REPORT OF INDEPENDENT AUDITORS

To the Administrative Committee of
Retirement Plus Plan
Forest Lawn Memorial-Parks & Mortuaries
Glendale, California

We have audited the accompanying statements of net assets available for benefits of the Retirement Plus Plan, Forest Lawn Memorial-Parks & Mortuaries (the "Plus Plan") as of December 31, 2011 and 2010, and the related statements of changes in net assets available for benefits for the years then ended. These financial statements are the responsibility of the Plus Plan's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Plus Plan's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the net assets available for benefits of the Plus Plan as of December 31, 2011 and 2010, and the changes in its net assets available for benefits for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were performed for the purpose of forming an opinion on the basic financial statements taken as a whole. The accompanying supplemental schedule of assets held at year-end is presented for purpose of additional analysis and is not a required part of the basic financial statements, but is supplementary information required by the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974. Such information is the responsibility of the Plus Plan's management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

Note 1 - Plan Description

The following description of the Retirement Plus Plan, Forest Lawn Memorial-Parks & Mortuaries (the "Plus Plan") is provided for general information purposes only. More complete information regarding the Plus Plan's provisions may be found in the Plan document. This document is available upon request from the Plus Plan's Administrative Committee.

The Plus Plan is a defined contribution plan for the benefit of eligible employees of Forest Lawn Memorial-Park Association and its wholly-owned subsidiary, Forest Lawn Mortuary (collectively the "Company"). The Plus Plan allows immediate participation for defined classes of employees.

Effective January 1, 2010, the Plus Plan was amended and restated in its entirety. The restated plan eliminated rollovers from the Plus Plan to the Forest Lawn Retirement Plan as a distribution option for new participants entering the Plus Plan on or after February 1, 2010.

Plan administration - The Plus Plan is administered by the Administrative Committee of the Retirement Plus Plan, Forest Lawn Memorial-Parks & Mortuaries (the "Plan Administrator"), which is appointed by the Company.

Trustee, custodian, and registered investment advisor - T. Rowe Price Retirement Plan Services, Inc. ("Trustee") serves as the Plus Plan's trustee and custodian. The Trustee is the primary recordkeeper for the Plus Plan and is required to provide on a regular basis an accounting of all receipts, disbursements and transactions of the Plus Plan.

CAPTRUST Financial Advisors is the Plus Plan's registered investment advisor.

Contributions - The Plus Plan provides for contributions from eligible employees and the Company. Employees may contribute up to 50% of their pre-tax annual compensation, limited to a maximum contribution as allowed under the Internal Revenue Code ("IRC").

Contributions by the Company, which are made at the discretion of the Company's Board of Directors, are generally 50% of employee contributions up to 7% of each employee's compensation.

Contributions are subject to regulatory limitations.

Note 1 - Plan Description (continued)

Participant accounts - Each participant's account is credited with the participant's contributions, Company contributions, and investment earnings and losses. The benefit to which a participant is entitled is the benefit that can be provided from the participant's vested account.

Participants direct the investment of their contributions and the Company's contributions to various investment options offered by the Plus Plan. Participants may choose from a variety of mutual fund options, including life cycle funds. Refer to the Summary Plan Description for more details of the various fund options.

Vesting - Company contributions vest immediately and, therefore, are nonforfeitable when made.

Notes receivable from participants - Participants may borrow a minimum of $1 up to a maximum equal to the lesser of $50 or one-half of the participant's account balance in the Plus Plan. The loans are secured by the balance in the participant's account and bear interest at rates that range from 3.25% to 9.25%. Loan maturity is not to exceed five years, except in the case where the loan is used to acquire or construct the participant's principal residence, in which case the loan may be at extended terms up to 15 years. As of December 31, 2011, outstanding loans had various maturity dates through August 2026. Participant loans are valued at their outstanding loan balances at year end.

Benefit payments and withdrawal - Benefits may be distributed to participants at normal retirement age, which is generally age 65, death, or termination of service. Distributions are made either in a lump-sum amount equal to the value of the participant's account, or in equal installments over a term not to exceed ten years. Participants may receive in-service distributions of their entire account balance upon attaining age 59 1/2. The Plus Plan also allows in-service hardship withdrawals for medical, educational, or other severe financial needs for which participants have no other funds available. All withdrawals are subject to the limits specified in the Plan document and by the IRC.

Note 2 - Summary of Significant Accounting Policies

Basis of accounting - The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"), using the accrual basis of accounting.

Investment valuation and income recognition - The Plus Plan's investments are stated at fair value. Fair value is the price that would be received to sell an asset or paid to transfer a liability (i.e. the "exit price") in an orderly transaction between market participants at the measurement date. See Note 4 for discussion of fair value measurements.

Purchases and sales of securities are recorded on the trade date basis. Dividends are recorded on the ex-dividend date. Interest is recorded when earned. Net realized and unrealized appreciation (depreciation) is recorded in the accompanying financial statements as net appreciation (depreciation) in fair value of investments.

Use of estimates - Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from these estimates.

Payment of benefits - Benefits are recorded when paid.

Risks and uncertainties - The Plus Plan provides for a number of investment options in mutual funds. Investment securities are exposed to various risks such as interest rate, market, and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in risk in the near term could materially affect participants' account balances and the amounts reported in the statements of net assets available for benefits and the statements of changes in net assets available for benefits.

