August 10, 2012

Board of Trustees  
BancStar, Inc. Profit Sharing Plan  
1450 Parkway West, Suite 200  
Festus, MO 63028

We have conducted a DOL limited-scope audit of the financial statements of BancStar, Inc 401(k) Profit Sharing Plan for the year ended October 31, 2011 and have issued our report thereon dated August 10, 2012. As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in Note 3 to those financial statements. Because of the significance of the information that we did not audit, we are unable to, and have not, expressed an opinion on those financial statements and schedules taken as a whole. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards, as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated November 4, 2011. Professional standards also require that we communicate to you the following information related to our audit.

## Significant Audit Findings

### *Qualitative Aspects of Accounting Practices*

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by the BancStar, Inc. Profit Sharing Plan are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during 2010. We noted no transactions entered into by BancStar, Inc. Profit Sharing Plan during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. There were no especially sensitive estimates affecting the financial statements.

*Difficulties Encountered in Performing the Audit*

We encountered no significant difficulties in dealing with management in performing and completing our audit.

*Corrected and Uncorrected Misstatements*

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are trivial, and communicate them to the appropriate level of management. No adjustments were required.

*Disagreements with Management*

For purposes of this letter, professional standards define a disagreement with management as a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

*Management Representations*

We have requested certain representations from management that are included in the management representation letter dated August 10, 2012.

*Management Consultations with Other Independent Accountants*

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to the BancStar, Inc. Profit Sharing Plan's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

*Other Audit Findings or Issues*

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as the BancStar, Inc. Profit Sharing Plan auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

*Other Information in Documents Containing Audited Financial Statements*

With respect to the supplementary information accompanying the financial statements, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with the DOL'S Rules and Regulations for Reporting and Disclosure under ERISA, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

This information is intended solely for the use of Board of Trustees and management of the BancStar, Inc. Profit Sharing Plan and is not intended to be and should not be used by anyone other than these specified parties.

Very truly yours,

## Independent Auditors' Report

We were engaged to audit the financial statements of BancStar, Inc. 401(k) Profit Sharing Plan (the "Plan") for the ten months ended October 31, 2011 and year ended December 31, 2010. These financial statements are the responsibility of the Plan's management.

As permitted by 29 CFR 2520.103-8 of the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974, the Plan administrator instructed us not to perform, and we did not perform, any auditing procedures with respect to the information summarized in note 3, which was certified by DWS Trust Company, the trustee of the Plan, except for comparing the information with the related information included in the financial statements and supplemental schedule. We have been informed by the Plan administrator that the trustee holds the Plan's investment assets and executes investment transactions. The Plan administrator has obtained certifications from the trustees as of and for the ten months ended October 31, 2011, that the information provided to the Plan administrator by the trustee is complete and accurate.

As further discussed in Notes 1 to the financial statements, the Board of Trustees of BancStar, Inc., the Plan's sponsor, elected to begin participation in the Pentegra Defined Contribution Plan for Financial Institutions effective November 1, 2011.

Because of the significance of the information that we did not audit, we are unable to, and do not, express an opinion on the accompanying financial statements taken as a whole. The form and content of the information included in the financial statements, other than that derived from the information certified by the trustee, have been audited by us in accordance with auditing standards generally accepted in the United States of America and, in our opinion, are presented in compliance with the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974.

## **NOTES TO FINANCIAL STATEMENTS**

**FOR THE TEN MONTHS ENDED OCTOBER 31, 2011 AND**

**YEAR ENDED DECEMBER 31, 2010**

### **1. DESCRIPTION OF THE PLAN**

#### General

The following brief description of the BancStar, Inc. 401(k) Profit Sharing Plan (the Plan) is provided for general information purposes only. Participants should refer to the plan agreement for more complete information.

The Plan covers BancStar, Inc. and Pacific BancStar, Inc. and subsidiaries.

Effective January 1, 1998 BancStar, Inc. (BancStar) elected to participate in the Kemper Financial Services, Inc. (now known as Scudder Investments D W Trust) Defined Contribution Master Plan. The Plan, as adopted, restated the BancStar, Inc. Employees 401(k) Profit Sharing Plan adopted as of January 1, 1994, which was an amendment and restatement of the 401(k) plan first adopted by BancStar January 1, 1989. Effective January 1, 2002, BancStar amended the Plan to provide for "Safe Harbor Matching" contributions, which are affirmed by an annual election. As of July 15, 2009 the Plan was amended to stop making the safe harbor employer matching. The Plan has completed the IRS-mandated retirement restatement commonly referred to as the "EGTRRA" restatement referring to the Economic Growth and Tax Relief Reconciliation Act of 2001.

