EARL W. COLVARD, INC. SAVINGS PLAN
NOTES TO FINANCIAL STATEMENTS
December 31, 2011 and 2010

NOTE A - DESCRIPTION OF PLAN

The following description of the EARL W. COLVARD, INC. SAVINGS PLAN (Plan) provides only general information. Participants should refer to the Plan agreement for a more complete description of the Plan's provisions.

General. The Plan is a defined contribution plan covering all full-time employees of Earl W. Colvard, Inc., d/b/a Boulevard Tire Center and Boulevard Retread Center, Inc., which are commonly-owned corporations. Employees must also have completed one year of service and have attained age twenty-one. The Plan is subject to the provisions of the Employee Retirement Income Security Act of 1974 (ERISA).

Contributions. For the years ended 2011 and 2010, participants may contribute up to 85% of their pretax annual compensation, as defined in the Plan. Participant contributions are subject to a maximum annual limitation of $17,000 and $16,500 for 2011 and 2010, respectively. Participants may also contribute amounts representing distributions from other qualified defined benefit or contribution plans (rollover contributions).

Participants direct the investment of their contributions into various investment options offered by the Plan. The Plan offers multiple investment options in registered investment companies (e.g. mutual funds).

For 2011 and 2010, Earl W. Colvard, Inc., d/b/a Boulevard Tire Center and Boulevard Retread Center, Inc. (the Companies) contributed an amount equal to 1% of participant compensation to the Plan for participants contributing 4% or more of their compensation to the Plan, and 0.25% for every 1% for those participants contributing less than 4% of their compensation to the Plan. The matching employer contribution is invested based on the participant's investment options selected.

Additional profit-sharing amounts may be contributed at the option of the Companies' boards of directors and are invested as directed by the participants. Contributions are subject to certain limitations. For 2011 and 2010, the Companies elected to contribute an additional 1% profit-sharing contribution for participants contributing 4% or more, and .25% for every 1% for those participants contributing less than 4% of their compensation to the plan.

Participants Accounts. Each participant's account is credited with the participant's contribution and allocations of (a) the Companies' contribution and, (b) Plan earnings, and charged with an allocation of administrative expenses and Plan losses. Allocations are based on participant earnings or account balances, as defined. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Vesting. Participants are immediately vested in their contributions, plus actual earnings thereon. Vesting in the Companies' contribution portion of their accounts is based on years of continuous service. For the years ended 2011 and 2010, a participant is 100% vested after six years of credited service.

NOTE A - DESCRIPTION OF PLAN, continued

Participant Loans.
Participants may borrow from their fund accounts a minimum of $1,000 up to a maximum equal to the lesser of $50,000 or 50% of their vested account balance. The loans are secured by the vested balance in the participant's account and bear interest at a rate of Prime plus 2%. Principal and interest is paid ratably through weekly payroll deductions for a period not to exceed five years. If the purpose of the loan is to acquire or construct the primary residence of the participant, the period of payment may exceed five years, but in no event shall it exceed the usual repayment period required by commercial lenders for similar loans. At December 31, 2011 and 2010, participant loans totaled $267,642 and $220,165, respectively.

Payment of Benefits.
On termination of service due to death, disability or retirement, a participant may elect to receive either a lump-sum amount equal to the value of the participant's vested interest in his or her account, or annual installments determined by the participant. For termination of service due to other reasons, a participant may receive the value of the vested interest in his or her account as a lump-sum distribution or continue to participate in the plan if the participant's vested account balance is more than $5,000.

Forfeited Accounts.
Forfeited nonvested accounts can be used to pay plan administrative expenses and to reduce future employer contributions. In 2011 and 2010 plan administrative expenses were reduced by $0 and $0, respectively. Also, in 2011 and 2010, employer contributions were reduced by $3,480 and $737, respectively, from forfeited nonvested accounts.

NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting
The financial statements of the Plan are prepared under the accrual method of accounting. The Plan's investments are stated at estimated fair market value (refer to Notes C and D).

Estimates
The preparation of financial statements in conformity with generally accepted accounting principles requires the plan administrator to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results may differ from those estimates.

Investment Valuation and Income Recognition
The Plan's investments are stated at fair value. Purchases and sales are recorded on a trade-date basis. Interest income is recorded on the accrual basis. Dividends are recorded on the ex-dividend date.

Payment of Benefits
Benefits are recorded when paid.

NOTE C – FAIR VALUE MEASUREMENTS

Statement of Financial accounting Standards No. 157, "Fair Value Measurements", establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs are unadjusted quoted prices in active markets for identical assets, and have the highest priority; Level 2 inputs consist of observable inputs other than quoted prices for identical assets; and Level 3 inputs have the lowest priority. The Plan measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value.

Gains and losses (including realized gains and losses on investments bought and sold, as well as unrealized gains and losses on investments held during the year) are included in the Statement of Changes in Net Assets Available for Benefits. For the year ended December 31, 2011, the fair value of these investments depreciated by $189,865.

NOTE D - INVESTMENTS

The following presents fair value of investments at December 31, 2011 and 2010 that represent 5% or more of the Plan's net assets.

NOTE E- RELATED PARTY TRANSACTIONS, continued

The Plan's sponsor, Earl W. Colvard, Inc., d/b/a Boulevard Tire Center and Boulevard Retread Center, Inc., absorbs a substantial portion of the administrative and accounting costs of the plan.

NOTE F- PLAN TERMINATION

Although it has not expressed any intent to do so, the Companies have the right under the Plan to discontinue contributions at any time and to terminate the Plan subject to the provisions of ERISA. In the event of Plan termination, participants would become 100% vested in their employer contributions.

NOTE G - TAX STATUS

The Internal Revenue Service has determined and informed the Companies by a letter dated July 22, 2003, that the Plan and related trust are designed in accordance with applicable sections of the Internal Revenue Code (IRC). Although the Plan has been amended since receiving the determination letter, the Plan administrator and the Plan's tax counsel believe that the plan is designed and is currently being operated in compliance with the applicable requirements of the IRC.

Consequently, the plan and its participants are subject to the risk of loss on the investments up to the face amount shown in these financial statements.