Note 2 - Summary of Significant Accounting Policies (continued)

The Plus Plan invests, through the mutual funds, in the securities of foreign companies, which involve special risks and considerations not typically associated with investing in U.S. companies. These risks include devaluation of currencies, less reliable information about issuers, different securities transaction clearance and settlement practices, and possible adverse political and economic developments. Moreover, securities of many foreign companies and their markets may be less liquid and their prices more volatile than those of securities of comparable U.S. companies.

Recent accounting pronouncements - In January 2010, the Financial Accounting Standards Board ("FASB") issued Accounting Standards Update ("ASU") No. 2010-06, *Fair Value Measurements and Disclosures* (Topic 820) - *Improving Disclosures about Fair Value Measurements*. The new guidance requires additional disclosures about transfers between levels within the fair value hierarchy and clarifies existing disclosure requirements regarding classes of assets and liabilities measured at fair value. The new guidance requires the Plus Plan to: (a) disclose separately the amounts of significant transfers into and out of each level of the fair value hierarchy and describe the reasons for those transfers, (b) disclose the Plus Plan's policy for determining when transfers between levels of the fair value hierarchy are recognized, and (c) present information about purchases, sales, issuances, and settlements on a gross basis in the reconciliation of the beginning and ending balance of Level 3 fair value measurements. The new guidance is effective for reporting periods beginning after December 15, 2009, except for the Level 3 reconciliation disclosures which are effective for reporting periods beginning after December 15, 2010. The Plus Plan adopted this guidance on January 1, 2010 (see Note 4).

In May 2011, the FASB issued ASU No. 2011-04, Fair Value Measurement (Topic 820) - Amendments to Achieve Common Fair Value Measurement and Disclosure Requirements in U.S. GAAP and International Financial Reporting Standards. ASU No. 2011-04 requires disclosure of valuation techniques for Level 2 and Level 3 measurements and for Level 3 measurements requires disclosure of valuation processes used by the reporting entity and quantitative information about significant unobservable inputs. ASU No. 2011-04 removes the requirement for nonpublic companies to disclose information about transfers between Level 1 and Level 2 of the fair value hierarchy. The new guidance is effective for reporting periods beginning after December 15, 2011. The Plus Plan's management does not expect the adoption of ASU No. 2011-04 to have a material effect on the statements of net assets available for benefits and statements of changes in net assets available for benefits.

Note 3 - Investments

The following table presents investments that are five percent or more of the Plus Plan's net assets available for benefits.

	December 31,	
	2011	2010
Summit Cash Reserves Fund	$ 2,782	$ 2,084
Spartan US S&P 500 Equity Index Fund	2,896	2,152
T. Rowe Price Retirement 2010 Fund	6,176	6,011
T. Rowe Price Retirement 2020 Fund	7,634	7,211
T. Rowe Price Retirement 2030 Fund	5,949	5,754
T. Rowe Price Retirement 2040 Fund	3,119	2,845

The Plus Plan's investments in mutual funds depreciated and appreciated by ($1,669) and $4,051, including gains and losses on investments bought and sold as well as held, during the years ended December 31, 2011 and 2010, respectively.

Note 4 - Fair Value Measurements

Fair value measurements - FASB Accounting Standards Codification ("ASC") 820, *Fair Value Measurements and Disclosures*, provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurements) and the lowest priority to unobservable inputs (Level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical, unrestricted assets or liabilities.

Level 2 Quoted prices in markets that are not considered to be active or financial instruments for which all the significant inputs are observable, either directly, or indirectly.

Note 4 - Fair Value Measurements (continued)

Level 3 Prices or valuations that require inputs that are both significant to the fair value measurement and unobservable.

A financial instrument's level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement.

Following is a description of the valuation methodologies used for assets measured at fair value.

Shares of mutual funds are valued using the net asset value ("NAV") of shares held by the Plus Plan at year end based on quoted market prices. The NAV is a quoted market price in an active market and is classified within level 1 of the valuation hierarchy.

Shares of common stocks are valued at the closing price reported on the active market on which the individual securities are traded. Common stocks are classified within level 1 of the valuation hierarchy.

The money market fund is a public investment vehicle valued using $1 for the NAV. The money market fund is classified within level 1 of the valuation hierarchy.

The following table sets forth by level, within the fair value hierarchy, the Plus Plan's investment assets measured at fair value as of December 31, 2011:

	Level 1	Level 2	Level 3	Total

Note 5 - Administrative Expenses

Certain expenses incurred in connection with the general administration of the Plus Plan are paid from Plus Plan assets. The Company paid for other expenses of the Plus Plan.

Note 6 - Federal Income Tax Status

The Internal Revenue Service issued a determination letter dated November 9, 2010, stating that the Plus Plan was designed in accordance with applicable IRC requirements as of that date.

U.S. GAAP require plan management to evaluate tax positions taken by the Plus Plan and recognize a tax liability (or asset) if the Plus Plan has taken an uncertain position that more likely than not would not be sustained upon examination by the IRS. The Plan Administrator has analyzed the tax positions taken by the Plus Plan, and has concluded that as of December 31, 2011 and 2010, there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Plus Plan is subject to routine audits by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

Note 7 - Plan Termination

Although it has not expressed any intent to do so, the Company has the right under the Plus Plan to amend the Plus Plan or to discontinue its contributions at any time and to terminate the Plus Plan subject to the provisions of the Employee Retirement Income Security Act of 1974 ("ERISA").

Note 8 - Subsequent Events

The Plus Plan's management has evaluated subsequent events through July 19, 2012, the date the financial statements were issued.