The Plan was established under the provisions of Section 401(a) of the Internal Revenue Code. The purpose of the Plan is to provide retirement and other benefits for those employees who qualify for participation under the terms of the Plan. The Plan is subject to the provisions of the Employee Retirement Security Act of 1974, as amended (ERISA).

The Plan adopted a resolution to merge assets with Pentegra Defined Contribution Plan for Financial Institutions, a multi-employer service provider effective on November 1, 2011.

#### Eligible Participants

Under the terms of the Plan, employees are eligible to participate effective the January 1 or July 1 following completion of 1,000 hours of service and three months of service.

#### Contributions

The Plan permits a participant to elect to contribute (Elective Deferred Contribution), during each payroll period, an amount up to 100% of the participant's annual compensation, up to a maximum of \$16,500 for the year ended December 31, 2010 and for the ten months ended October 31, 2011.

In addition, employer contributions may be made as follows:

Matching Contributions for a participant shall be an amount equal 100 percent of the participant's elective deferred contributions, not to exceed 4% of participant's annual compensation

Profit Sharing Contributions shall be determined annually based on BancStar obtaining profit goals.

Qualified Non-Elective Contributions shall be determined by BancStar. Qualified Non-Elective Contributions are 100% vested and non-forfeitable when made.

The Plan maintains accounts for each participant as follows:

Elective Deferred Contributions – For all invested amounts deducted from the participant's current compensation and contributed to the Plan.

After-tax Contributions – For all invested amounts deducted from the participant's current compensation on an after-tax basis and contributed to the Plan.

Employer Contributions – For each participant's share of employer matching contributions.

Participant Loans – Participants are allowed to transfer portions of their account balances into the loan account and borrow from the account up to an amount such that the outstanding loan plus accrued interest does not exceed 50% of the participant's vested account balance, as defined in the plan document, or \$50,000, whichever is less. The loan bears interest at an amount determined as reasonable by BancStar.

Profit Sharing – For each participant's share of employer profit sharing contributions.

Qualified Non-Elective Contribution – For each participant's share of employer qualified non-elective contributions.

Rollover Contributions – For all invested amounts transferred from other qualified plans.

Participants' vesting in BancStar's Profit Sharing contributions, and Employers Matching Contributions made before January 1, 2002, and earnings thereon is based on a six-year vesting schedule.

**2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES CONTINUED**

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amount of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Administrative Expenses

Certain administrative expenses of the Plan are paid by BancStar.

Tax Status

The plan obtained its latest determination letter on March 31, 2008, in which the Internal Revenue Service stated that the plan, as then designed, was in compliance with the applicable requirements of the Internal Revenue Code. The plan has been amended since receiving the determination letter. However, the plan administrator and the plan's tax counsel believe that the plan is currently designed and being operated in compliance with the applicable requirements of the Internal Revenue Code.

**3. INVESTMENTS**

The Company has elected the method of compliance permitted by 29 CFR 2520-103-8 the Department of Labor's Rules and Regulations for Reporting and Disclosure under the Employee Retirement Income Security Act of 1974 (ERISA). Accordingly, as permitted under such election, The Company has obtained certifications from the Investment Service Provider that all of the information in the accompanying financial statements and supplemental schedules, except for notes to financial statements, is complete and accurate. Information as to the assets and investment income as included in the financial statements and all information appearing in the accompanying schedules is presented in reliance solely upon these certifications.

BancStar has elected to terminate the Plan as of October 31, 2011. No part of the net assets of the Plan revert to BancStar and the accrued benefit account of each member becomes fully vested and non-forfeitable. Assets have been transferred to Pentegra Defined Contribution Plan for Financial Institutions, 108 Corporate Park Drive, White Plains, New York, 10604-3893.

**5. FAIR VALUE MEASUREMENTS**

FASB ASC 820 provides the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy under FASB ASC 820 are described as follows:

- Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
- Level 2: Inputs to the valuation methodology include:
  - quoted prices for similar assets or liabilities in active markets;
  - quoted prices for identical or similar assets or liabilities in inactive markets;
  - inputs other than quoted prices that are observable for the asset or liability
  - inputs that are derived principally from or corroborated by observable market data by correlation or other means.

## NOTES TO FINANCIAL STATEMENTS

FOR THE TEN MONTHS ENDED OCTOBER 31, 2011 AND

YEAR ENDED DECEMBER 31, 2010

### 5. FAIR VALUE MEASUREMENTS CONTINUED

If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at December 31, 2010 and 2009.

Mutual funds and self-directed options: Valued at the net asset value of shares held by the plan at year end.

Common Collective Trust: Valued at other significant observable inputs including quoted prices for similar securities, interest rates and credit risk.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the plan believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the plan's assets at fair value as of December 31, 2010.

|                         | Fair Value Measurements Using                                           |                                                                       |                                                    |                     |
