Plan and recognize a tax liability (or asset) if the Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan administrator has analyzed the tax positions taken by the Plan, and has concluded that as of December 31, 2011 and 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress. The Plan administrator believes it is no longer subject to income tax examinations for years prior to 2008.

**NOTE 8    PARTY-IN-INTEREST TRANSACTIONS**

Certain transactions are processed by BBM Financial Services Inc. BBM Financial Services Inc. is the third-party administrator as defined by the Plan and, therefore, the transactions qualify as party-in-interest transactions. The Plan did not pay any fees for the years ended December 31, 2011 and 2010.
